## APPLICATION FORMS

## 1.1 Comprehensive Plan Amendment Application Form

# APPLICATION FOR COMPREHENSIVE PLAN AMENDMENT

Planning and Development Services Department  
1660 Ringling Blvd., 1<sup>st</sup> Floor  
Sarasota, FL 34236

Telephone: 941-861-5244 Fax: 941-861-5593 E-mail: [planner@scgov.net](mailto:planner@scgov.net)

## FORMAL REQUEST

I hereby request the Sarasota County Commission to amend The Sarasota County Comprehensive Plan by revising:

The Future Land Use Map by changing from \_\_\_\_\_ to \_\_\_\_\_ .

Other Comprehensive Plan Amendment Application Type: \_\_\_\_\_ (Attach Narrative)

For Future Land Use Map amendments, please attach a legible map that depicts an area that includes the subject property, the surrounding area for a distance of not less than 2,000 feet from the boundaries of the subject property, and one or more major thoroughfares. All parcel boundaries should be shown. The Future Land Use Map designations should be indicated. The property that is the subject of the amendment should be outlined on the map and the requested change should be noted in the legend. If a new Commercial Center or Commercial Highway Interchange designation is being requested, whose boundaries will have to be defined through the Critical Area Planning Program, the applicant shall show the applicable Future Land Use Map symbol rather than a specific boundary delineation.

- \_\_\_\_\_ Small Scale Comprehensive Plan Amendment (proposing a Future Land Use Map change only, for a parcel 10 acres or less in size)
- \_\_\_\_\_ Large Scale Comprehensive Plan Amendment (> 10 acres in size)
- \_\_\_\_\_ Maps in the Future Land Use Series (listed in Future Land Use Policy 1.1.2.)
- \_\_\_\_\_ Please attach an annotated copy of the map(s) as adopted.
- \_\_\_\_\_ Goals, Objectives, Policies and/or
- \_\_\_\_\_ Guiding Principles and/or
- \_\_\_\_\_ Provisions for Evaluating Developments in Native Habitats

Please attach a page(s) showing the proposed text revisions with additions underlined and deletions shown struck through. \_\_\_\_\_

**Please be sure to refer to page 7 for County Charter language governing Board approval of Comprehensive Plan Amendments.**

## PAYMENT OF FEES

All expenses of advertising, notice, staff review, and processing shall be paid by the Petitioner under the County's billable fee system pursuant to Resolution No. 18-057. The Billable Fee Payment Agreement, is included in this application form, and must be submitted with the application.

## FUTURE LAND USE MAP REVISIONS

If a Future Land Use Map revision is being requested, please answer the questions in this section.

If a Commercial Center or Commercial Highway Interchange designation is being requested, whose boundaries will have to be defined through the Critical Area Planning Program, the applicant shall use the maximum area permitted by the designation for all market demand and impact calculations. Do not include a concept plan with your application.

### Existing Land Use

1. What is the acreage of the property proposed for redesignation? \_\_\_\_\_ (Not applicable to new Commercial Center and Commercial Highway Interchange designation requests)
2. Are there any buildings on the property? \_\_\_\_\_ YES \_\_\_\_\_ NO
  - a. If YES, please describe briefly:  
\_\_\_\_\_
3. Please **attach a description of the land uses on all surrounding properties**. An aerial photograph should be submitted to accompany the description. The boundaries of the amendment area should be indicated on the photograph. If the owner of the subject parcel(s) also own parcels adjacent to the subject parcel, please indicate the location of these parcels. In the case of a request for a proposed new Commercial Center or Commercial Highway Interchange designation, existing land uses should be described for a distance of at least 1,000 feet from the intersection, but no parcel boundaries should be indicated.

**See Attached 'Adjacent Uses' Exhibit and Attached Narrative**
4. If there are native habitats on the property, please indicate the native habitat areas, as categorized on the Land Cover Map in the Comprehensive Plan, on an aerial photograph. If an environmental assessment has been done please attach the report to this application.

**See Attached 'FLUCCS' Exhibit**

### Availability of Public Facilities

5. Is the property located within the Urban Service Boundary? \_\_\_\_\_ YES \_\_\_\_\_ NO
  - a. If no, would the proposed designation require an extension of the Urban Service Boundary?  
\_\_\_\_\_ YES \_\_\_\_\_ NO

**Please be sure to refer to page 7 for County Charter language governing Board approval of Comprehensive Plan Amendments.**

6. Is the property located within a Future Urban Service Boundary? \_\_\_\_\_ YES \_\_\_\_\_ NO

### Wastewater Facilities

7. What is the estimated maximum wastewater flow per day that would be generated if the property were developed under the proposed designation as compared with the present designation? Please answer in gallons per day and show calculations.

---

---

---

---

---

---

---

---

8. Is the property within a wastewater service area? \_\_\_\_\_ YES \_\_\_\_\_ NO  
 (if yes, please answer the following questions)
- a. Which wastewater service area? \_\_\_\_\_
  - b. Is there adequate capacity at the wastewater treatment facility to serve the flow calculated for the proposed designation? \_\_\_\_\_ YES \_\_\_\_\_ NO
  - c. Would a line extension be needed to serve the property? \_\_\_\_\_ YES \_\_\_\_\_ NO
  - d. If yes, please describe the route of the proposed line extension.  
 \_\_\_\_\_  
 \_\_\_\_\_  
 \_\_\_\_\_
  - e. Is the line extension described above listed in the County's most recently adopted Five Year Schedule of Capital Improvements? \_\_\_\_\_ YES \_\_\_\_\_ NO
  - f. If the answer to 8e is NO, is the needed line extension listed in Table 10-4: Future Capital Improvements - in the Comprehensive Plan? \_\_\_\_\_ YES \_\_\_\_\_ NO

### Potable Water Facilities

9. What is the estimated maximum demand for potable water that would be generated if the property were developed under the proposed designation as compared with the present designation? Please answer in gallons per day and show calculations.

---

---

---

---

Single Family 5000 units x 250 gpd ADF/units = 1,250,000 gpd ADF  
 Max Daily Flow w/assumed Peak Factor of 2: ADF x 2 = 1,250,000  
 gpd x 2 = 2,500,000 gpd

10. Is the property within a potable water service area as shown on Map 12-8: Potable Water Service Areas in the Comprehensive Plan. \_\_\_\_\_ YES \_\_\_\_\_ NO  
 (if yes, please answer the following questions)
- a. Would a line extension be needed to serve the property? \_\_\_\_\_ YES \_\_\_\_\_ NO
  - b. If yes, please describe the proposed route.  
 \_\_\_\_\_  
 \_\_\_\_\_  
 \_\_\_\_\_
  - c. Is the line extension described above listed in the County's most recently adopted Five Year Schedule of Capital Improvements? \_\_\_\_\_ YES \_\_\_\_\_ NO

## Stormwater

11. In which drainage basin is the property located?\_\_\_\_\_.

12. Has a Basin Master Plan been approved by the County for that basin? \_\_\_\_YES \_\_\_\_NO

a. If **YES**, does the Basin Master Plan show that the drainage system that would be impacted meets current minimum adopted level of service criteria? \_\_\_\_YES \_\_\_\_NO

b. If **NO**, please describe the nature of the deficiencies.

---

---

---

---

---

c. If there are deficiencies are the improvements needed to correct the problem listed in the County's most recently adopted Five Year Schedule of Capital Improvements?

\_\_\_\_YES \_\_\_\_NO

13. Is any portion of the property within a 100 Year Floodplain as shown on the applicable Basin Master Plan? (If a Basin Master Plan has not been approved, use a County approved study, if applicable, or the flood maps of the Federal Emergency Management Agency.)

### Dona Bay and Upper Myakka River Watershed Models

MAP SOURCE \_\_\_\_YES \_\_\_\_NO

a. If **YES**, please indicate the approximate percentage of the total area that lies within the 100 Year Flood Plain as depicted on the map resource cited above. \_\_\_\_

Dona Bay: 49.81 Ac / 4117.53 Ac x 100 = 1.21%

UMR: 660.23 Ac / 4117.53 Ac x 100 = 16.03 %

Total Floodplain Percentage = 1.21% + 16.03% = 17.24%

14. Is any portion of the property located within a Hurricane Vulnerability Zone?

MAP SOURCE \_\_\_\_YES \_\_\_\_NO

*Note: Hurricane Vulnerability Maps may be found at all County public libraries. For more information, contact Sarasota County Emergency Management Services at 861-5000.*

a. If **YES**, please indicate the approximate percentage of the property that is located within the hurricane vulnerability zone or in the case of more than one zone, the percentage in each zone.

---

---

---

---

## Transportation

- 15.** Please calculate the traffic generation potential of the maximum allowable intensity/density of the proposed designation as compared with the present designation. The assumptions used in this determination should be shown.

---

---

---

---

---

---

- a.** Please describe the traffic impact area.

---

---

---

---

---

---

- b.** Can the additional traffic impact of the requested designation change be supported by the County's Thoroughfare Plan? **Please see Section 5: Transportation of this application package for the Transportation Methodology Statement and Traffic Impact Study.**

\_\_\_\_\_ **NO** (if **NO**, please answer **15c**)      \_\_\_\_\_ **YES** (if **YES**, please answer **15d**)

- c.** If **NO**, identify any additional roadway improvements that would be needed that are not included in the most recently adopted Five Year Schedule of Capital Improvements, or Table 14-2: Facilities with Unfunded Capital Improvements - or Map 10-8: Year 2040 Future Thoroughfare Plan in the Comprehensive Plan.

---

---

---

---

---

---

- d.** If **YES**, identify the additional roadway improvements, if any, that are in the Year 2040 Future Thoroughfare Plan that would need to be made to support the proposed designation.

---

---

---

---

---

---

**Plans Affecting the Area**

**16.** Please check any other County approved plans that affect the property.

Critical Area Plans (please cite ordinance number) \_\_\_\_\_

Development of Regional Impact (please name) \_\_\_\_\_

Myakka River Protection Plan Community Plan \_\_\_\_\_

Other (please name) \_\_\_\_\_

**Neighborhood Workshop**

**17.** Please indicate the date and location of the workshop conducted by the Petitioner.

Date \_\_\_\_\_ Location \_\_\_\_\_

**Attach a copy of the Neighborhood Workshop newspaper advertisement, summary minutes of the workshop and attendance sheet.**

**PLAN COMPATIBILITY**

**18.** Provide a narrative describing the justification for this request using the applicable Supportive Material, including how the Goals, Objectives, and Policies of the Future Land Use Chapter and those of any other affected chapters are met or futhered. (Attach additional page(s) if needed.)

## **COUNTY CHARTER LANGUAGE PERTAINING TO COMPREHENSIVE PLAN AMENDMENTS**

2.2A(1) Provided, however, any ordinance amending Sarasota County's Comprehensive Plan which increases allowable land use density or intensity, shall require an affirmative vote of a majority plus one of the full membership of the Board of County Commissioners. (Added 11/6/2007.)

2.2A(2) Provided further, that from and after the effective date of this sub-section

2.2A(2), any ordinance amending Sarasota County's Comprehensive Plan which either:

- (1) adds lands lying outside the Urban Service Area Boundary to the Urban Service Area;
- (2) establishes new Future Land Use Overlay Districts which increase the allowable land use density or intensity on lands lying outside the Urban Service Area Boundary; or,
- (3) adds lands outside the Urban Service Area Boundary to either the Settlement Area Overlay or the Affordable Housing Overlay, shall be fiscally neutral and shall require the unanimous affirmative vote of the full membership of the Board of County Commissioners. July 2012 Edition 9

"Urban Service Area" shall mean that area delineated on that certain map titled "Future Land Use Map of Sarasota County," on file in the official records of the Clerk to the Board of County Commissioners.

This sub-section 2.2A(2) shall not apply to amendments to the goals, objectives, and policies of the Sarasota 2050 Resource Management Areas or to the Land Use Maps approved as part of Sarasota 2050.

This sub-section 2.2A(2) shall not apply to comprehensive plan amendments that were approved for transmittal to the Department of Community Affairs prior to January 1, 2008.

Any proposed ordinance amending Sarasota County's Comprehensive Plan eliminating the Urban Service Area Boundary from Sarasota County's Comprehensive Plan shall be subject to voter approval at a referendum election called for that purpose. (Pursuant to Section 163.3167(8), Florida Statutes, the requirement of a referendum for a Comprehensive Plan Amendment is prohibited.)

No Charter amendment adopted after the effective date of this sub-section 2.2A(2) that deals with the extent of or process for altering the Urban Service Area in Sarasota County's Comprehensive Plan shall become effective unless that amendment explicitly provides for the repeal of this sub-section 2.2A(2). (Added sub-section 2.2A(2) 5/6/2008)

[Link to County Charter](#)

**LEGAL DESCRIPTION(S)** \_\_\_\_\_

**A LEGIBLE LEGAL DESCRIPTION OF THE SUBJECT PROPERTY IS REQUIRED. YOUR PETITION CANNOT BE PROCESSED WITHOUT THIS INFORMATION.**

**A TEXT VERSION OF THE LEGAL DESCRIPTION CAN BE PROVIDED ON THIS PAGE (ADDITIONAL PAGES IF NECESSARY).**

**AN ELECTRONIC VERSION OF THE LEGAL DESCRIPTION IN MICROSOFT WORD MUST BE SUBMITTED ON COMPACT DISK (CD).**

## **Addendum to Formal Application**

### **Production and Posting of Hearing Notification Signs**

Sarasota County has updated the public hearing notice signage standards to provide better visibility to the public and improve access to petition materials. We are no longer using the yellow 3 feet wide by 2 feet high handwritten/noted signs.

The signs will be required to be professionally produced 3 feet wide by 2 feet high. Agents are responsible for producing and posting the notification signs for both the Planning Commission hearing and the Board of County Commissioners hearing.

Planning Services will provide the agent with an electronic file of the sign design, a listing of design specifications, and the number of signs needed. The agent will arrange with the sign company of their choosing to produce the sign and arrange for pick-up and posting on the property.

Projects with multiple petition types (rezone, special exception, comprehensive plan amendment etc.) will have separate signs for each petition type. The signage will have visibly clear public hearing lettering in a color pallet created for each petition type. For example, rezone signs are green, special exceptions are light blue, coastal setback variance are turquoise, comprehensive plan amendments and developments of critical concern are dark blue.

The signage also contains a QR code to link to the County's website. This offers citizens a clearer pathway to easily access information about petitions

## 1.2 Billable Fee Agreement Form

## BILLABLE FEE PAYMENT AGREEMENT

Petition Number: \_\_\_\_\_

I/WE agree to pay all the costs associated with processing this application petition. Payment is due within 10 days of receipt of an invoice, and all processing of the petition will stop if payments, including advances, are not made within 10 days. All funds that remain at the end of the processing will be returned to the entity which paid funds to the County. A petition is considered complete once the Board of County Commissioners has rendered a decision and the change has been recorded on the official zoning maps, or the petition has been withdrawn by the Applicant.

Name(s): Anthony J. Chiofalo, LWR Communities, LLC

Billing address: 14400 Covenant Way, Lakewood Ranch, FL 34202

Employer: LWR Communities, LLC

Employer's phone: 941-757-1570

Home address: \_\_\_\_\_

Home phone: \_\_\_\_\_

Drivers License No: C140-010-57-411-0 State FL

**I understand and agree to the conditions outlined in this agreement, and certify that all the information I have provided is correct.**

Signature: \_\_\_\_\_

Witness: \_\_\_\_\_

Print Name: Anthony J. Chiofalo

Print Name: Suzanne L. Fugate

Applicants are billed for actual costs of processing the petition. Fees will vary depending upon the amount of staff time required and the cost of advertising the two required public hearings. The following initial fees shall be paid to the County at the time of submission for the following applications:

|                                    |          |
|------------------------------------|----------|
| Comprehensive Plan amendments      | \$5,000  |
| Developments of Critical Concern   | \$10,000 |
| Critical Area Plans and amendments | \$7,500  |
| Rezone Petitions                   | \$7,500  |
| Special Exception Petitions        | \$7,500  |

If costs exceed the initial deposit, the person designated as responsible for fee payment will be billed for additional expenses. Billing will include maintenance of a minimum escrow balance in addition to expenses incurred during the billing period. Please note payment is due within 10 days of billing, and that all processing of an application will stop if payment is not received within that period.

Upon completion of the process and recording of any final instruments the person named in the application as responsible for payment of fees should submit a written request for a refund of any remaining funds.

## 1.3 Owner Disclosure and Affidavit Forms

## DISCLOSURE OF OWNERSHIP OR OTHER INTEREST IN THE PROPERTY

Under the County Charter, this application may not be deemed complete until the applicant provides complete ownership or other interest disclosure.

Section 3.8 of the Sarasota County Charter requires disclosure of those who own and/or have an interest in property proposed for rezoning or special exception. This includes: owners, lessees, beneficiaries, contract purchasers, partnerships, and corporations. For any entity other than a publicly traded corporation or nonprofit corporation, the disclosure information must include the names of all persons having interests in the subject property, and the percentage of ownership held by each person. Please provide name(s), mailing address(es), and street address(es) for all persons.

Existing Owner Heritage Ranch, LLC

|      |                      |  |                     |
|      |                      |  |                     |

\*The sole Member of Heritage Ranch, LLC is SMR Conservation Properties, LLC, of which Schroeder-Manatee Ranch, Inc., a Delaware corporation is the Authorized Member. The list of shareholders is attached as Exhibit A.

## OWNER AFFIDAVIT

I Anthony J. Chiofalo, Vice President of Schroeder-Manatee Ranch, Inc., being first duly sworn, depose and say that I am the owner of the property which is the subject matter of this application; that I am authorized to submit this application; that all the answers to the questions in this application, and all sketches, data, and other supplementary matter attached to and made part of this application, are complete, honest, and true to the best of my knowledge and belief. I understand this application must be complete and accurate before a hearing can be advertised. I further designate the agent identified below to act as my representative in any matter regarding this petition. I authorize County staff to visit the site as necessary for proper review of this petition. If there are any special conditions limiting staff access such as guard dogs, locked gates, restricted hours, etc., I have provided the name and phone number of someone who can allow entry.

## DISCLOSURE OF OWNERSHIP OR OTHER INTEREST IN THE PROPERTY

Under the County Charter, this application may not be deemed complete until the applicant provides complete ownership or other interest disclosure.

Section 3.8 of the Sarasota County Charter requires disclosure of those who own and/or have an interest in property proposed for rezoning or special exception. This includes: owners, lessees, beneficiaries, contract purchasers, partnerships, and corporations. For any entity other than a publicly traded corporation or nonprofit corporation, the disclosure information must include the names of all persons having interests in the subject property, and the percentage of ownership held by each person. Please provide name(s), mailing address(es), and street address(es) for all persons.

Existing Owner John Cannon Homes - Eastmoor L.L.C.

(Name)

*John Cannon Homes - Eastmoor LLC is a single-member LLC whose sole member is John Cannon Homes, Inc.*

## DISCLOSURE OF OWNERSHIP OR OTHER INTEREST IN THE PROPERTY

Under the County Charter, this application may not be deemed complete until the applicant provides complete ownership or other interest disclosure.

Section 3.8 of the Sarasota County Charter requires disclosure of those who own and/or have an interest in property proposed for rezoning or special exception. This includes: owners, lessees, beneficiaries, contract purchasers, partnerships, and corporations. For any entity other than a publicly traded corporation or nonprofit corporation, the disclosure information must include the names of all persons having interests in the subject property, and the percentage of ownership held by each person. Please provide name(s), mailing address(es), and street address(es) for all persons.

Existing Owner BHEG Lakepark LLC, a Delaware limited liability company

(Name)

Contract purchaser (attach copy of the signed contract) N/A

(Name)

Lessee (attach a copy of the signed lease) N/A

(Name)

If any owner, part owner, or beneficiary is:

- Individual (indicate name exactly as recorded and list all other owners)
- Partnership (limited or business entity - name owners and percentage held by each)
- Corporation other than publicly traded or nonprofit, name all shareholders and percentage held by each
- Trust (Name beneficiaries and percentage held by each)
- Other \_\_\_\_\_

(Please list below and attach additional sheets as needed for each of the above types of ownership to ensure that all required information is submitted)

## OWNER AFFIDAVIT

I A. Janelle Iturbe, an Authorized Representative for BHEG Lakepark LLC, being first duly sworn, depose and say that I am the owner of the property which is the subject matter of this application; that I am authorized to submit this application; that all the answers to the questions in this application, and all sketches, data, and other supplementary matter attached to and made part of this application, are complete, honest, and true to the best of my knowledge and belief. I understand this application must be complete and accurate before a hearing can be advertised. I further designate the agent identified below to act as my representative in any matter regarding this petition. I authorize County staff to visit the site as necessary for proper review of this petition. If there are any special conditions limiting staff access such as guard dogs, locked gates, restricted hours, etc., I have provided the name and phone number of someone who can allow entry.

# SECTION 2:

## NARRATIVE & CONSISTENCY

## 2.1 Introduction

The Applicant, LWR Communities, LLC., seeks to develop its remaining lands, together with additional joint venture lands, consistent with market-driven densities and housing types that have developed throughout Lakewood Ranch over the past 25+ years. The subject property, known as “Lakewood Ranch Southeast”, is located east of Waterside, north of Fruitville Road, and south of the Manatee/Sarasota County line.

The existing conditions of the subject property include the following:

- **Acreage:** 4,120± Acres
- **Parcel IDs (18):** 0179010020, 0515010010, 0515010001, 0514020001, 0514010001, 0512030001, 0517120001, 0517010002, 0519020001, 0519010001, 0521030001, A Portion of 0535030006, 0537010001, 0536020001, 0225001000, 0541010001, 0543010010, 0545002010
- **Existing Land Uses:** Agricultural (office, barns, sheds, etc.) and single family residential
- **Future Land Use:** Rural
- **Zoning:** Open Use Rural (OUR), Hamlet Planned Development (HPD), and Open Use Estate (OUE-1)
- **Resource Management Area (RMA):** Hamlet and Greenway
- **Closed Petitions:** Rezone Petition 14-15 (Lakepark Estates – BCC Approved), Rezone Petition 04-02 (Ranches at Bern Creek – BCC Denied), Rezone Petition 04-07 (Myakka Ranches – BCC Denied), Rezone Petition 04-15 (Schwartz Farms Property – BCC Denied), Rezone Petition 02-57 (Ranch My - Withdrawn)

The Applicant is requesting the following:

- **Comprehensive Plan Text Amendment** to create a new RMA designation, the Village Transition Zone (VTZ)
- **Comprehensive Plan Large-Scale Map Amendment** to change the RMA designation of the subject property from Hamlet and Greenway to VTZ and Greenway as well as move the Countryside Line

The Applicant is requesting a Comprehensive Plan Text Amendment to *Chapter 8 – 2050 Resource Management Area* to create a “Village Transition Zone” (VTZ) Resource Management Area (RMA). Please see **Section 3** of this application package which includes the proposed text amendment language in strikethrough and underline. The land uses for VTZ RMA are envisioned to be primarily residential uses and potentially ancillary support uses such as places of worship, public safety facilities, and other civic uses. Neighborhood commercial is not proposed, as the needs for commercial uses are supplied elsewhere in locations more conducive to the success of commercial and retail enterprise. In addition, the proposed project seeks to support the existing commercial development of the area such as Waterside.

The VTZ RMA seeks to provide a more compatible development form and density transition from Village to Hamlet. The maximum base density will be 1 du/gross acre, including such portions of the Greenway RMA located within the VTZ RMA. To achieve the desired development form, the dwelling units to which the on-site Greenway RMA and required Open Space would otherwise be entitled will be transferred into the Developed Area of the property resulting in a maximum base density of 2 dwelling units per acre of

Developed Area. This base density may be increased by way of incentives outlined in the Comprehensive Plan Text Amendment, yet the development cannot exceed 5,000 dwelling units.

The VTZ RMA will allow for a village edge community that serves as a midpoint between Village and Hamlet and which includes residential densities and product types that are found in the nearby neighborhoods of Lakewood Ranch (e.g., the Lake Club, Country Club East, the Isles, and eastern portions of Waterside). The intent of the VTZ RMA is to establish development parameters that are specific to the subject site only. The proposed VTZ RMA requires the protection and incorporation of open space and environmental resources by incorporating the Greenway and through the provisions 50% open space, subject to a potential decrease to 43% for reduced Greenbelts. The proposed VTZ RMA also includes incentivized Community Housing and a development review process to facilitate more predictable outcomes.

The Applicant is requesting a concurrent Comprehensive Plan Large-Scale Map Amendment to reflect the VTZ RMA and Greenway RMA for the subject property and to amend the Countryside Line to shift it to the east side of the subject property (See **Section 3** of this application package). Please note as a part of the Large-Scale Map Amendment, the Greenway RMA will be reflected as it currently is reflected in the Comprehensive Plan.

The Applicant will be requesting separate approval of a DOCC and approval of a Master Development Order/VTZ Master Plan for the subject property to plan for a holistic approach to the proposed large-scale development. In order to support the development of Lakewood Ranch Southeast, future roadway improvements include the construction of Bourneside Boulevard as a four-lane roadway traversing the property and connecting University Parkway to Fruitville Road, creating a regional corridor.

Following approval of the Applicant's request and consistent with the proposed Comprehensive Plan Amendments, it is anticipated that the subject property will be rezoned to Residential Single Family – 2/Planned Unit Development (RSF-2/PUD) in several increments to allow for development in accordance with the Master Development Order/VTZ Master Plan as well as other relevant Unified Development Code (UDC) standards.

The Sarasota County Commission authorized the process to consider the proposed Comprehensive Plan Amendments out-of-cycle on March 29, 2022. The Applicant held a Pre-Application meeting on April 7, 2022. A Neighborhood Workshop was also held on April 7, 2022, to discuss the proposed project with the community.

A rezone was approved in 2015 (Ordinance 2014-090) for Parcels 0225001000, 0541010001, 0543010010, and 0537010001 of the subject property known as Lakepark Estates. This rezone resulted in those properties being zoned to Hamlet Planned Development (HPD). In the approved Development Concept Plan (DCP) for Lakepark Estates, parcels 0225001000 and 0541010001 are identified as greenway and open space. The VTZ Master Plan for the Lakewood Ranch Southeast project will propose that these parcels stay identified as greenway and open space consistent with what has been approved. The HPD rezone for the Lakepark Estates property is an implementing zoning district under the current Hamlet RMA and Phase One of the approved project is under construction. The proposed Lakewood Ranch Southeast Comprehensive Plan Amendments will change the Hamlet RMA of these parcels to VTZ RMA. The current residential construction for Lakepark Estates will continue to develop as was approved in Site and Development for Phase One. Phase One of the Lakepark Estates project only includes single-

family residential which will be compatible with the future single-family residential development proposed as a part of the Lakewood Ranch Southeast VTZ RMA. Phase One of Lakepark Estates is being developed under the HPD zoning which has more restrictive standards than will be implemented by the VTZ RMA, therefore the Phase One development (density, open space, etc.) will be compliant with the overall VTZ Master Plan and be able to be incorporated seamlessly. Future Phases for Lakepark Estates will need to rezone to RSF-2/PUD consistent with the proposed Comprehensive Plan Amendments to allow for development in accordance with the Master Development Order/VTZ Master Plan.

## 2.2 Adjacent Land Uses

The existing land uses on the subject property include Agricultural (office, barns, sheds, etc.) and Single Family Residential. Adjacent existing land uses include the following (See map: **Adjacent Uses**):

**North:** Water and Sewer Utility; Residential; Agriculture

**West:** Agriculture; Residential

**South:** Agriculture; Residential; Manufacturing or Scientific

**East:** Agriculture; Vacant; Residential

## 2.3 Unified Development Code (UDC) Consistency

This section demonstrates that this application, which includes a request for a Comprehensive Plan Text Amendment and a Comprehensive Plan Large-Scale Map Amendment, is consistent with Section 94-84 of the UDC.

### ***a. Identification of all proposed changes to the Comprehensive Plan;***

The Applicant is requesting the following:

- *Comprehensive Plan Text Amendment* to create a new RMA designation, the Village Transition Zone (VTZ)
- *Comprehensive Plan Large-Scale Map Amendment* to change the RMA designation of the subject property from Hamlet and Greenway to VTZ and Greenway as well as move the Countryside Line

See **Section 2.1** above for more details of the proposed changes to the Comprehensive Plan.

### ***b. All data and maps required to meet the submittal requirements for Comprehensive Plan amendments outlined in F.S. § 163.3168;***

All data and maps required to meet the submittal requirements for a Comprehensive Plan Amendment are included in this Formal Application.

### ***c. Justification for the proposed amendment including a statement of consistency with the Comprehensive Plan;***

The purpose of the Applicant's requests is to implement an alternative form of development that supports and incorporates elements of existing Lakewood Ranch, encouraging the extension of that

form of development on the subject property. Please see **Section 2.4** below for the consistency analysis with the Comprehensive Plan.

***d. Disclosure of ownership or other interest in any property proposed for redesignation, including an affidavit of ownership;***

The required Disclosure of Ownership and Owner Affidavit forms are included in this Formal Application.

***e. Summary of the findings of the neighborhood workshop held on the proposed amendment pursuant to subsection (a)3 of this section;***

A Neighborhood Workshop was held on April 7, 2022, to discuss the proposed project with the community. See **Section 4** of this application package for the Neighborhood Workshop materials and findings.

***f. The fee required by Section 94-89; and***

The fee required has been submitted as a part of this Formal Application.

***g. Any additional information deemed necessary by the Planning Department.***

Any additional information deemed necessary by the Planning Department has been included as a part of this Formal Application.

## **2.4 Comprehensive Plan Consistency**

The proposed Comprehensive Plan Large-Scale Map Amendment and Text Amendment both recognize and address the unique location, characteristics, and features of the Lakewood Ranch Southeast property. With the proposed addition of the new VTZ RMA category and its corresponding policy language, it is acknowledged that certain existing policies within *Chapter 8 – 2050 Resource Management Area* are no longer applicable. Therefore, an evaluation of certain applicable goals, objectives, and policies in other sections of the Sarasota County Comprehensive Plan are provided below to demonstrate consistency between existing and proposed language, consistent with Chapter 163 F.S.

The proposed development is consistent with the intent, goals, objectives, policies, guiding principles and programs of the Sarasota County Comprehensive Plan including but not limited to the following:

### ***Chapter 1 – Environment***

#### **ENV Objective 1.2 Protection of Resources: Protect environmental resources during land use changes and establishment of urban services.**

The proposed Comprehensive Plan amendments propose preservation of 50% open space including the general preservation of lands designated as a 2050 Greenway RMA, which have an existing conservation easement, wetlands, and other native habitats. Open Space may be reduced to 43% for reduced greenbelts.

#### **ENV Objective 1.3 Habitat Connectivity: Preserve a network of habitat connectivity across the landscape that ensures adequate representation of native habitats suitable to support the functions and values of all ecological communities.**

The proposed VTZ RMA includes provisions for significant open space within the subject property. Residential development will be clustered and designed in a manner to minimize the disruption of habitat connectivity throughout and adjacent to the site. The location of areas designated for habitat preservation and open space will be guided by the Sarasota County 2050 Greenway RMA map including attention to connectivity between Greenway-designated areas across the subject property's landscape.

## ***Chapter 2 – Parks, Preserves, and Recreation***

**PARKS Objective 1.1 Recreation Level of Service (LOS): Acquire, develop, maintain, protect and enhance parks, preserves and recreation facilities, consistent with the needs and interests of Sarasota County's population and based on financial feasibility to operate and maintain the parks.**

The proposed VTZ Master Plan and information included as a part of the DOCC will showcase how the proposed project will incorporate onsite recreational and preservation areas.

**PARKS Objective 1.2 Compatibility and Sustainability: Ensure that parks, preserves and facilities are compatible with surrounding land uses, the Sarasota 2050 Plan, and the natural environment.**

The proposed amendment will ensure that the subject property will provide 43% to 50% of its gross acreage to Open Space. Uses within the Open Space include, but are not limited to natural habitat, improved pastures, stormwater facilities, water storage facilities, public or private park facilities, and trails. These uses will work to balance the preservation of ecologically sensitive areas, specifically within the Greenway RMA, and recreational/park needs of the community, residents, and surrounding neighbors.

## ***Chapter 7 – Future Land Use***

**FLU Goal 3: Encourage development where public facilities are provided or scheduled to be available.**

The Lakewood Ranch Southeast property will utilize the Lakewood Ranch Stewardship District to construct needed public facilities including roads throughout the site.

Existing public facilities servicing the subject property include but are not limited to: educational facilities (Tatum Ridge Elementary School, McIntosh Middle School, Booker High School; Fruitville library), recreational facilities/parks (Old Miakka Preserve, Celery Fields Regional Stormwater Facility), and emergency facilities (Fire Department – Station 10, Doctors Hospital).

**FLU Goal 4: Promote orderly development through the establishment of innovative regulatory platforms that meet the needs of a growing and changing population.**

The proposed VTZ RMA seeks to provide an appropriate development form and density transition between the existing Village and Hamlet RMA overlay zones. The intent of the VTZ RMA is to establish development parameters that are specific to the subject site only, given the unique characteristics of the site and the needs of the County's growing population. Proposed development is intended to be a balanced and compatible extension of the existing Lakewood Ranch community. The proposed density that is contemplated in the new policy language provides a thoughtful transition from higher density, more urban development of Village, to the more rural density that exists further east. This transition is consistent with limiting urban sprawl and preserving the rural character of the community.

The subject property will also undergo an extensive planning process, known as a DOCC application, in order to ensure orderly and resilient development with an increased focus on collaboration across varied disciplines and the community.

## ***Chapter 9 – Housing***

**HOU Objective 1.1 Housing Creation: Encourage the market to provide ample diversity in housing types and affordability levels to accommodate present and future housing need of Sarasota County residents.**

The proposed VTZ RMA will allow for Lakewood Ranch Southeast to be developed as an extension of the Lakewood Ranch community; thus, the subject property will provide housing types that are complimentary to those that exist in the surrounding area. Additionally, the proposed Comprehensive Plan Amendments offer an option to allow the inclusion of Community Housing to accommodate individuals and families from diverse income levels and offer a variety of housing types.

**HOU Policy 1.1.4: Establish and maintain residential development standards that support housing production while promoting the vitality of established neighborhoods.**

The proposed amendment will allow the subject property to be developed as a compatible and complementary extension of the highly demanded Lakewood Ranch community. Lakewood Ranch Southeast will increase the County's housing production, while also promoting the vitality of established neighborhoods through connected street and trail networks, open space, unified signage, wayfinding, and more.

**HOU Objective 1.2 Community Housing: Community Housing: Increase the supply of housing affordable to households with an income of 120 percent or less of the AMI.**

The proposed Comprehensive Plan Amendments include language for incentivized Community Housing to accommodate individuals and families from diverse income levels and offer a variety of housing types.

**HOU Objective 1.5 Neighborhoods: Conserve and improve housing, neighborhoods and the health of residents throughout Sarasota County.**

Due to current and future population growth, housing in Sarasota County is in high demand. The Lakewood Ranch Southeast property will act as an extension of the successful Lakewood Ranch community and provide a maximum of 5,000 residential units to a highly demanded area; thus, improving the County's housing stock.

## ***Chapter 10 – Transportation***

**TRAN Objective 1.3 Interconnected Transportation System: Sarasota County shall provide for a safe, convenient, energy efficient, interconnected, multi-modal (land, air, water-based) transportation system.**

The proposed project will incorporate connected street and trail networks. In order to support the development of Lakewood Ranch Southeast, future roadway improvements include the construction of Bourneside Boulevard, a roadway traversing the property and connecting University Parkway to Fruitville Road.

**TRAN Policy 1.4.4: Maintain provisions in the Zoning Ordinance to encourage unified developments to provide for bicycle and pedestrian facilities in their plans consistent with guidelines and standards contained in the Land Development Regulations.**

The proposed project will incorporate bicycle and pedestrian facilities, including sidewalks and multi-modal trails.

#### ***Chapter 11 – Economic Development***

**ECON Objective 2.2: Support practices that encourage the attraction and development of a workforce that is younger, inclusive and diverse.**

The proposed VTZ RMA will encourage the Lakewood Ranch Southeast property to develop in a way that positively contributes to the County's housing stock, supporting the current and future local workforce (Waterside, Lakewood Ranch Corporate Park, etc.).

#### ***Chapter 12 – Watershed Management***

**WATER Objective 1.3: Ensure that development and redevelopment provides for adequate stormwater management.**

At the time of development, the property will provide for adequate stormwater management including the incorporation of stormwater ponds.

**WATER Objective 2.5: Ensure that the issuance of development permits shall be conditioned upon adequate sanitary sewer service capacity.**

At the time of development, the property will provide for adequate sanitary sewer service capacity.

**WATER Objective 3.5: Ensure that the issuance of development permits shall be conditioned upon adequate potable water capacity.**

At the time of development, the property will provide for adequate potable water capacity.

## **2.5 Florida Statutes Consistency**

Per F.S. 163.3177, the future land use element and any amendment to the future land use element shall discourage the proliferation of urban sprawl. The primary indicators that a plan amendment does not discourage the proliferation of urban sprawl are listed below. The Applicant has included an evaluation of the presence of these indicators in order to determine whether the plan amendment:

***(I) Promotes, allows, or designates for development substantial areas of the jurisdiction to develop as low-intensity, low-density, or single-use development or uses.***

The proposed development will include primarily residential uses with potentially ancillary support uses such as places of worship, public safety facilities, and other civic uses. The proposed project is being designed in a manner intending to encourage a durable and successful extension of the Lakewood Ranch Community in Sarasota County. By incorporating a new 2050 RMA designation, Village Transition Zone, the subject property will have the opportunity to develop in a denser and more compatible manner, compared to how it may have developed under existing regulations. Additionally, the property's

location, which is adjacent to existing public facilities and commercial corridors, indicates that future residents will be able to access and support the surrounding community.

***(II) Promotes, allows, or designates significant amounts of urban development to occur in rural areas at substantial distances from existing urban areas while not using undeveloped lands that are available and suitable for development.***

Lakewood Ranch Southeast is located near existing commercial corridors and other similar residential developments. Public facilities can also be extended to serve the site efficiently. As the County continues to grow, and housing demands remain high, smart growth in the proposed manner, at a transitional density that is compatible with existing uses and densities adjacent to the subject property, will promote sustainable development in an area that is appropriate for this form of development.

***(III) Promotes, allows, or designates urban development in radial, strip, isolated, or ribbon patterns generally emanating from existing urban developments.***

Adjacent residential developments, such as Waterside to the west and Lakewood Ranch to the north, include several of the attributes proposed for this project; thus, the subject property is intending to act as an appropriate addition to the housing market in the area, without following an isolating or sprawling development pattern. This is an extension and transition from west to east and north to south.

***(IV) Fails to adequately protect and conserve natural resources, such as wetlands, floodplains, native vegetation, environmentally sensitive areas, natural groundwater aquifer recharge areas, lakes, rivers, shorelines, beaches, bays, estuarine systems, and other significant natural systems.***

The proposed project will be developed in a manner that protects and conserves the natural resources present on the land. The proposed amendments include specific provisions outlining the subject property's commitment to preservation of 43% to 50% open space. Open space will include land designated as a 2050 Greenway RMA, greenbelts, wetlands, native habitats, and other significant natural systems. Additionally, comprehensive environmental analysis and compliance with all relevant County regulations will ensure the subject property develops in a manner that supports environmental sustainability.

***(V) Fails to adequately protect adjacent agricultural areas and activities, including silviculture, active agricultural and silvicultural activities, passive agricultural activities, and dormant, unique, and prime farmlands and soils.***

The proposed development plans include a variety of mechanisms seeking to ensure compatibility with all surrounding areas, including existing agricultural spaces. Greenbelts, the permanent buffer surrounding the proposed development, will ensure the appropriate separation between adjacent agricultural and residential properties. Moreover, proposed site design and development will align with relevant County regulations to protect agricultural areas.

***(VI) Fails to maximize use of existing public facilities and services.***

The proposed development is intended to maximize the use of existing public facilities and services.

***(VII) Fails to maximize use of future public facilities and services.***

The proposed development is intended to maximize the use of future public facilities and services. Public facilities and service needs will be evaluated further with the DOCC and Master Development Order/VTZ Master Plan.

***(VIII) Allows for land use patterns or timing which disproportionately increase the cost in time, money, and energy of providing and maintaining facilities and services, including roads, potable water, sanitary sewer, stormwater management, law enforcement, education, health care, fire and emergency response, and general government.***

The proposed development will be utilizing the Lakewood Ranch Stewardship District to facilitate major infrastructure and utility improvements for the project. This will ensure that infrastructure needs will be addressed in an efficient and cost-effective manner.

***(IX) Fails to provide a clear separation between rural and urban uses.***

The proposed project will be developed in a manner that provides a clear separation between rural and urban uses. As an extension of the existing Lakewood Ranch Community, this subject property will be developed with a land use pattern that is complementary to adjacent areas contributing to the success of the overall community. Adjacent, rural lands will be clearly separated from the development with greenbelts and existing native habitats.

***(X) Discourages or inhibits infill development or the redevelopment of existing neighborhoods and communities.***

The Lakewood Ranch Southeast property is being developed due to strong market demands for homes in the County. The proposed development will contribute up to 5,000 dwelling units to the County, filling a vital housing need. The location of the development is a logical extension of the existing Lakewood Ranch community.

***(XI) Fails to encourage a functional mix of uses.***

The proposed project will include a variety of residential unit types as well as potentially ancillary support uses such as places of worship, public safety facilities, and other civic uses. Other uses, such as commercial, are not included due to the close proximity of existing services in the surrounding areas. By developing the subject property in such a manner, existing commercial corridors and public facilities will continue to be supported and remain successful.

***(XII) Results in poor accessibility among linked or related land uses.***

The project proposes an interconnected form of development through its attention to regional throughfares and internal, multi-modal transportation networks. Lakewood Ranch Southeast proposes the connection of University Parkway on the north boundary to Fruitville Road on the southern boundary, via Bourneside Boulevard. This future roadway will increase north-south transportation accessibility and encourage connection between the project and existing development.

***(XIII) Results in the loss of significant amounts of functional open space.***

The VTZ RMA proposes significant open space that will provide for up to 50% open space, but no less than 43% open space, should Greenbelts be reduced at time of development. This significant provision of open space minimizes any significant loss of functional open space in the area.

The proposed amendment discourages the proliferation of urban sprawl and incorporates a development pattern that achieves four or more of the additional criteria listed within F.S. 163.3177 including:

- (I) Directs or locates economic growth and associated land development to geographic areas of the community in a manner that does not have an adverse impact on and protects natural resources and ecosystems.
- (II) Promotes the efficient and cost-effective provision or extension of public infrastructure and services.
- (VI) Preserves open space and natural lands and provides for public open space and recreation needs.
- (VII) Creates a balance of land uses based upon demands of the residential population for the nonresidential needs of an area.

## 2.6 Summary

In summary, the proposed Comprehensive Plan Amendments will allow for the Lakewood Ranch Southeast property to support the County's growing population in a development form that is a compatible extension of the existing Lakewood Ranch community.

**SECTION 3:**  
**PROPOSED TEXT & MAP**  
**AMENDMENTS**

## 3.1 Comprehensive Plan Text Amendment

- FLU POLICY 1.1.2    The Future Land Use Map Series shall consist of the following maps and figures which may be consolidated or reformatted by resolution of the Board to promote clarity and ease of use by the public\*:
- “Map 7-3: Future Land Use Map, Sarasota County”
  - “Map 7-1: Land Cover and Native Habitat Map, Sarasota County, 2008”
  - “Map 1-2: General Soil Associations and Mineral Resources in Sarasota County”
  - “Map 1-9: Ecological Strategy Map”
  - “Map 1-10: Sites of High Ecological Value, 1995”
  - “Map 12-2: Areas of Special Flood Hazard”
  - “Map 12-9: Wellfields and Community Potable Water Systems Greater than 100,000 Gallons per Day”
  - “Map 10-8: Year 2040 Future Thoroughfare Plan (Functional Classification)”
  - “Map 10-9: Year 2040 Future Thoroughfare Plan (By Lanes)”
  - “Map 6-1: Coastal High Hazard Area”
  - “Map 7-4: Affordable Housing Overlay”
  - “Map 7-5: City of Venice Joint Planning Area”
  - “Map 7-6: Special Planning Area No. 1”
  - “Map 7-7: Special Planning Area 2 – Medical Boulevard Development”
  - “Map 7-8: Special Planning Area 3 – Fruitville Interchange East Compact Urban Economic Development”
  - “Map 8-1 RMA-1: Resource Management Areas,” from Sarasota 2050 Plan”
  - “Map 8-3 RMA-3: Village/Open Space RMA Land Use Map” from Sarasota 2050 Plan”
  - “Map 8-4 RMA-4: Settlement Area Land Use Map from Sarasota 2050 Plan”
  - “Map 8-5 RMA-5: Village Transition Zone Land Use Map” from Sarasota 2050 Plan”

\*The County Administrator or designee may publish and distribute copies of the Future Land Use Map Series that reflect changes to physical features and political boundaries, but such administrative updates shall not constitute amendments to the Plan.

## PURPOSE AND INTENT OF THE SARASOTA 2050 RESOURCE MANAGEMENT AREA CHAPTER

Adopted on July 10, 2002, Sarasota 2050 creates a set of policies overlaid on top of the Comprehensive Plan's Future Land Use Map of Sarasota County. It establishes an optional policy framework to enhance the livability of the County by preserving its natural, cultural, physical, and other resources with an incentive-based system for managing growth. This policy framework is the Resource Management Area (RMA) system that encourages a compact development form; simultaneously implementing a number of public benefits, allowing for continued growth and economic development that preserves environmentally sensitive lands and open space in a fiscally neutral manner for the County.

Sarasota 2050 RMA Policy primarily limits development to 43 forms; a Settlement Area, Village, Village Transition Zone, or Hamlet. Each form of development is limited to those land areas designated on the RMA- 1 and RMA-3 maps that are a part of Sarasota County's Comprehensive Plan. The Settlement Area and Village urban forms are essentially the same except for their respective geographical locations. Settlement Areas are limited to those lands between the existing USB and the Future USB lines on the FLUM. Villages are limited to those lands between the existing USB and the 'countryside line' depicted on RMA-3. Village Transition Zone ("VTZ") is intended to provide a transition from Village to Hamlet and is limited to the 4,120± acre VTZ boundary depicted on Map 8 – 5 RMA – 5: VTZ Land Use Map. Hamlets are a transitional form of development intended to blend toward the more rural eastern area of the county.

The Sarasota County Resource Management Area (RMA) Goal, Objectives and Policies are designed as a supplement to the Future Land Use Chapter of The Sarasota County Comprehensive Plan. The RMAs function as an overlay to the adopted Future Land Use Map and do not affect any existing rights of property owners to develop their property as permitted under the Comprehensive Plan, the Zoning Regulations or the Land Development Regulations of Sarasota County or previously approved development orders; provided, however, that Policy TDR2.2 shall apply to land located within the Rural/Heritage Estate, Village/Open Space, Greenway and Agricultural Reserve RMAs where an increase in residential density is sought.

RMA GOAL 1

Establish a development policy framework that enhances the livability of the County and preserves its natural, cultural, physical and other resources, by creating a Resource Management Area (RMA) system that addresses development issues within ~~six~~seven unique resource areas:

- Urban/Suburban
- Economic Development
- Rural Heritage/Estate
- Village/Open Space
- Greenway
- Agricultural Reserve
- Village Transition Zone

This framework was created to implement the Organizing Concepts and Principles of Directions for the Future, Resolution 2000-230, adopted October 10, 2000.

## VILLAGE TRANSITION ZONE RMA

The Village Transition Zone (“VTZ”) RMA, as depicted in Map 8 – 5 RMA – 5: VTZ Land Use Map, provides a density transition between Villages and Hamlets as the same are described in the Village/Open Space RMA. The VTZ is further intended to incorporate the development form and principles of the existing community of Lakewood Ranch of which the VTZ will form a part. This VTZ is intended to serve as a stand-alone RMA and not to be governed by the Objectives, Goals and Policies of the Village/Open Space RMA and the related Village Planned Development (VPD) standards. Rather, development is to be regulated as per this VTZ RMA, the RSF-2/PUD standards, and the Unified Development Code (UDC) standards as they are more appropriate for the suburban development form exemplified by Lakewood Ranch.

The purpose of this VTZ RMA is specifically intended to support the expansion and extension of an existing community, not the creation of a separate new community or development. Utilization of the VTZ RMA should be limited to specific lands that meet the following criteria:

- The VTZ RMA is intended for use only to support the extension of an existing community, as opposed to the creation of a new and separate community which happens to be adjacent to a planned or existing Village. Other RMA’s should be utilized to create a new community as opposed to extend an existing community.
- The VTZ RMA is only to be used in instances where it can be demonstrated that a Master Developer will commit to long-range planning and oversight of the project through implementation and buildout.
- Finally, the VTZ RMA is only intended for use where there is an existing financing mechanism in the form of a stewardship district or community development district capable of making a financial commitment sufficient to construct and maintain the infrastructure necessary to support the development in question. All of the land proposed to be within the VTZ boundary must be within the boundary of such a district.

Therefore, the land within the VTZ is a portion of Lakewood Ranch, and not a standalone project. Thus, planning and permitting within the VTZ must be considered in the context of Lakewood Ranch in its entirety with respect to such issues as neighborhood design, housing mix, transportation, neighborhood centers, support uses, lifestyle offerings, recreation, open space and infrastructure ownership installation and capacity.

Development will require significant initial capital investment. To facilitate master infrastructure construction up front, rather than through a phased approach, entitlement of the overall project will enable the Developer to commit to repayment of initial capital investments.

Other sections presented in Chapter 8, shall not be applied to the VTZ unless explicitly referenced in the following Objectives and policies.

VTZ OBJ 1

**Create a VTZ intended to provide an appropriate development form and density transition from Village to Hamlet or Rural, for only those lands designated as VTZ on Map 8-5 RMA – 5: VTZ Land Use Map which form a portion of the larger Master Planned Community of Lakewood Ranch.**

VTZ POLICY 1.1

**Intent**

The VTZ is intended to:

- provide an appropriate development form and density transition from Village to Hamlet or Rural, for only the 4,120± acre property generally located north of Fruitville Road, south of the Manatee/Sarasota County line, and east of Heritage Ranch Conservation Area [The eastern boundary of the VTZ shall be the revised Countryside Line as shown on Map 8-5 RMA – 5: VTZ Land Use Map]. The VTZ shall only be applied on this property and shall not be applied elsewhere;
- incorporate the development form and principles of Lakewood Ranch of which the VTZ will form a part. The VTZ is a portion of Lakewood Ranch, and not a standalone project. Thus, planning and permitting within the VTZ must be considered in the context of Lakewood Ranch in its entirety with respect to such issues as neighborhood design, housing mix, transportation, neighborhood centers, support uses, lifestyle offerings, recreation, open space and infrastructure;
- provide an efficient permitting process which gives an orderly progression from Master Development Order (MDO), to Rezoning, to Site Development Plan; and
- facilitate the advancement of community infrastructure through developer investment utilizing mechanisms such as a Stewardship District or Community Development District.

VTZ OBJ 2

**Implement Smart Growth principles through the continuation of thoughtful development, maintaining the overall context of existing Lakewood Ranch, by establishing an alternative to the development forms of the Village/Open Space RMA, and creating a VTZ that provides a reduction in density and intensity, from west to east, while encouraging the continuation of Lakewood Ranch, rather than development of a standalone project.**

VTZ POLICY 2.1

**Permitted Land Uses**

Permitted Land Uses within the VTZ may include:

- residential uses permitted in the RSF-2/PUD Zoning District;
- internal civic as well as other nonresidential uses, as permitted in the RSF-2/PUD Zoning District;
- public facilities such as schools, public safety facilities, all parks, and other government buildings;
- telecommunication facilities as provided for in Chapter 118 of the Sarasota Code of Ordinances;
- non-residential uses are permitted, but not required within the VTZ as such uses have already been provided in other areas of Lakewood Ranch; and
- other permitted uses shall include all uses allowed in the RSF-2/PUD Zoning

District together with the UDC zoning standards applicable thereto.

VTZ POLICY 2.2

**Base and Maximum Density**

Maximum Base Density shall be 1 dwelling unit per gross acre, including such portion of the Greenway RMA located within the VTZ RMA (“Base VTZ Density”).

Density may be increased by way of VTZ policies 2.3, 2.4 and 2.5 below.

The maximum density in the VTZ, which shall be in the Developed Area, shall be 5,000 dwelling units. (“Maximum VTZ Density”).

VTZ POLICY 2.3

**Incentivized Community Housing**

As an incentive to the development of Community Housing units, for any Community Housing units provided in the VTZ, additional market rate units (“VTZ Incentive Units”) shall be permitted per the ratios outlined below (the Community Housing units and the VTZ Incentive Units shall be in addition to Base VTZ Density calculation, subject to the Maximum VTZ Density):

- 2.0 incentive dwelling units for every housing unit provided for a family at or below the 80 percent Adjusted Median Income (AMI).
- 1.5 incentive dwelling unit for every housing unit provided for a family at or below the 100 percent AMI.
- 1.0 incentive dwelling unit for every housing unit provided for a family at or below the 120 percent AMI.

If any or all of the foregoing incentives are proposed to be used in any development increment within the VTZ, a Community Housing Plan, consistent with the methodologies and mitigation measures used in the Agreement for Waterside Affordable Housing Plan, may be approved by the Board of County Commissioners (BOCC) either with the MDO or any subsequent zoning approvals.

VTZ POLICY 2.4

**Participation in Transfer of Development Rights (TDR) Program**

Density, in addition to density available by right or by way of incentivized Community Housing may, at the election of the developer, be obtained through offsite transfer or purchase of TDR credits, as described in the policies under TDR obj 1 contained elsewhere in this Chapter 8.

VTZ POLICY 2.5

**Excess Dwelling Units**

In order to promote Community Housing and integration of a variety of housing options, upon development, should development incentives (i.e. Incentivized Community Housing) yield more units than development can support, any undeveloped units (up to, and in excess of the Maximum VTZ Density) may be sold or otherwise transferred from the VTZ by the Master Developer pursuant to TDR obj 1 contained elsewhere in this Chapter 8.

### VTZ OBJ 3

#### **Open Space**

Open Space is recognized as one of the key foundations of Community development in this VTZ RMA. Open Space outside Developed Areas is required to support the environmental goals of this VTZ RMA by preserving environmental features, connections, and functions on site and off site. Lands designated as Greenway RMA shall be included in the VTZ's Open Space calculation. Internal recreation amenities that contain ecological benefit (i.e. trails or habitat restoration with educational or interpretive signage), are minimally improved, and are connected to adjacent Greenway RMA or Open Space, as approved in the MDO, may be calculated as Open Space for the overall project. Unlike the Village/Open Space RMA, uses of Open Space outside the Developed Area are encouraged to be integrated with public Recreational Uses such as parks and trails to form a seamless community based recreational system with connectivity to areas outside the VTZ.

### VTZ POLICY 3.1

#### **Required Open Space and Uses Allowable within Open Space**

A minimum of 50% of the gross acreage within the VTZ is required to be designated as Open Space unless reduced Greenbelt areas are approved by BOCC as set forth under Greenbelt Modifications below, in which event Open Space shall be no less than 43% of Gross Acreage.

Allowable use of Open Space shall include natural habitat, improved pastures and associated uses, low intensity agriculture, regional or local stormwater facilities, potable or non-potable water storage facilities and lakes, public or private park facilities, trails, board walks, telecommunications towers and facilities (subject to the terms and requirements of Chapter 118 of the Code of Ordinances), public facilities such as public safety stations and community centers, and mitigation for wetlands and wildlife, including but not limited to wetland mitigation banks and gopher tortoise mitigation areas.

Lands designated as Greenway RMA shall count towards the Open Space requirement for properties within the VTZ, [yet allowable uses within the Greenway RMA itself as it is currently mapped shall be in compliance with GS Policy 2.5 contained elsewhere in this Chapter 8.](#)

### VTZ POLICY 3.2

#### **Alternate Greenbelt**

Greenbelts shown conceptually in the VTZ Master Plan may be modified by the BOCC under a development plan approved with a MDO as follows. Such modifications will allow for better maintenance and preservations of the lands, including but not limited to maintenance and removal of exotic vegetation and compatibility of maintenance practices with nearby residential uses.

- The 500-foot Greenbelt along Fruitville Road may be modified to not less than 50 feet.
- The 500-foot Greenbelt along the eastern boundary of the property may be modified to not less than 50 feet.
- No Greenbelt is required on the northern boundary of the VTZ or on the western boundary of the VTZ that is adjacent to the Heritage Ranch Conservation Area.

- The 500-foot Greenbelt located adjacent to The Ranches at Bern Creek shall not be eligible for modification or reduction.

Lakes and stormwater facilities may be included within the Greenbelt as shown on the VTZ Master Plan; in association with landscape planting and opacity.

Additionally, any reduced Greenbelt configuration shall:

- protect the Greenway systems, including wildlife corridors; and,
- avoid adverse impacts to adjacent publicly owned environmentally sensitive lands.

#### VTZ POLICY 3.3

##### **Alternate Greenway Resource Management Area Designation**

Lands designated as Greenway RMA that fall within the boundaries of the VTZ may provide Alternate Greenway buffer configurations, which include reconfigured buffers and ecologically enhanced Greenway buffers, consistent with Article 14 Section 124-271(i)(2)(g) of the UDC as amended. In the event the alternative Greenway buffer within the VTZ is proposed to be reduced to less than 300 feet in width, the applicant shall mitigate within the on-site Greenway or other Open Space for the additional reduction to provide equivalent or greater net ecological benefit.

#### VTZ Obj 4

**Provide a development review process that facilitates the efficient review and approval of projects within the VTZ.**

#### VTZ POLICY 4.1

##### **Applicable Zoning Code, Design Standards & Land Development Regulations**

The authorized development form within the VTZ is the primarily suburban development form of existing Lakewood Ranch. Thus, the implementing Zone District shall be RSF-2/PUD (not VPD). Any community or street network design mandates of the Village/Open Space RMA together with the complementary VPD standards do not apply in any manner to the VTZ. Rather, the UDC standards shall apply to all aspects of development within the VTZ. By way of example only, the following shall be permitted within the VTZ, private roads, gates, and cul-de-sacs. Implementation of other development standards, such as Greenbelts and Greenways shall be consistent with the VTZ standards set forth above.

Ownership of Irrigation Utility: Lakewood Ranch is served by Braden River Utilities with respect to reclaimed water. Any reclaimed water or irrigation facilities and associated infrastructure within the VTZ may be owned and operated by Braden River Utilities and/or the Lakewood Ranch Stewardship District.

#### VTZ POLICY 4.2

##### **Development Review Process**

At the option of the Developer, the County may process either one or multiple rezone application(s) that involves one or multiple owners as one project. The MDO application and RSF-2/PUD rezoning for one or more development increments may be processed concurrently.

The overall development within the VTZ shall undergo review as a Development of Critical Concern ("DOCC") resulting in an MDO and VTZ Master Plan. No Neighborhood Plan shall be required with respect to any development within the VTZ.

The unit threshold for the development may exceed the current unit threshold for a DOCC set forth in the DOCC implementing ordinance. The MDO shall specify the information which must be submitted with a rezoning application which may include all or any portion of development within the VTZ. In no case shall the VTZ consist of more than 5,000 dwelling units.

Once the MDO is approved, the uses and densities and intensities of use approved by the MDO are not subject to unit or density reduction, intensity reduction, or other changes to the land relating to the County Comprehensive Plan or UDC standards, unless the County can demonstrate that substantial changes in the conditions underlying the approval of the MDO have occurred.

Once an MDO is approved, each portion of the development within the VTZ shall be rezoned pursuant to the terms of the MDO and Article 6 of the UDC (including all submittal standards), provided such application for rezone is consistent with the VTZ policies in Chapter 8. Rezoning to RSF-2/PUD shall be permitted in the VTZ, notwithstanding any provision to the contrary in the UDC.

Given the requirement of significant initial investment in off-site Sanitary Sewer, Potable Water, Reclaimed Water, and a 4 Lane Section of Bourneside Boulevard (North South Road B) to be financed and completed with the initial Lakewood Ranch Stewardship Bond Issue, and the concurrent assessment of the subject property to Benefit Special Assessments, the phasing (by either geography or by dwelling unit count) of development within the VTZ shall not be required in any respect.

#### VTZ POLICY 4.3

##### **Submittal Requirements**

The VTZ Master Plan approved with the MDO shall include at a minimum the following information:

- site analysis of natural features consistent with the natural system classification in The Sarasota County Comprehensive Plan;
- location of Greenway RMA Open Space, and Recreational Space to be preserved;
- land use mix;
- density and intensity of land uses proposed;
- circulation routes for auto, transit (where applicable), pedestrian and bicycle

- modes;
- infrastructure analysis on-site and off-site (e.g., water supply, sewer, stormwater pre-development conditions and drainage intent, transportation, and schools); and
- location of proposed Sending and/or Receiving Zones for Density Incentives Program, if implemented by Developer, to increase residential density beyond the Base VTZ Density.

#### VTZ POLICY 4.4

##### **Fiscal Neutrality**

Development within the VTZ shall provide adequate infrastructure that meets or exceeds the levels of service standards adopted by the County and be Fiscally Neutral to Sarasota County Government, the School Board, and residents outside that development. The intent of Fiscal Neutrality is that the costs of additional local government services and infrastructure that are built or provided for the VTZ shall be funded by properties within the VTZ.

A Fiscal Neutrality Analysis, completed for lands within the VTZ, shall be demonstrated and deemed complete with the approval of the MDO. The MDO shall require that Fiscal Neutrality be determined for the entirety of the VTZ. In addition, the MDO may allow for incentives to provide affordable housing. For off-site impacts, the MDO will address the costs of infrastructure needed for the development. This shall include, but not be limited to, both localized and Countywide impacts on County, City, State, and Federal transportation facilities (such as roads, intersections, sidewalks, lighting, medians, etc.). Such transportation related components shall be analyzed as a separate item from the remaining items of: public transit, schools, water supply and delivery, sewage transmission and treatment, solid waste, storm and surface water management, law enforcement, fire and emergency management, justice, general government, libraries, parks and recreation, and public hospitals. Fiscal Neutrality for funds that are not fungible (i.e., generally enterprise funds) shall be measured separately. Nothing within this Policy is intended to establish a school concurrency system.

The BOCC shall require that these procedures for measuring Fiscal Neutrality and the Fiscal Neutrality plans be submitted as part of the application for the MDO and reviewed for compliance by County staff. Fiscal Neutrality procedures and calculations for school demands shall be submitted to the School Board for review prior to review by the BOCC. All calculations of costs shall be based on current cost data.

The Fiscal Neutrality provisions applicable to the VTZ are expressly determined to be overarching to achieving the public benefits of the Sarasota 2050 RMA-1 Comprehensive Plan Amendments.

**Definitions for VTZ:**

**Developed Area:** For the VTZ RMA, that land area exclusive of Open Space identified and depicted on a VTZ Master Plan, as approved by the MDO.

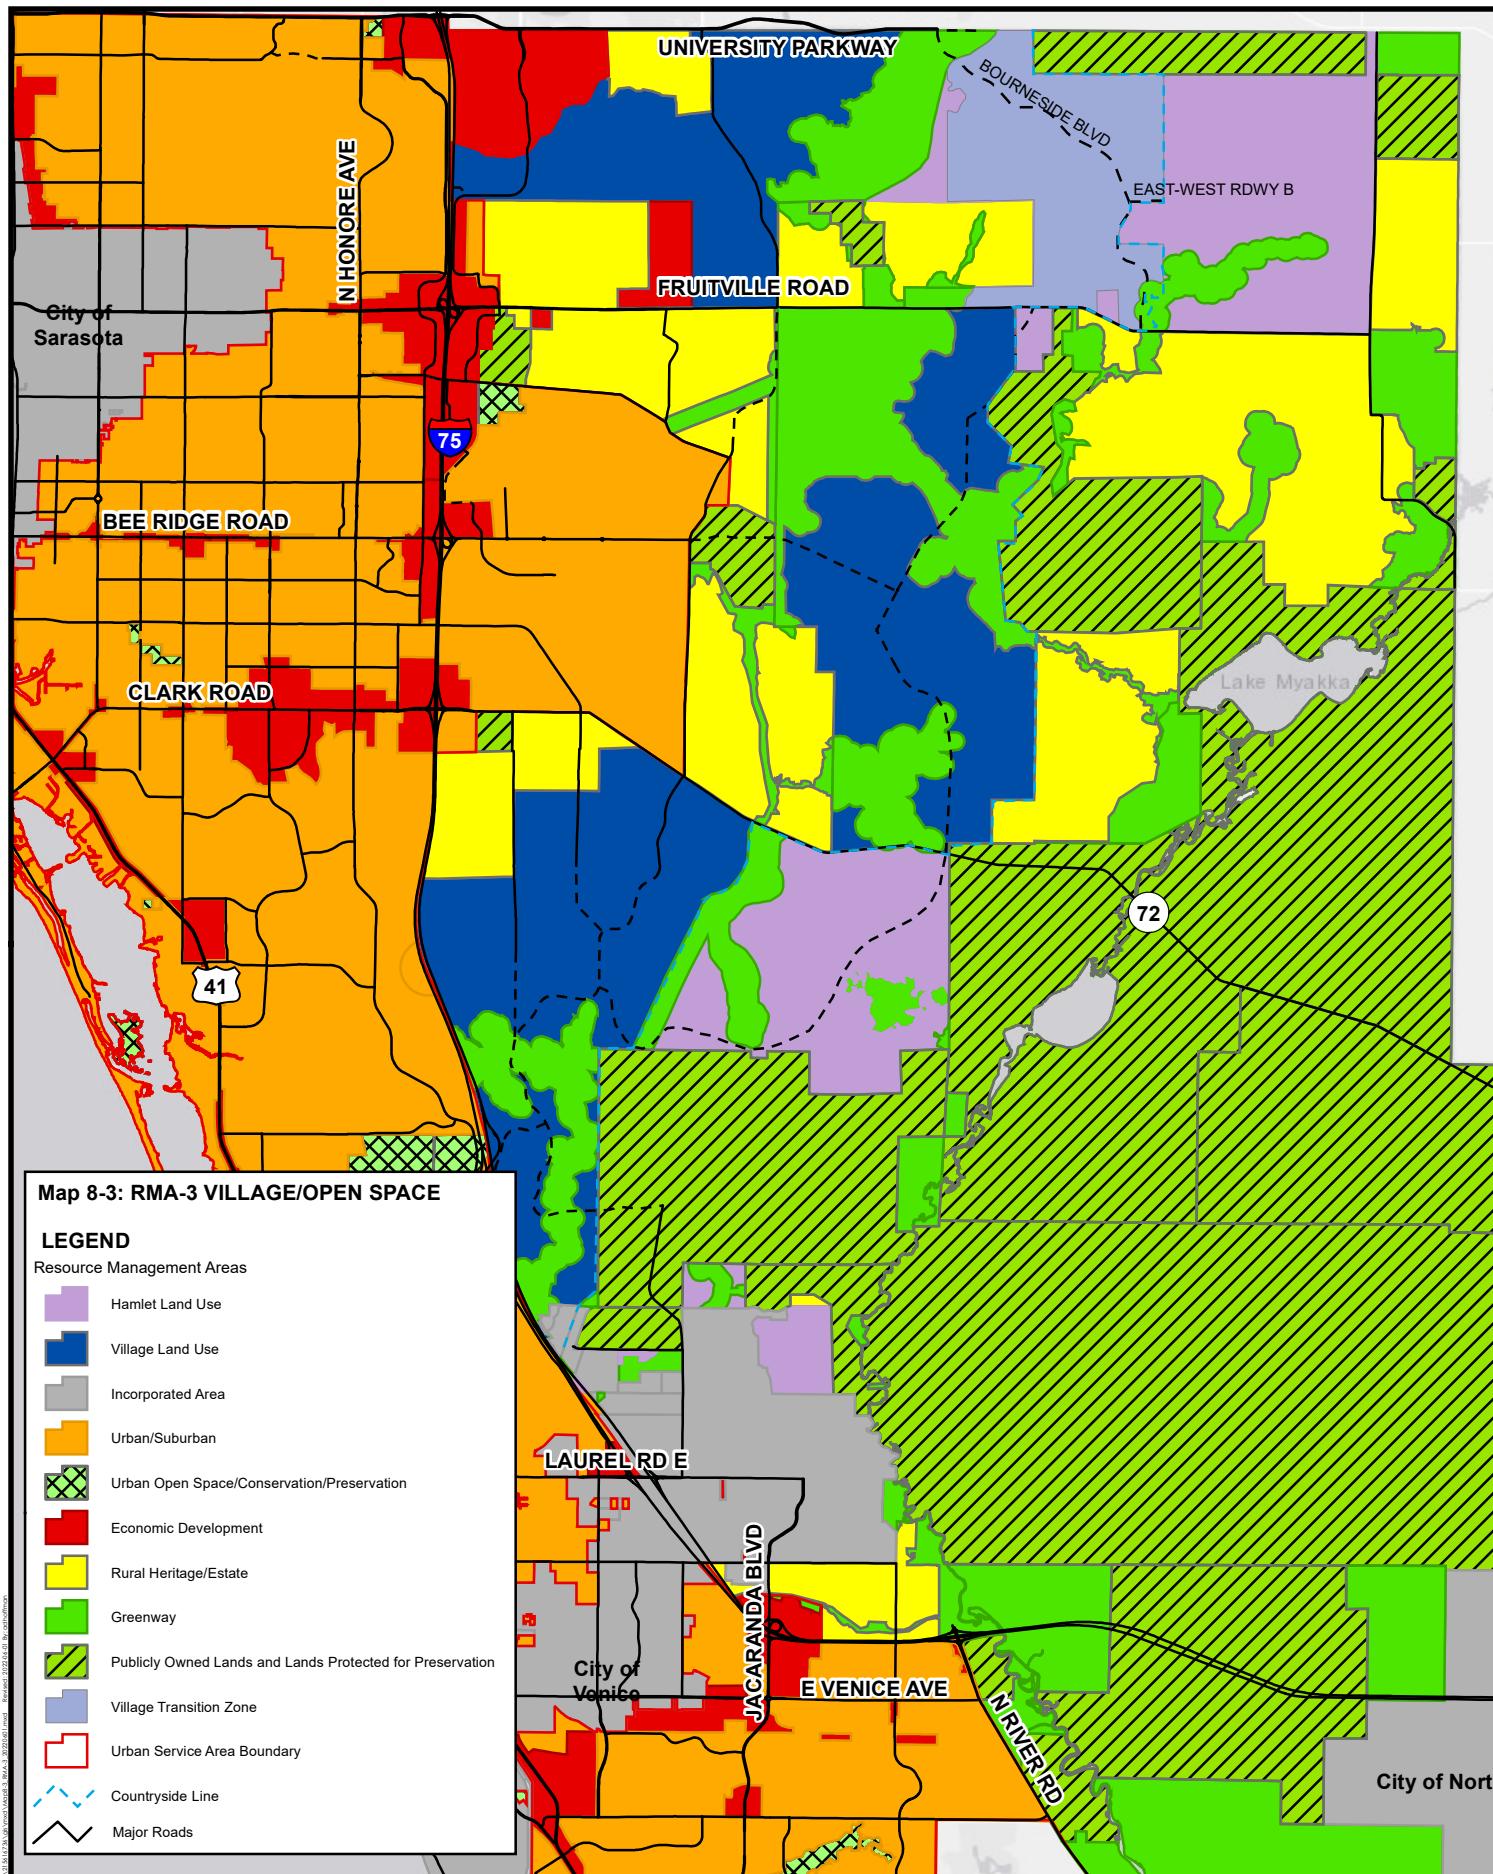

**Greenbelt:** A permanent Buffer surrounding the Developed Area of the Village Transition Zone.

**Open Space (VTZ):** For the, VTZ, that land area exclusive of Developed Area identified and depicted on a VTZ Master Plan, as approved by the MDO. Open Space shall be property under public or private ownership which is unoccupied or predominately unoccupied by buildings or other impervious surfaces and which is identified as Greenway, Greenbelt, and other open space. **Open Space** can be used for parks, recreation, agriculture, conservation, preservation of native habitat and other natural resources, surface/irrigation water impoundment, historic, or scenic purposes. **Allowable uses within the Greenway RMA itself as it is currently mapped shall be in compliance with GS Policy 2.5.**

### PUBLIC NOTICE

A virtual workshop will be held to discuss the following application associated with a 3,900± acre property located south of University Parkway and north of Fruitville Road: (1) An Application for a Comprehensive Plan Amendment to modify the Resource Management Area (RMA) Map from Hamlet to Village, relocate the Countryside Line, and propose new policy language that will outline development of the subject property in a manner that will offer a more meaningful transition to Hamlet development, to the east. (2) An Application for a Development of Critical Concern (DOCC) and Master Development Plan for Lakewood Ranch Southeast.

The workshop will be held virtually Thursday, April 7, 2022, beginning at 6 pm via Microsoft Teams. To watch and participate in the virtual workshop, please visit: <https://bit.ly/3D333ja>. You can also listen in by phone by dialing (833) 436-6264, Conference ID: 541 697 069#. This is not a public hearing. The purpose of the workshop is to inform neighboring residents of the nature of the proposal, to discuss the concept plan and to seek comments. We look forward to seeing you there, virtually. If you have questions, please contact Katie LaBarr at 941-907-6900. For more information, please also feel free to visit <https://bit.ly/3D333ja>

## NEIGHBORHOOD WORKSHOP NOTICE

**Date:** Thursday, April 7, 2022  
**Time:** 6:00 pm  
**Place:** Virtual via Microsoft Teams – Link - <https://bit.ly/3D333ja>  
**Contact:** Katie LaBarr, AICP, Stantec, 941-907-6900

A virtual workshop will be held to discuss an Application for a Comprehensive Plan Amendment to modify the Resource Management Area (RMA) Map and associated policy and an Application for a Development of Critical Concern (DOCC), to support the Lakewood Ranch Southeast property, totaling approximately 3,900± gross acres, located south of University Parkway and north of Fruitville Road in Sarasota County, Florida.

Applications to be filed for this project include:

- An Application for a Comprehensive Plan Amendment to modify the Resource Management Area (RMA) Map from Hamlet to Village, relocate the Countryside Line, and propose new policy language that will outline development of the subject property in a manner that will offer a more meaningful transition to Hamlet development, to the east.
- An amendment to Element 4, Chapter 10, Maps 10-8 and 10-9, and other maps and/or sections of Chapter 10, as applicable, to ensure internal consistency, to adjust North-South Roadway B and East-West Roadway B, to ensure consistency between proposed development and the Thoroughfare Plan.
- An application for a Development of Critical Concern (DOCC) with a Master Development Plan.

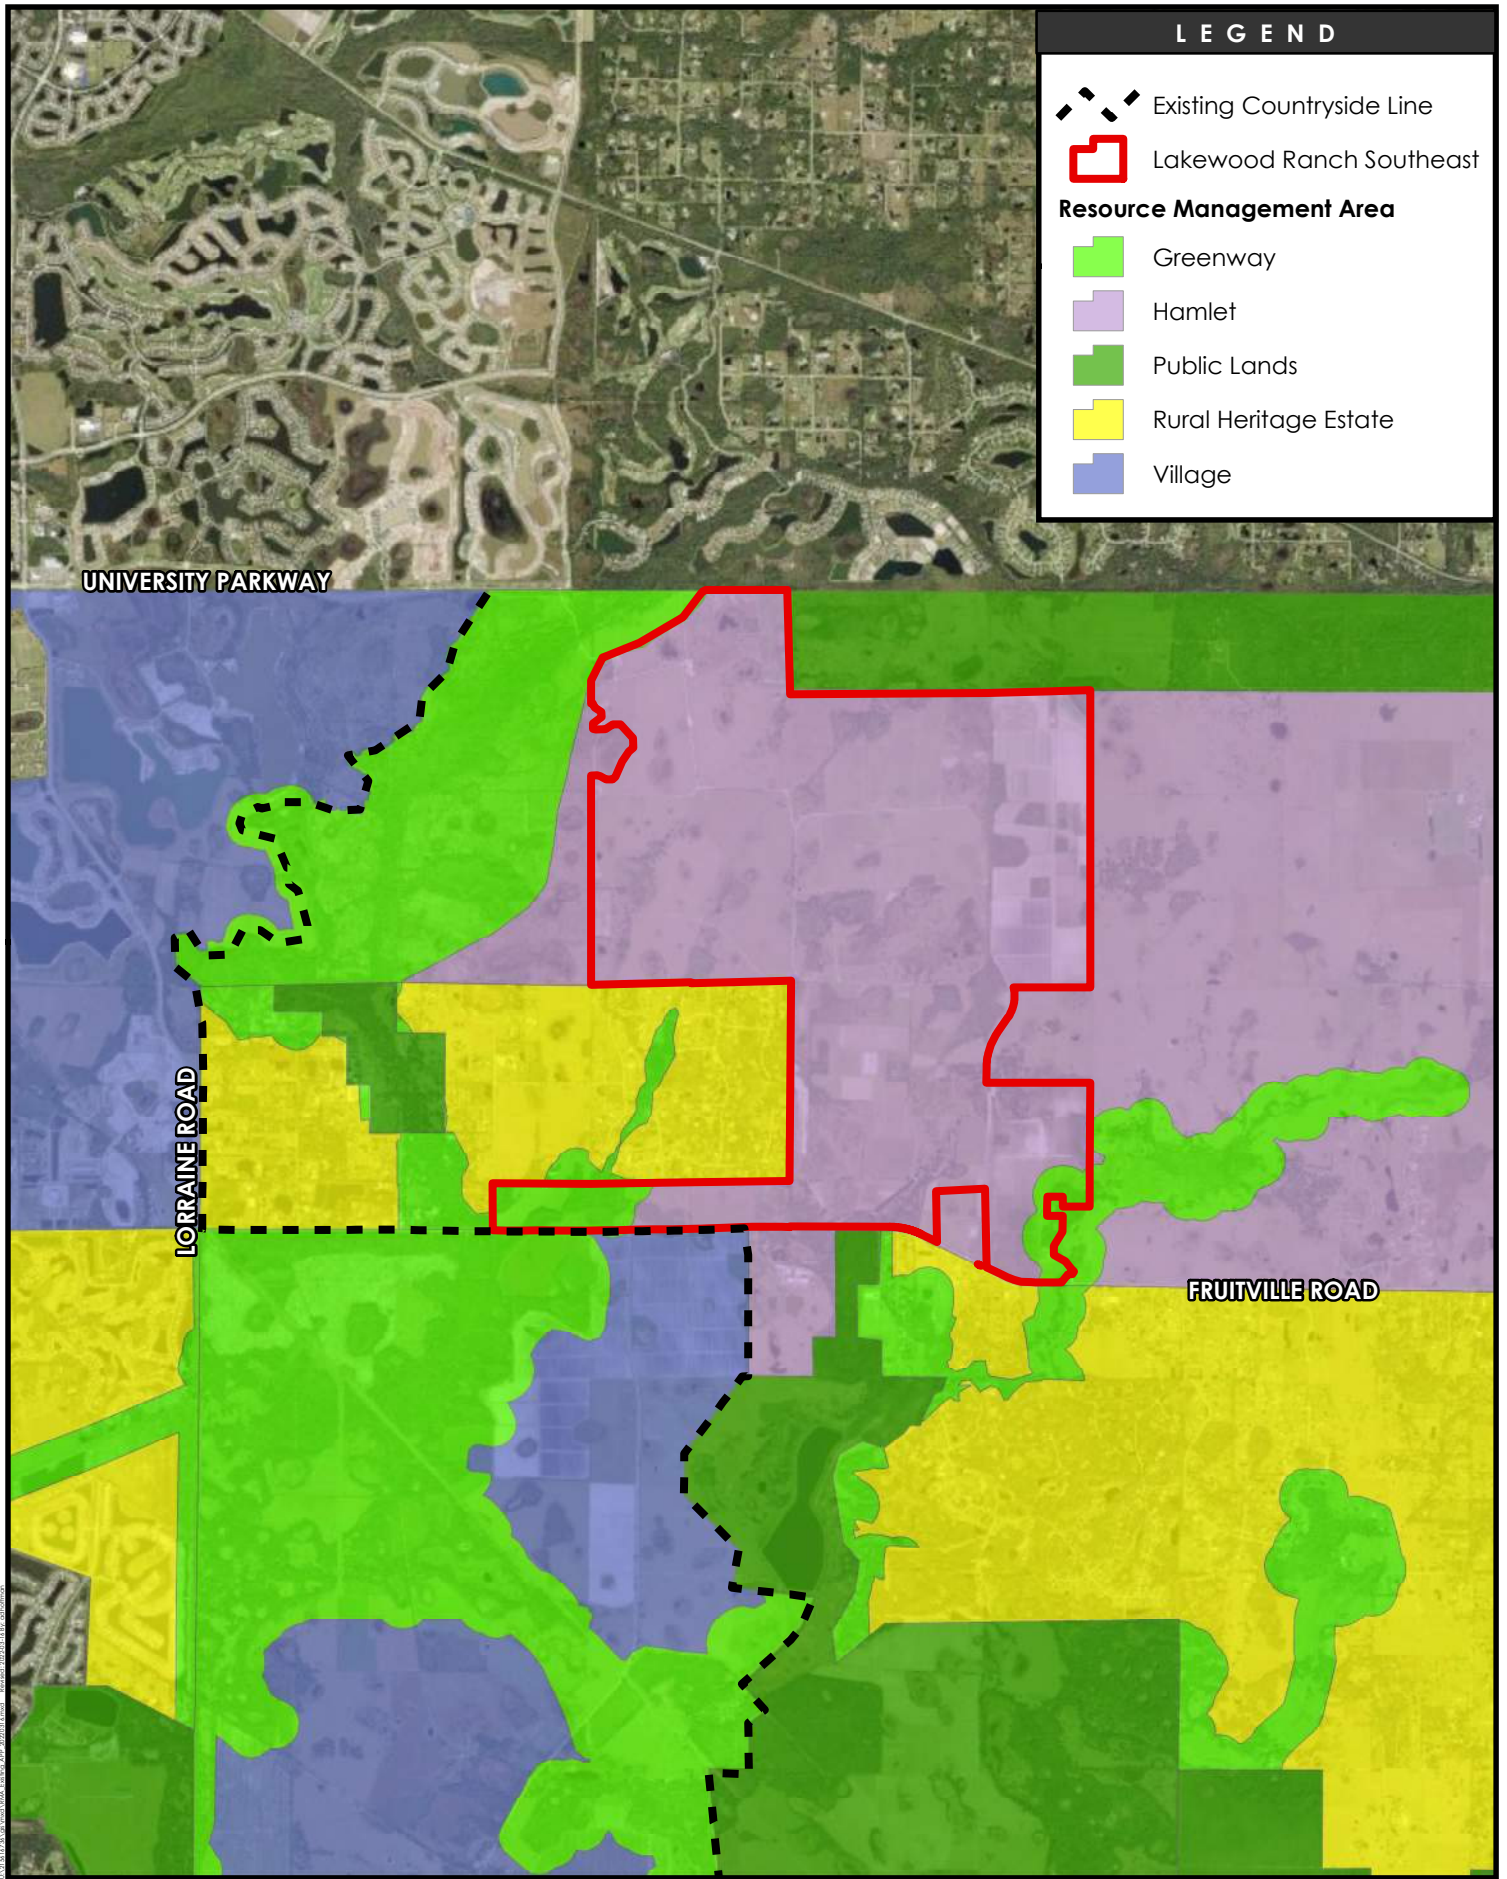

To watch and participate in the virtual workshop at 6:00 pm on April 7, 2022, please visit: <https://bit.ly/3D333ja>. You can also listen in by phone by dialing (833)-436-6264, Conference ID: 541 697 069#.

This is not a public hearing. The purpose of the workshop is to inform neighboring residents of the nature of the proposal, to discuss the concept plan, and to seek comments. We look forward to seeing you there, virtually. If you have questions, please contact Katie LaBarr, at 941-907-6900 or by email: [Katie.LaBarr@stantec.com](mailto:Katie.LaBarr@stantec.com).

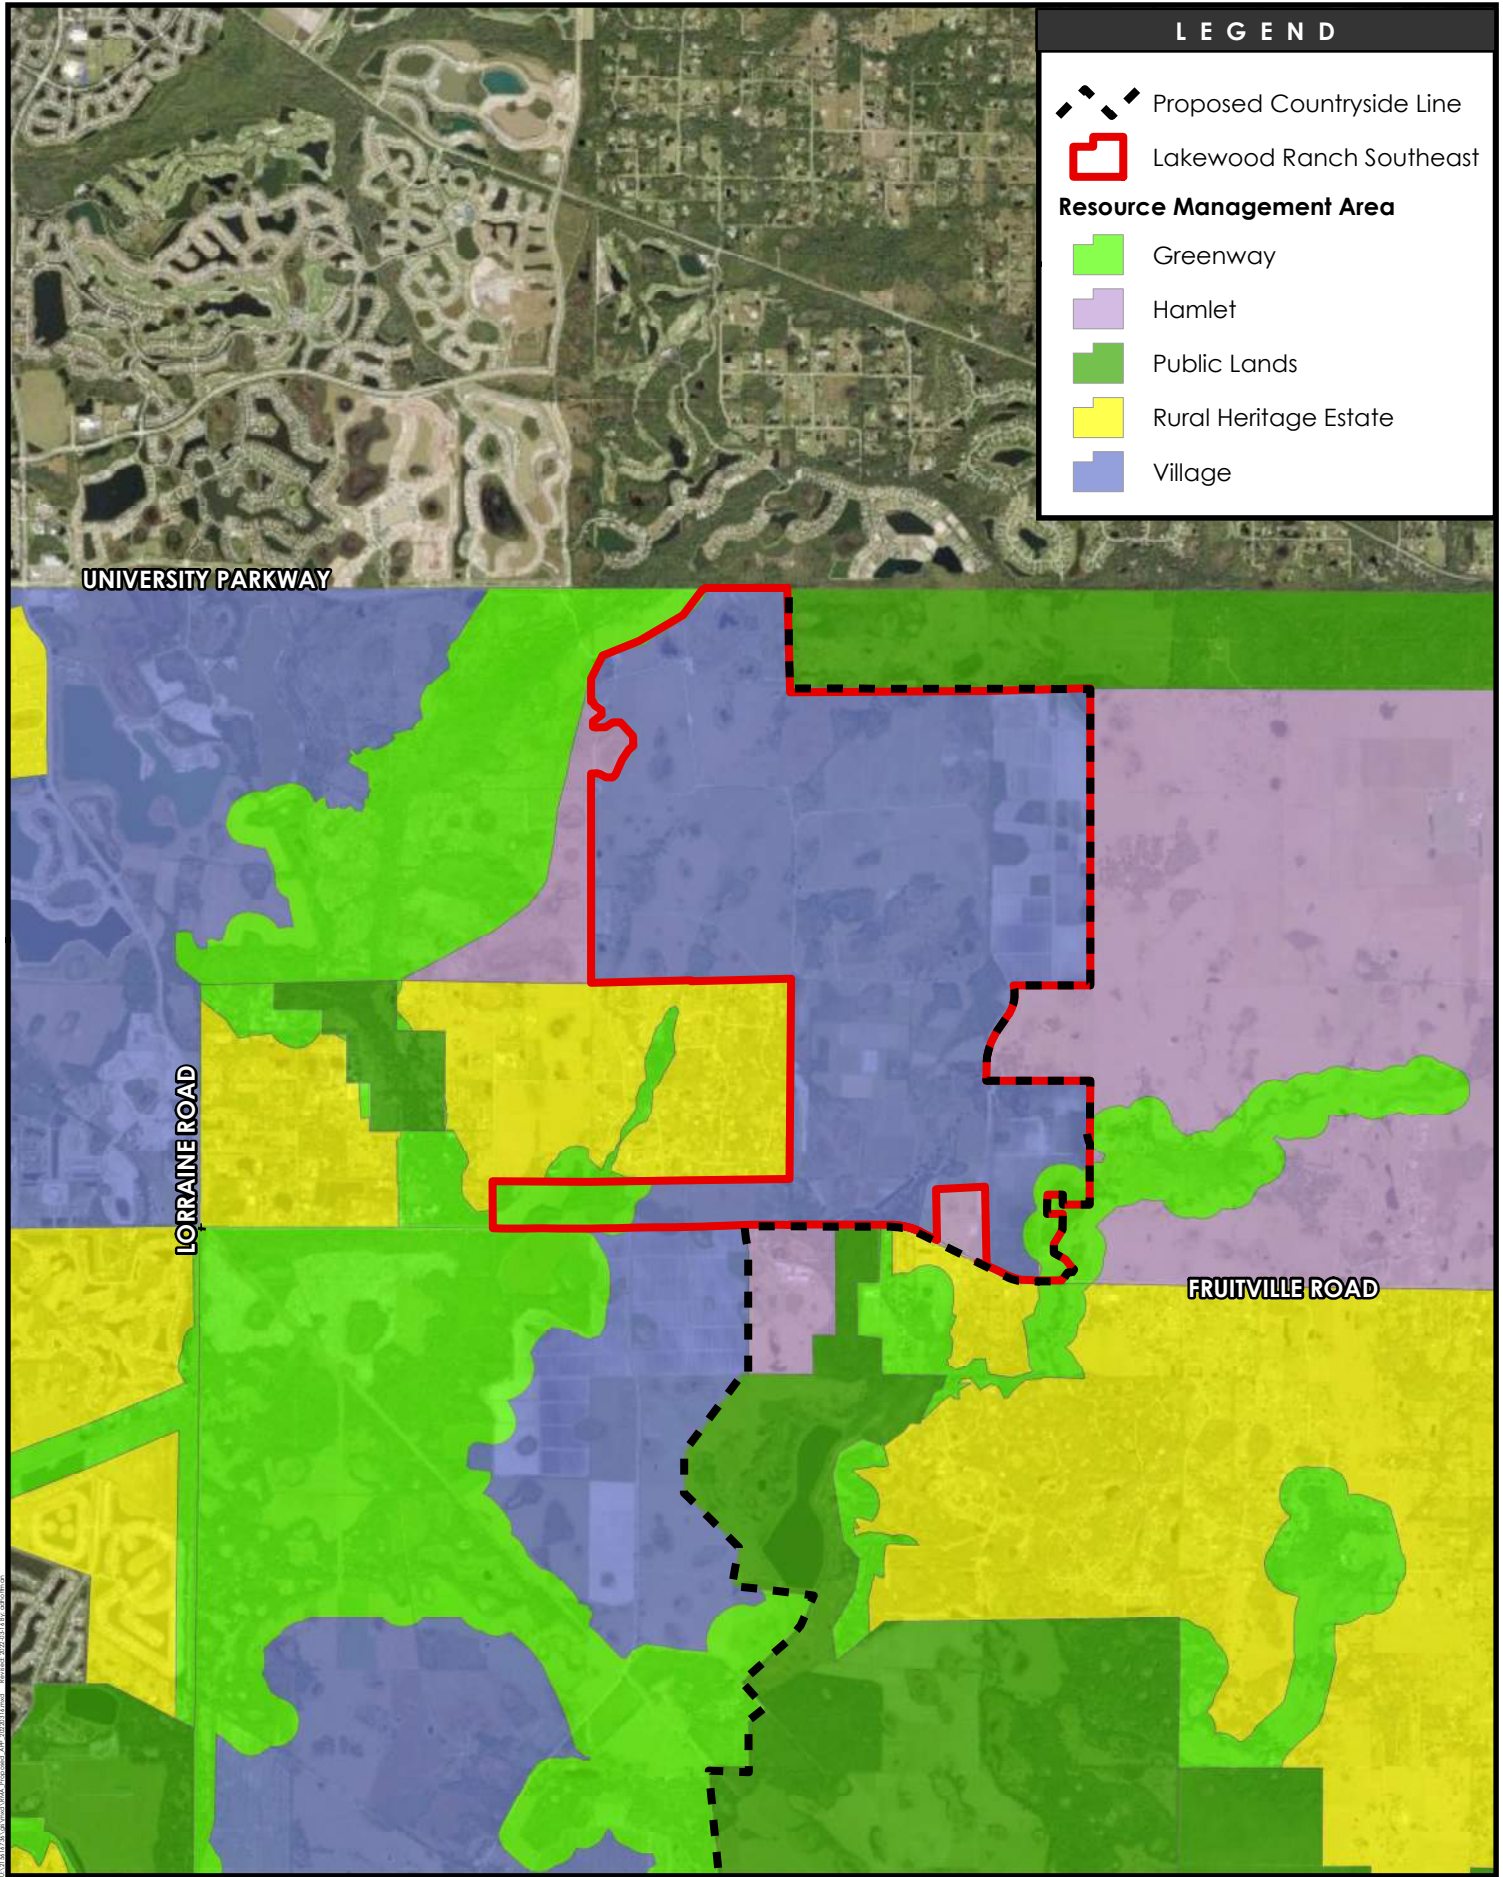

For more information, please also feel free to visit <http://bit.ly/2C6XKPK>.

This workshop is a required part of the application approval process. The purpose of this workshop is for the Applicant to inform the neighboring residents of the proposed Applications, discuss the nature of the proposed development, and to solicit any suggestions and/or discuss any concerns.

The NWS is being recorded.

The public has several opportunities to provide input into the application process:

- NWS (tonight's meeting)
- Planning Commission public hearing
- Board public hearing

To date, no Application has been filed. The NWS is required to be held prior to the submittal of an application. The NWS summary, record of participants, recording and any exhibits will be included in the application packet.

The Application packet will be posted on the County's website at [www.scgov.net](http://www.scgov.net).

You can also call the county's Customer Service phone number 941-861-5000, and ask for the Planner of the Day, to get more information.

# Project Background

Conference ID: 541 697 069#

## Location and Aerial Maps

- $\pm 4,117$  Acres
- Located generally south of University Parkway, east of Waterside, and north of Fruitville Road

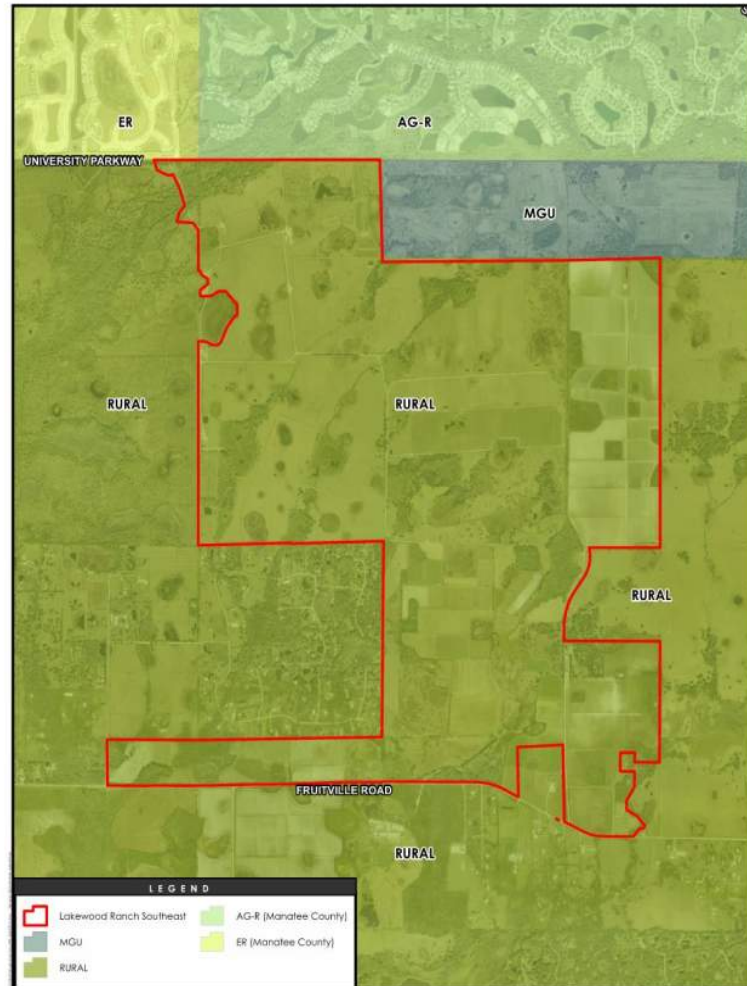

# Project Background

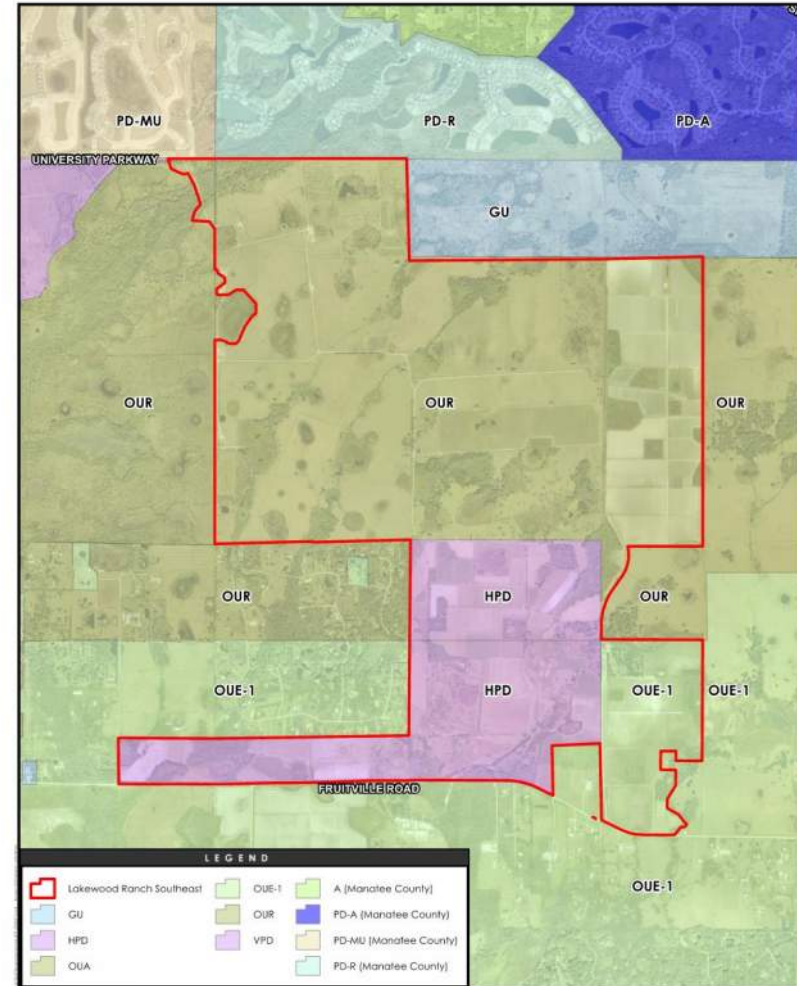

Conference ID: 541 697 069#

## Future Land Use (FLU) & Zoning Maps

FLU: RURAL

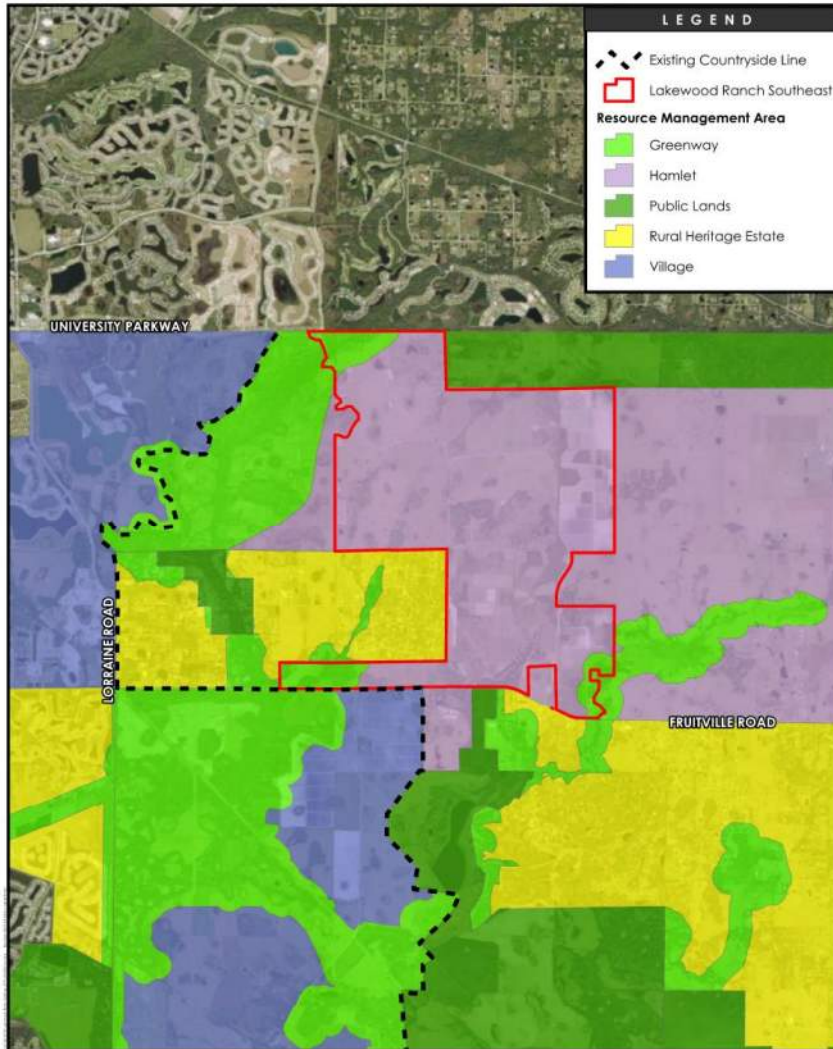

Zoning: OUR, HPD, OUE-1

# Project Background

Conference ID: 541 697 069#

## 2050 Resource Management Area (RMA) Map

- Sarasota County's 2050 RMA Map functions as an overlay to the adopted FLU Map
  - Goal to enhance the County's livability by preserving natural, cultural, and physical resources

### Property's Existing RMA designation:

- Hamlet:** Maximum of 1 du/gross acres of Developed Area
- Greenway:** n/a density

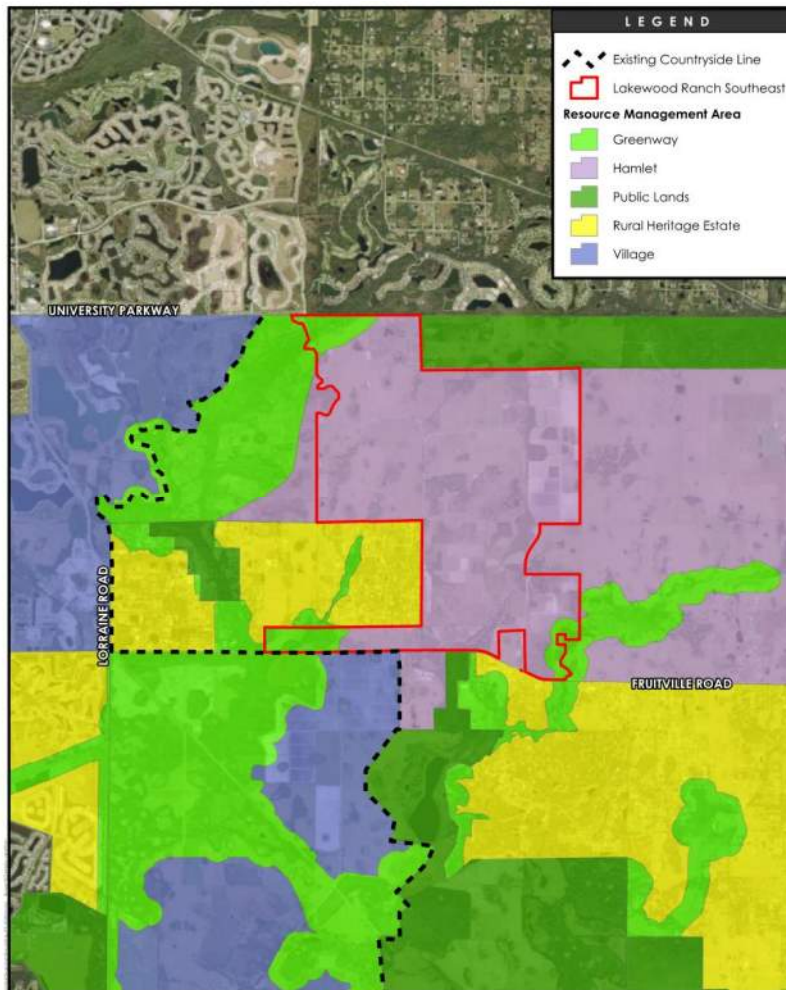

# Proposed Request: Comprehensive Plan Amendment

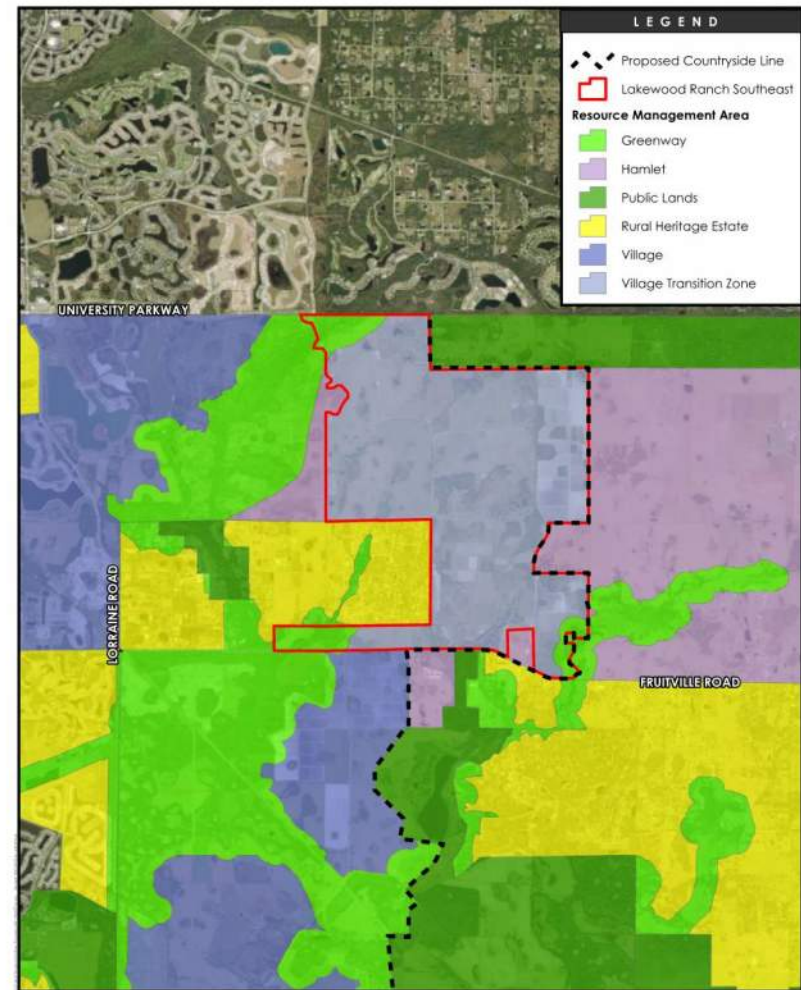

## Comprehensive Plan Lage-Scale Map Amendment

Conference ID: 541 697 069#

RMA: Hamlet, Greenway

RMA: Village Transition Zone, Greenway  
(Countryside Line shifted eastward)

# Proposed Request: Comprehensive Plan Amendment

## Comprehensive Plan Text Amendment

Conference ID: 541 697 069#

### RMA: Village

Minimum Density: 3  
du/gross developable  
acre

Maximum Density: 5  
du/gross developable  
acre

Minimum Open Space:  
50% of gross acreage

### RMA: Village Transition Zone

Maximum Base Density:  
2 du/gross developable  
acre  
not to exceed 5,000  
dwelling units

Minimum Open Space:  
50% of gross acreage

### RMA: Hamlet

Maximum Density: 1  
du/gross acres of  
Developed Area

Minimum Open Space:  $\geq$   
1.5 X developed area  
acreage

# Proposed Request: Comprehensive Plan Amendment

---

## Comprehensive Plan Text Amendment

Conference ID: 541 697 069#

- Text Amendment to *Chapter 8 – 2050 Resource Management Area* to create a new 2050 RMA designation – Village Transition Zone (VTZ)
- The VTZ seeks to provide a more compatible development form and density transition from Village to Hamlet
- **Minimum 50% Open Space**
- **Fiscal Neutrality**
- **Incentivized Community Housing**
- No requirement for commercial development
- Permit Residential Development consistent with RSF-2/PUD zoning requirements of the UDC
- Establish a Development Review Process to facilitate predictable outcomes

# Proposed Request: Development of Critical Concern

Conference ID: 541 697 069#

## Application Requirements

- DOCC Application
- Master Development Order (MDO) and VTZ Master Plan

DOCCs provide a **comprehensive process** to analyze potential impacts and mitigation procedures regarding the development of a property

### DOCC APPLICATION

January 1, 2014

#### A. LIST OF MAPS

|             |   |
|-------------|---|
| Map A       | General Location                            |
| Map B       | Aerial                                      |
| Map C-1     | Existing Zoning                             |
| Map C-2     | Existing Land Use                           |
| Map C-3     | Master Development Plan                     |
| Map C-4     | Development Phasing Plan                    |
| Map D       | Topographic                                 |
| Map E       | Soils                                       |
| Map F-1     | Existing Habitat                            |
| Map F-2     | Native Habitat <del>Preservation</del> Plan |
| Map G-1     | Existing Drainage                           |
| Map G-2     | Master Drainage Plan                        |
| Map H-1,2   | Existing Transportation                     |
| Map H-2,4,5 | Projected Transportation                    |
| Map I-1     | Existing Public Facilities                  |
| Map I-2     | Future Improvements                         |
|             | Necessitated by Project                     |

#### B. GENERAL

(Refer to Maps C-3 & C-4)

##### Statement of Purpose

- brief, we want ...

##### Statement of Intent

- brief, number of units, uses, square footage, and density
- Phasing, beginning, buildout

##### Statement of Compatibility

- how does the project relate/interact with community

#### C. Land Use

(Refer to Maps A,B,C-1,C-2,C-4 & C-4)

- General Location Map (A)
- Aerial (B)
- FLU & Zoning (C-1)
- Land use (C-2)
- Master Development Plan (C-3)
- Development Phasing Plan (C-4)
- Needed improvements summary matrix
- Future improvements necessary map (I-2)
- Open Space
- Public/civic space
- Demographics
- Commercial/Office info
- Employment
- Housing Info (to include pricing/rental/owner-occupied)
- Public school projections

- Energy conservation measures
- Historical Resources
- Development Phasing Plan

#### D. Environmental

(Refer to Maps C-3,D,E,F-1,F-2,G-1, & G-2)

- Native habitat map (F-1)
- Significant resources map
- Rare and endangered species
- Mitigation plan (F-2)

#### E. Transportation

(Refer to Maps C-3,C-4,H-1,H-2,H-3,H-4,H-5,I-1 & I-2)

- Existing Network Map (H-1)
- Existing Conditions Map (H-2)
- Projected Conditions Map (with and without project) (H-3,4,5)
- Traffic related sources of air pollution

#### F. Public Facilities

(Refer to Maps C-2,C-3,C-4,I-1 & I-1)

- Existing public facilities map (I-1)
- Future Improvements Map (I-2)
- Soils map (E)
- Topographic map (show hurricane zones) (D)
- Potable water demand and supply
- Wastewater generation and treatment
- Solid Waste generation
- Stormwater - Existing drainage map, Master drainage map (G-1,2)
- Emergency Services
- Education
- Master Utility Plan (G-2)

#### G. Recreation

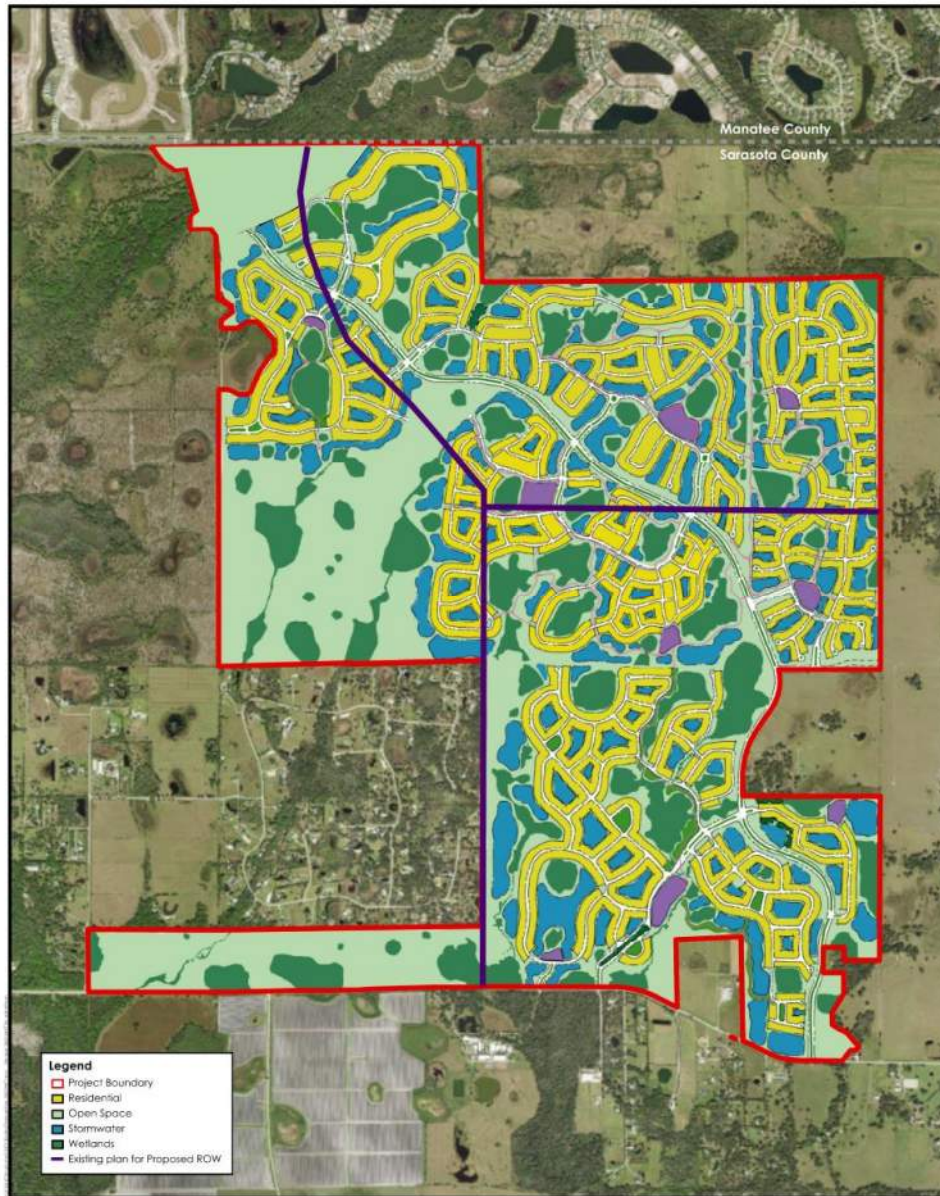

(Refer to Maps C-2,C-3,C-4,I-1,I-2)

- Park locations, geography, boundaries and acreage
- Recreational uses for each park (active and passive)
- Linear park pedestrian trail connections
  - Among the parks internal to the development and external to development
- Recreational facilities and their location (e.g. buildings, courts, restrooms...)
- Any special or unique amenities or facilities

|---------------|---|-------|-------------------------------|
| To:           | Sarasota County Planning and Development Services | From: | Katie LaBarr, AICP<br>Stantec |
| Project/File: | Lakewood Ranch Southeast Neighborhood Workshop    | Date: | April 11, 2022                |

---

**Reference: Neighborhood Workshop Synopsis**

Stantec Consulting Services Inc. conducted a Neighborhood Workshop on Thursday, April 7, 2022.

The meeting was held virtually, via Microsoft Teams, at 6:00 p.m. Approximately 56 individuals were in attendance.

Katie LaBarr (Agent) conducted the meeting and began with introductions of the consultant team and staff, followed by an overview of the Project and details on the proposed requests for the Project:

- ***Comprehensive Plan Text Amendment*** to create a new Resource Management Area (RMA) designation, the Village Transition Zone (VTZ)
- ***Comprehensive Plan Large-Scale Map Amendment*** to change the RMA designation of the subject property from Hamlet and Greenway to VTZ and Greenway as well as move the Countryside Line
- ***Development of Critical Concern (DOCC) and Master Development Order/VTZ Master Plan*** to provide a framework for the proposed large-scale development

The following individuals were also present on behalf of the Applicant:

- i. Kyle Grimes, Esq., Attorney – Grimes Hawkins Gladfelter & Galvano, P.L.
- ii. Katie LaBarr, AICP, Planner – Stantec
- iii. Emily Henke, PLA, Planner – Stantec
- iv. Scott Buttari, PLA, LEED AP, Landscape Architect – Stantec
- v. Matt Crim, PE, PTOE, Traffic Engineer – Stantec
- vi. Rob Engel, PE, Engineer – Stantec
- vii. Christopher Kennedy, Environmental Scientist – Ardurra

The following individuals were present on behalf of Sarasota County:

- i. Brett Harrington, AICP, Planner III - Planning and Development Services
- ii. Ana Messina, Planner I - Planning and Development Services
- iii. Hannah Sowinski, AICP, Planner II – Planning and Development Services

Following the Agent's presentation, the meeting was opened to the attendees to make comments and/or ask the team questions regarding the proposed development. The following is a summarized list of the

questions asked and responses given, sectioned by theme. The Applicant's representatives' responses are shown in **bold**.

*Comments:*

1. I oppose the proposed countryside line move and the expansion of Village RMA into the areas currently designated as Hamlet
2. This is not much of a public workshop if the moderator approves the question. A true public workshop would post all of the questions publicly so we can all read what is being asked. Instead it seems to be more of a public sales job.
3. For the record I am OPPOSED to this density increase.
4. I am opposed to any increase in density.
5. This is the only opportunity to engage. The Planning and County Commissioners do not answer questions during the hearings.
6. What happened to the audio?
7. At least 2600
8. Bern Creek adheres to the 2050 master plan aren't we the friendly transition to hamlet already?
9. Isn't this a scheme to not only get higher densities but also to be relieved from the public interest requirements of the Sarasota 2050 Plan, just one example being a professional analysis, peer-reviewed by a County expert, demonstrating that the development will be fiscally neutral?
10. I cannot continue at this time, so I'd just like to say that I oppose this entire proposal. The best use for this property would be if the Conservation Foundation were able to acquire it and re-wild the entire parcel.
11. Because you don't live there, you brush this aside as previously done. This is not a question, but a sad fact.
12. My questions are being marked "Private" and as such do not appear in the "Featured" questions. I tried to repost it that way but cannot (hence the one repeat question). Does it go public only when you choose it to answer? Thank you.
13. Such a significant change to the 2050 Plan should have a robust process of public input - not just comments at public hearings.
14. Here's a concept: dont develop our countryside! The folks out here would likely support 3-5 acre lots but anything more is a threat to our lifestyle
15. Take a drive out east and look at the sky... No streetlights. Go to LWR and do the same thing. We moved here for a reason.
16. Lies
17. No you didn't.
18. You didn't identify what the amenities would be. Thank you.
19. I challenge you to challenge your "beliefs." "we believe, we believe." Sure.
20. Y'all sound tired and worn down. We feel the same about your development plans. ::hugs::
21. I have been contacted by several people that were unable to join the online workshop. I had difficulty and have also been bumped off numerous times. This workshop has not been adequate in terms of pubic access. If people get rejected in accessing the meeting, get bumped off, or otherwise cannot easily access this required meeting, I believe it is inadequate.
22. Sorry for the math mistake, in my above question: I meant to write 50% of 3900 is 1,950 developable acres and X 2 equals 3900 units
23. I think it is not realistic to pretend that this "Transition Zone" will not be applied to other properties. This proposal totally breaks the 2050 Plan.

24. It is a falsehood to assert that affordable housing cannot be required by state statute, as a condition for the increase in base density. That increase in base density of course will more than enough to compensate the developer for the affordable housing provided, as required by the law. Please respond, this time truthfully.

**Response: Thank you for your comments.**

*Requests:*

1. Ron Lambert [REDACTED]. [REDACTED]. Call any time. I'd love to hear your gobbly-goop.
2. Please give me notice of all future hearings, meetings, etc. on this matter. Susan Schoettle [REDACTED]
3. Please include [REDACTED] in any future meeting notifications. We hold a conservation easement within the Southeast Project site and did not receive notice of this meeting.
4. If someone was not included on the mailing list, please tell them to contact planner@scgov.net to be added to the mailing list. Thank you
5. My email is: [REDACTED] for a written copy of the questions and answers.
6. Also please distribute all questions and answers that come to you after this meeting to all attendees of this meeting.

**Response: Thank you for your comments.**

*Compatibility:*

1. This proposal does not match the existing home and land use in this area. Please elaborate on how this proposal supports the existing residents and landowners?

**Response: The intent is to commit to 50% open space for the overall project and to include greenbelts along the edges of the project to ensure compatibility with the adjacent land uses.**

*Concept Plan:*

1. The Development Concept Plan Legend says purple is ROW are the 9 purple spots shown on the Development Concept Plan ROW?
2. What are the purple blobs on the map?

**Response: The lighter purple color on the concept plan represents potential amenity areas in the development. The darker purple line represents the proposed right-of-way.**

3. The on-screen Development Concept Plan boundaries differ from those shown on the development concept plan in the workshop notice documents - which boundaries are correct.

**Response: The concept plan you currently see on the screen is correct. The proposed project added land in the Northwest corner of the site to help ensure that there is connection for the extension of Bourneside Boulevard.**

4. You state that this new development will have 50% open space, but your map does not appear to show 50% open space.

**Response: That is the text of the proposal and will be part of our commitment and the development review process.**

5. You do not show any 500-foot buffer along the eastern boundary of your proposed plan. What will be done along that eastern boundary?
6. There is buffer space along the border with Bern Creek but no buffer on the other boundaries - why?
7. The north east corner of your development does not show buffer. Is the green space north of your development (red line) permanent Green space??

**Response: When we have concept plans at such a scale, sometimes it may be difficult to really understand or see the separation along the different edges, but we will include details in our application, with our master development plan, that addresses these edge conditions. We assure you that proper buffering will be completed throughout the site.**

8. Are you building a wall around this community?

**Response: At this point, we do not know what type of buffers will be included for the proposed development.**

*Bern Creek:*

1. Why is there a large undeveloped area just north of Bern Creek depicted on the Development Concept Plan?
2. What do you plan to do on the open space area north of Bern Creek rural homesteads?
3. How is the 570-acre conservation easement north of Bern Creek (from FPL settlement) being handled?

**Response: The area in question, north of Bern Creek, is intended to be a part of the 50% open space provision.**

4. There is a conservation easement south of Bern Creek. Is it going to change? Is there going to be a water pumping station on this easement?
5. I am looking at the Staff Report Dec. 10, 2014 presented to the BCC. Can you tell me where the pump station is identified.

**Response: Regarding the water pumping station – that is going to be constructed within the area the question is referencing (i.e. to the eastern end of the area). The area referred to south of Bern Creek is proposed to be open space.**

*Environment:*

1. Will you be providing a wildlife underpasses on the new road?
2. What about wildlife corridor? It seems to be homes from district lines to line

**Response: These are details that would be addressed during the construction plan review, but it's important to note that the concept plan does contemplate ribbons of green space throughout the site, to provide interconnected corridors for wildlife and protected species.**

3. Will all development, including roadways, adhere to dark skies principles with shaded lights and downward only lighting.

**Response: Anything that is required by Sarasota County UDC will be complied with at the time of development.**

4. Have you considered a conservation kind of subdivision, like Babcock Ranch, where all buildings will be clustered and all green space will be clustered?

**Response: What we propose is really in keeping with a lot of the goals and objectives of developments like Babcock Ranch, and we believe that what will come to bear during this development will be similar in nature.**

#### *Housing:*

1. What about affordable housing? How long will it take for the sheriff, EMS and Fire get there and who will pay for added services
2. Please elaborate on "incentivized community housing" - number of units, requirements for housing, etc.
3. Will missing middle housing types be provided?
4. Is there any affordable housing in Lakewood ranch now?

**Response: Affordable/Community housing will be offered on a voluntary basis with the incentives that are provided for in the UDC. There is an overall cap of 5,000 dwelling units on the property, which includes any community housing.**

**Response times for sheriff, EMS, fire, etc. are evaluated during the review process, and in even greater detail at time of rezone. The cost of these services will be contemplated in the fiscal neutrality study that we will prepare and submit for review.**

**Question regarding missing middle housing – we are proposing a range of housing types including townhomes, semi-detached, and other single-family products.**

#### *Lakepark Estates*

1. What is happening to Lakepark Estates that was previously approved and construction started in January 2022?
2. Will Lakepark Phase 2 and Phase 3 change? The new higher density?
3. Has LWR purchased Lakepark Estates?

**Response: Lakewood Ranch has not purchased Lakepark Estates. Lakepark Estates will be incorporated into the Village Transition Zone; however, it's not going to cause any changes to Phase One that has already been approved. We are working with staff on how to facilitate this through the proper language.**

*Policy:*

1. Cover letter states your proposed policy changes “will offer a more meaningful transition to the hamlet development to the east.” Can you elaborate on what you mean by a more meaningful transition?
2. 2050 Plan policies were that Hamlet transitioned between Village and rural development. How does an increase in density achieve this policy goal?

**Response: The goal of these amendments is to allow for a form of development that is very similar to what is observed in Lakewood Ranch. We propose to do this by creating the Village Transition Zone, which will be limited to the subject property and be slightly less dense than the Village designation and slightly more dense than the Hamlet designation. This zone will allow for a maximum base density of 2 dwelling units per gross developable acre, not to exceed a maximum unit count of 5,000 units. The amendments will also include incentive community housing.**

3. You have described various characteristics of this new Future Land Use Map category. Will they all be mandatory or are you simply expressing the present intent of the Lakewood Ranch developer? Example: "Housing will be made available at a variety of price points." What policy if any is proposed. Will anything be required for truly affordable housing, and if so what, or are we talking about so-called "attainable housing" which is affordable to a family of 120% Area Median Income, that is earning well over \$100,000 a year? Again, please respond to the broader question as to whether everything you describe will be required in Comp Plan policies, and then as to my specific question on affordable housing. Thank you.
4. What does your "commitment" mean? Does that mean you will positively commit and put in writing?

**Response: As we indicated in this presentation, part of this Comprehensive Plan Amendment is to create a Village Transition Zone which will include text on incentives for affordable housing, following the same basis outlined in the UDC. There will not be a mandate for affordable housing as that is no longer allowed in Florida Statute. All application materials are made available to the public and published on the County website, so you'll have the opportunity to review our policy language once it is formally submitted for staff review.**

5. Does this comp plan amendment limited to your 3900 acres, or does it change other rural lands.
6. Is this the last proposal of the Lakewood Ranch developer to extend suburban sprawl further to the east, or is the door open to it pushing further in the years after this is approved? What, if any, is the limit? Verna Road? DeSoto County?
7. Even though this is the last of lands owned by SMR as you state, aren't you actually creating a whole new development category in the 2050 plan that will set a precedent for other large area rural land developers? Also, this is not responsible Urban development as adding density in this amendment does not provide appropriate transition to the rural lands.
8. Is there a figure you can provide that would express the total number of dwelling units in the entire Lakewood Ranch project - both in Manatee and in Sarasota counties? I..e. do you have a terminus ad quem, or do you intend to create more communities on open lands that are not now identified in known plans?

**Response: The Village Transition Zone / Comprehensive Plan Amendment is limited to the property boundary shown on our concept plan.**

*Process:*

1. What is the process by which the public and its elected officials will discuss, analyze, and approve or deny this new category added by the developer to the Comp Plan?

**Response: We will apply for a Comprehensive Plan Map and Text amendment, which will be fully vetted by County staff and then heard by the Planning Commission and Board of County Commissioners (BOCC). The BOCC will hear the application twice, one for transmittal and one for adoption. Public comment is welcome at all public hearings.**

2. When do you anticipate submitting applications?

**Response: We are currently preparing these applications. We expect to submit in the very near future, within the next thirty to sixty days.**

3. You mentioned commercial development... At what point do you expect to begin asking for exceptions to plans to allow for commercial development?

**Response: We will not be asking for any exceptions for commercial development.**

4. If this goes ahead, when will initial land clearing begin

**Response: We are at the beginning of the review process, so it is too early to tell when initial clearing may begin.**

*Public Participation:*

1. What can the local resident do to keep growth to a minimum? Thank you
2. So how can I submit more questions and receive answers?
3. How can we stop your request for zoning changes and keep our open-use-estate classification? No one wants to see more development out here. Do any of you live in these areas.

**Response: There are several opportunities for public engagement and input throughout this process. The first is through tonight's workshop where we are looking for feedback from the community. There will also be opportunities for residents to speak to the Planning Commission and Board of County Commissioners as these applications move through the public hearing review process.**

4. There is a reason we moved to Bern Creek and not Lakewood Ranch. Have you considered how your project impacts residents like us?

**Response: Yes, the intent would be to provide appropriate buffering adjacent to each of the particular boundary conditions. We will provide the specific details in our application.**

*Transportation:*

1. *How will this project improve hurricane evacuation clearance times for existing Sarasota County residents?*
2. *Wouldn't an additional road extending east to Verna Road assist in an evacuation event?*

**Response: This project may improve hurricane evacuation clearance times, by providing a regional corridor connecting University Parkway to Fruitville Road, via Bourneside Boulevard. Bourneside Boulevard currently extends all the way to State Road 64, so providing that north-south corridor for cross county transportation may be beneficial.**

3. *What are the plans for adding lanes on University? Will there be a light on Bourneside?*
4. *Please elaborate on any traffic studies that have been done. Fruitville Rd. is extremely congested as is and cannot accommodate the growth you are proposing*
5. *What considerations are planned for the widening of Fruitville rd as this project will introduce 2600 new vehicles on that road. Thats providing for 2 cars per household.*
6. *promised 4 lanes to the end of Fruitville rd by 2010 has not been accomplished. Traffic, etc, are very concerning for those of us that live out east. Your requirement of traffic studies may fail as previously. stated. the situation is dangerous and irresponsible. what realistic care and promises will you do?*
7. *I'm concerned about traffic. There's so much congestion already. Can our roads handle this?*
8. *Will this mean that University will get extended East to meet I 70*

**Response: A traffic study has not been completed at this point but will be conducted at the appropriate time in the application process. Intersection improvements are yet to be determined. We will coordinate with Sarasota County to evaluate the best type of intersection control.**

9. *Just confirming, the purple road indicated is Bourneside continuation?*

**Response: That is correct.**

10. *Will the taxpayers be footing the bill to widen Fruitville Road to handle the traffic from your development? Or will the developer pay for road improvements to Fruitville Road.*

**Response: Sarasota County has transportation mobility fees, which will be paid during development. These fees will be utilized by Sarasota County to pay for any required roadway improvement.**

11. *Will all on-site roads and other facilities be funded by a CDD as other Lakewood Ranch areas?*
12. *Is this area going to be a taxing district like much of LWR?*

**Response: Roadways throughout the community will be constructed both with the Lakewood Ranch Stewardship District, as well as private development.**

13. *What is FDOT's role in approving these plans?*

**Response: None of these roadways touch state rights-of-way, so they would have no role in this process.**

14. Why has the East West proposed road to Verna Road been eliminated?

**Response: This road has not been eliminated. We believe that the proposed alignment, as seen on the concept plan, is a more context-sensitive alignment. We will be providing a stub that will allow for the off-site extension of the East-West road over to Verna.**

*Water:*

1. Will this development affect the wastewater system off Bee Ridge Rd?
2. Will the suggested waste water plant be within the outlined property? if so, where

**Response: We are currently going through a utility master planning process with Sarasota County. It is anticipated that this development will require an additional wastewater line that will bring the wastewater from this property to the Bee Ridge wastewater plant.**

3. Do you plan to augment the water in the lakes shown? Will the lakes be lined to prevent lateral seepage and damage to surrounding areas?

**Response: This question involves details that have not been determined yet, but augmentation of lakes and/or lining of lakes is not anticipated. These details will come later in the review process.**

4. Please elaborate on the water run off studies that have been done to ensure that new homesites/development do not have a negative impact on existing home and land owners
5. Bern Creek is very wet area during the rainy season, how do you plan to mitigate your water run off?

**Response: Through the process that we are starting here and then followed by the site and development plan review process, we will be required to go through an evaluation of the drainage of both existing and proposed drainage patterns. We will go through a rigorous review, by both Sarasota County and the South Florida Water Management District<sup>1</sup>, and ultimately receive a permit before we can start construction. There are strict criteria to ensure that there are no negative impacts off-site.**

6. Why not require xeriscaping in your development to save water and reduce fertilizers in the stormwater runoff which pollutes our bays and gulf?

**Response: That's a great suggestion. Thank you for your comment.**

*Misc.:*

1. Who is the developer of this community? What is the estimated price range of the homes? Will all the development be single family homes?

**Response: The developer is our client, Lakewood Ranch Communities (Master Developer is Schroeder Manatee Ranch). At this time, given where we are at in the review process, estimated price range of homes is yet to be determined, but it is our intent to provide a variety of housing types including single-family detached, semi-detached, villas, and attached townhomes.**

2. "VOS Policy 5.2 Protected Roadway Character requires open vistas and protect the integrity of the rural character of Fruitville Road/SR 780 east of Dog Kennel Road, now called Lorraine Road. How will you accomplish this? Already, Lake Park Estates has not protected the rural character of Fruitville Road. Will construction continue at Lake Park Estates and go west or will Lakewood Ranch build east or both? What is the build out date? Is Lakewood Ranch currently at build out density? While the western boundary is urban, the proposed area of change, 3,900 acres, is surrounded by rural lands that may currently have livestock. How will you mitigate the construction noises such as continual diesel engines on large equipment and the backup beepers that will most likely startle the livestock? I believe there is already such a problem around the Polo Club, frightening the horses. What water source will be used to irrigate the lawns? Fruitville Road is currently listed as a constrained road. How many more vehicles will be added to Fruitville Road due to this proposed density increase? Fruitville Road is an evacuation route. What analysis was conducted to determine what the additional traffic would do to reduce evacuation times? Thank you,  
Becky Ayeach  
President Miakka Community Club  
Did SMR or Lakewood Ranch challenge the 2050 Amendment? Why or why not? What has changed since the adoption of 2050 that necessitates the proposed Comprehensive Plan Amendment? The waterbodies colored blue are called stormwater on the Development Concept Plan. How many are there? What is the total acreage? What is the average size? Will they dry down since they are stormwater? Or will they be augmented? If augmented, from where will the water come? How will you manage the mosquitoes? Will the HOA or another entity prohibit mowing to the edge of the stormwater ponds/waterbodies? What will lawn fertilizer applications or restrictions be? Who will enforce? You portray this as a transition. 2050 defines Hamlets as a transition form of development intended to blend toward the more rural eastern area of the County. Why do you need a different type of transition form of development? Two units an acre does not blend with rural. It is urban sprawl. Bill Spaeth, retired Sarasota Planner identified Lake Park Estates as urban sprawl. This is urban sprawl times 2. If adopted, this will become a creeping of urban density that will use the same reasoning for extending urban development throughout the Rural area identified on the Future Land Use Map (FLUM). Why can't the 1,000-acre development, Lake Park Estates remain with a density cap of 400 dwelling units on 1 unit per acre? Why don't you build up and not out? What amenities will be provided? Where are they located on the Development Concept Plan? Lake Park Estates is currently under construction. If the proposed Amendment is approved, when will the next phase begin? Will the infrastructure be in phases or done all at once? How many water tanks need to be built so the water pressure is sufficient for fire suppression? Where will they be located? What will they look like? Will you be able to see them or will they be screened? Lake Park Estates was required to have one pressure tank that would be located along Fruitville Road.
3. How exactly is this an example of smart growth? Sincere question.
4. How is this a smart growth effort? Will there be objective environmental impact studies? Who will pay for infrastructure? Please include accident and incident reports within 5 miles for last 5 years. Btw this was difficult to get into

**Response: We'll try to go through the majority of these questions. To begin, it is proposed that the irrigation will be handled by Braden River Utilities. We are also working through the details of getting reclaimed water from the County.**

**For the questions on construction noise, startling livestock, etc. – we hear these concerns and they will be addressed at the time of formal development. We are still working through the details on the buffers and greenbelts.**

**For the question on 2050 - the 2050 regulations were adopted in 2002, about 20 years ago. Things change and sometimes adjustments are needed, and we believe these adjustments that we are proposing are appropriate for long term compatible development.**

**For the questions on stormwater/water – This concept plan is conceptual in nature, it is not engineered at this point. We do not have the details on stormwater needs, management, etc. yet, so we can't speak to it.**

**For the questions on street lighting/design – Again, this is a question that comes up later in the process, but I can assure you, any design elements like this will be in compliance.**

**For the questions on smart growth, we do believe this is a form of smart growth.**

5. Because the comp plans calls for an interconnected trail system in the rural lands, will these trails be open to the general public and be available to the equestrians.

**Response: Final details have not been planned yet, but we expect that there would be a combination of both public and private trails. Equestrian-capable trails has not yet been contemplated.**

6. How many acres of the 3900 acres are deemed "developable" acres? If 50% is deemed OPEN SPACE and not developable, does that mean the developable acres are 1850 acres , and total units 3900? ie 2 X 1850 DEVELOPABLE ACRES

**Response: In round numbers, yes this is correct.**

7. Will there be competitive bidding for all engineering aspects?

**Response: Anything constructed by the Stewardship District will be required to go through the public bid process, per State Statutes.**

8. Why no commercial development?
9. Publix puts in a store for every 3000 houses, Why would you say there will be no commercial development?

**Response: At this time, we are not proposing commercial development because we think it is vital to support the existing commercial that's been built on Lorrain Road, University Parkway, and Waterside.**

10. Can you share how many people are on this call?

**Response: Currently, there are 29 URL attendees, this was as high as 59 at one point. There are 7 call-in attendees.**

11. What is the email of the person who invited us to submit further questions through email?

12. Will you provide a written record of the questions and answers - including those not addressed during the live meeting?

13. Will a recording or transcript of this session be available to the public?

14. Will \*all\* questions and comments be made available to residents and County Commissioners?

**Response: All the questions submitted during this meeting will be recorded and submitted in our application materials. These materials, as well as the recording and transcript, will be available to the public. You can contact me, Katie LaBarr, with any questions, comments, or concerns regarding the project at [Katie.Labarr@stantec.com](mailto:Katie.Labarr@stantec.com) or (941) 907-6900.**

Respectfully yours,

| Attendee | Question | Anonymous<br>(Unverified)   | 4/7/2022 18:19 | 4/7/2022 22:19 | 32d0d624-47ff-49d0-bdc5-4c1cb524fe49 | If this goes ahead, when will initial land clearing begin  |
| Attendee | Question | Becky Ayech<br>(Unverified) | 4/7/2022 18:19 | 4/7/2022 22:19 | 7afb6af6-a5e4-4fb8-ab5e-98272840709c | This is the only opportunity to engage. The Planning and County Commissioners do not answer questions during the hearings. |
| Attendee | Question | C. Bales<br>(Unverified)    | 4/7/2022 18:19 | 4/7/2022 22:19 | 1e033c4b-db5d-4813-ada7-147b1c8c8a58 | Will you be providing a wildlife underpasses on the new road?  |

|          |          |                          |                |                   |  |
|----------|----------|--------------------------|----------------|-------------------|--|
|          |          |                          |                |                   | 2050 defines Hamlets as a transition form of development intended to blend toward the more rural eastern area of the County.   |
|          |          |                          |                |                   | Why do you need a different type of transition form of development? Two units an acre does not blend with rural. It is urban sprawl. Bill Spaeth, retired Sarasota Planner identified Lake park Estates as urban sprawl. This is urban sprawl times 2. If adopted, this will become a creeping of urban density that will use the same reasoning for extending urban development throughout the Rural area identified on the Future Land Use Map (FLUM). |
|          |          |                          |                |                   | Why can't the 1,000-acre development, Lake Park Estates remain with a density cap of 400 dwelling units on 1 unit per acre?  |
|          |          |                          |                |                   | Why don't you build up and not out?  |
| Attendee | Question | Becky Ayech (Unverified) | 4/7/2022 18:17 | 4/7/2022 22:17 93 | What amenities will be   |

|          |          |                            |                |                |  |
|----------|----------|----------------------------|----------------|----------------|--|
|          |          |                            |                |                | <p>You have described various characteristics of this new Future Land Use Map category. Will they all be mandatory or are you simply expressing the present intent of the Lakewood Ranch developer? Example: "Housing will be made a available at a variety of price points." What policy if any is proposed. Will anything be required for truly affordable housing, and if so what, or are we talking about so-called "attainable housing" which is affordable to a family of 120% Area Median Income, that is earning well over \$100,000 a year? Again, please respond to the broader question as to whether everything you describe will be required in Comp Plan policies, and then as to my specific question on affordable housing. Thank you.</p> |

| Attendee | Announcement | Jan Meissner<br>(Unverified) | 4/7/2022 18:15 | 4/7/2022 22:15 | e2b8e248-6ab9-4ffe-a7d2-ed884ccaf639 | Just confirming, the purple road indicated is Bournside continuation?   |
|          |              |                              |                |                |                                      | Roadway Character requires open vistas and protect the integrity of the rural character of Fruitville Road/SR 780 east of Dog Kennel Road, now called Lorraine Road. How will you accomplish this? Already, Lake Park Estates has not protected the rural character of Fruitville Road. Will construction continue at Lake Park Estates and go west or will Lakewood Ranch build east or both? What is the build out date? Is Lakewood Ranch currently at build out density? While the western boundary is urban, the proposed area of change, 3,900 acres, is surrounded by rural lands that may currently have livestock. How will you mitigate the construction noises such as continual diesel engines on large equipment and the backup beepers that will most likely startle the livestock? I believe there is already such a problem |
| Attendee | Question     | Becky Ayech<br>(Unverified)  | 4/7/2022 18:15 | 4/7/2022 22:15 | d4d08a50-0517-472d-930c-9d93053103d0 |   |

## Introduction

The purpose of this study is to determine the transportation impacts of the proposed Lakewood Ranch SE Comprehensive Plan Amendment (CPA). The proposed CPA will amend Chapter 8 of the Sarasota County Comprehensive Plan to create a new Resource Management Area (RMA) called Village Transition Zone (VTZ). The amendment also proposes to modify the RMA for 4,120 acres from Hamlet to the new VTZ RMA. The proposed development is located east of Lorraine Road between University Parkway and Fruitville Road. The project location is shown in **Figure 1** and the maximum development intensities allowed under the existing and proposed RMA are shown in **Table 1**.

**Table 1: Existing and Proposed Maximum Development**

| Scenario | Land Use Designation        | Maximum Density                                      | Development Size |                     |
|----------|-----------------------------|--|------------------|---------------------|
|          |                             |  | Acres            | Maximum Development |
| Existing | Hamlet RMA                  | 60% open space at a maximum of 1 du / developed area | 4,120            | 1,648 du            |
|          |                             | 10,000 square feet per Hamlet                        |                  | 50,000 sf           |
| Proposed | Village Transition Zone RMA | 1 du / gross area <sup>1</sup>                       | 4,120            | 5,000 du            |

*1. This represents the base density. With anticipated bonus provisions, it is anticipated that a maximum of 5,000 dwelling units may be constructed.*

Unlike a rezoning or site plan application, a Comprehensive Plan Amendment application generally does not include a build-out horizon year since at the time of application such a year is typically unknown. In order to evaluate the application beyond the current conditions, future short-term and long-range analysis periods were evaluated. A five-year short-term analysis for the year 2027 and a long-range analysis for the horizon year of 2045 were conducted. Prior to undertaking the study, a methodology statement was submitted to Sarasota County. A copy of the methodology is attached in **Appendix A**.

## Trip Generation

Traffic volumes generated by the land use change were estimated using the Institute of Transportation Engineers (ITE), *Trip Generation Manual – the 11<sup>th</sup> Edition (2021)*. Land Use Code (LUC) 270 (Residential Planned Unit Development), LUC 710 (General Office Building), and LUC 822 (Strip Retail Plaza (<40k)) were used to estimate the existing and proposed Future Land Use Category's trip generation potential.

### 2027 SHORT-TERM ANALYSIS

The short-term analysis evaluates the anticipated development intensity expected to occur over the five-year short-term planning horizon. It was assumed that 300 dwelling units per year will be constructed over the five-year period. Because the land is vacant, no trip generation from the existing land use was assumed. **Table 2** shows the short-term PM peak-hour trip generation.

**Table 2: Short-Term PM Peak-Hour Trip Generation**

| ITE Land Use Category                      | Variable | Size  | Trip Rate/ Equation          | Enter Split | Exit Split | PM Peak Total Trips |       |      |
|--|----------|-------|------------------------------|-------------|------------|---------------------|-------|------|
|  |          |       |                              |             |            | Total               | Enter | Exit |
| Residential Planned Unit Development - 270 | Per Unit | 1,500 | $\ln(T) = 0.97\ln(x) - 0.14$ | 65%         | 35%        | 1,047               | 681   | 366  |

### 2045 LONG-RANGE ANALYSIS

The long-range analysis evaluates a reasonable estimate of the most intense land use program under existing and proposed future land use categories to determine the impact of the land-use change. Given that this is a CPA analysis and there is no associated development plan, no internal or pass-by capture were assumed. **Table 3** shows the net change in PM peak-hour trip generation.

**Table 3: Long-Range PM Peak-Hour Trip Generation**

| Scenario          | ITE Land Use Category                      | Variable | Size   | Trip Rate/ Equation          | Enter Split | Exit Split | PM Peak Total Trips |       |       |
|-------------------|--|----------|--------|------------------------------|-------------|------------|---------------------|-------|-------|
|                   |  |          |        |                              |             |            | Total               | Enter | Exit  |
| Existing Land Use | Residential Planned Unit Development - 270 | Per Unit | 1,648  | $\ln(T) = 0.97\ln(x) - 0.14$ | 65%         | 35%        | 1,147               | 746   | 401   |
|                   | General Office Building - 710              | Per ksf  | 12,500 | $\ln(T) = 0.83\ln(x) + 1.29$ | 17%         | 83%        | 30                  | 5     | 25    |
|                   | Strip Retail Plaza (<40k) - 822            | Per ksf  | 37,500 | $\ln(T) = 0.71\ln(x) + 2.72$ | 50%         | 50%        | 199                 | 100   | 99    |
|                   | Total                                      |          |        |                              |             |            | 1,376               | 851   | 525   |
| Proposed Land Use | Residential Planned Unit Development - 270 | Per Unit | 5,000  | $\ln(T) = 0.97\ln(x) - 0.14$ | 65%         | 35%        | 3,367               | 2,189 | 1,178 |
| NET CHANGE        |  |          |        |                              |             |            | 1,991               | 1,338 | 653   |

## Amendment Traffic Distribution

Traffic generated by the proposed amendment was distributed and assigned to the adjacent roadway network using the current version of the FDOT D1 Districtwide Regional Planning Model (D1RPM) 2045 Cost Feasible network. Transportation analysis zone (TAZ) 5714 was added to represent the Lakewood Ranch SE development. Other network edits include the four-lane widening of Fruitville Road from Sarasota Center Boulevard to Lorraine Road and the addition of Sarasota County's Future Thoroughfare Roadways not currently in the model. The added thoroughfare roads include:

- Bourneside Boulevard/North-South Roadway B from University Parkway to Lorraine Road
- The Bee Ridge Extension from Lorraine Road to North-South Roadway B
- East-West Roadway B from Bourneside Boulevard to Verna Road

In addition, the socioeconomic (SE) data for Hi-Hat Ranch, which incorporates all/parts of TAZ 5537, TAZ 5692, and TAZ 5693, were reviewed. TAZ boundaries were not adjusted, only a review of the SE data was conducted. Hi-Hat Ranch is approved for 13,081 dwelling units, 300,000 square feet of commercial, and 150,000 square feet of office. **Table 4** shows the 2015 SE data and **Table 5** shows the 2045 SE data in TAZs 5537, 5692, and 5693.

**Table 4: 2015 Socioeconomic Data**

| ZONE         | SFDU       | MFDU      | RESHHLD    | IND<br>EMP | COMM<br>EMP | SERV<br>EMP | TOT<br>EMP |
|--------------|------------|-----------|------------|------------|-------------|-------------|------------|
| 5537         | 364        | 72        | 436        | 41         | 27          | 53          | 121        |
| 5692         | 13         | 3         | 16         | 0          | 3           | 16          | 19         |
| 5693         | 0          | 0         | 0          | 0          | 0           | 0           | 0          |
| <b>Total</b> | <b>377</b> | <b>75</b> | <b>452</b> | <b>41</b>  | <b>30</b>   | <b>69</b>   | <b>231</b> |

**Table 5: 2045 Socioeconomic Data**

| ZONE         | SFDU        | MFDU        | RESHHLD      | IND<br>EMP | COMM<br>EMP | SERV<br>EMP | TOT<br>EMP  |
|--------------|-------------|-------------|--------------|------------|-------------|-------------|-------------|
| 5537         | 2979        | 1510        | 4489         | 338        | 176         | 53          | 567         |
| 5692         | 1756        | 962         | 2718         | 324        | 219         | 16          | 559         |
| 5693         | 3051        | 1678        | 4729         | 297        | 149         | 0           | 446         |
| <b>Total</b> | <b>7786</b> | <b>4150</b> | <b>11936</b> | <b>959</b> | <b>544</b>  | <b>69</b>   | <b>1572</b> |

As shown in **Table 4** and **Table 5**, the 2045 SE data underestimates the approved residential units, commercial employees, and service employees while overestimating the number of industrial employees. The 2045 SE data was adjusted to incorporate the Hi-Hat Ranch approvals. The Hi-Hat Ranch SE data was added on top of the 2015 SE data in TAZ 5537 in which Hi-Hat Ranch only incorporates a portion of the TAZ. The resulting modified SE data is shown in **Table 6**.

**Table 6: Modified 2045 Socioeconomic Data**

| <b>Total</b> | <b>9367</b> | <b>4150</b> | <b>13517</b> | <b>41</b>  | <b>627</b>       | <b>653</b>       | <b>1321</b> |

1. Assumed 1 employee per 500 square feet.

2. Assumed 1 employee per 250 square feet.

00 = Updated SE Data

The project traffic distribution is shown in **Figure 2**. A manual adjustment was made to reduce the amount of traffic interacting with TAZ 5539, located east of the project on the south of Fruitville Road, from 4.2% to 1%. The 3.2% of traffic interacting with that TAZ was redistributed to the west on Fruitville Road to interact with areas west of I-75 (2.2%) and south on I-75 (1%). Once the distribution was determined, project traffic was assigned to all functionally classified roadways listed in Sarasota County's *Generalized LOS Analysis Tables*.

## Study Area

The study area consists of regulated roadway segments for which the net change in traffic is expected to consume at least 5% of the peak-hour level-of-service standard. Maximum peak-hour service volumes were obtained from Sarasota County's *Generalized LOS Analysis Tables*. For University Parkway, which is not included in Sarasota County's *Generalized LOS Analysis Tables*, FDOT's *Generalized Service Volume Tables* were used. The results of the study area determination are provided in **Table 7** and demonstrate that 11 segments meet the significance threshold criteria.

**Table 7: Study Area Determination**

| Road Name and Segment                   | Adopted LOS  |                 |                | Percent Project Traffic | Net New Traffic |          | Significant Impact? ( >5%) | Short-Term Project Traffic |
|---|--------------|-----------------|----------------|-------------------------|-----------------|----------|----------------------------|----------------------------|
|   | LOS Standard | Number of Lanes | Service Volume |                         | Net New Trips   | % Impact |                            |                            |

A segment analysis of all study area roadways was performed for the existing, short-term, and long-range planning horizon scenarios. Intersection analyses were performed at the following intersections for the existing and short-term planning horizon scenarios.

- Lake Osprey Dr at University Pkwy
- Town Center Pkwy at University Pkwy
- Lakewood Ranch Blvd at University Pkwy
- Lorraine Rd at University Pkwy
- Bourneside Blvd at University Pkwy
- Sarasota Center Blvd at Fruitville Rd
- Lorraine Rd at Fruitville Rd
- N-S Roadway B at Fruitville Rd
- Bourneside Blvd at Fruitville Rd

## Existing Traffic Conditions

Existing PM peak-hour volumes within the study area were obtained from the intersection turning movement counts collected in the spring of 2022. The turning movement counts were adjusted by Sarasota County's peak-season conversion factors. The peak-season conversion factors and turning movement counts are attached in **Appendix B**. A review of the existing roadway conditions indicates that all study area roadway segments, with the exception of Fruitville Road from Sarasota Center Boulevard to Lorraine Road, are currently operating within Sarasota County's adopted level-of-service standards. **Table 8** summarizes the existing PM peak-hour operating conditions.

**Table 8: Existing Traffic PM Peak-Hour Roadway Operating Conditions**

| Road Name and Segment                   | Adopted LOS     |                    |                   | 2022<br>Exisiting<br>Traffic | Exceeds<br>LOS? |
|---|-----------------|--------------------|-------------------|------------------------------|-----------------|
|   | LOS<br>Standard | Number<br>of Lanes | Service<br>Volume |                              |                 |

| Lorraine Rd to Bourneside Blvd          | D               | 2                  | 1,600             | 318                          | No              |

The existing PM peak-hour intersection were evaluated using Trafficware's Synchro 11 Software. Due to a number of intersections that have lane geometry that is not supported by the HCM 6<sup>th</sup> Edition computations, the Synchro level-of-service computations were used. Existing signal timing used in the analysis was obtained from Manatee and Sarasota County and is attached in **Appendix B**. The results of the intersection analysis are summarized in **Table 9** and indicate that all intersections, with the exception of the Lorraine Road/Fruitville Road unsignalized intersection, are currently operating within acceptable level-of-service standards.

**Table 9: Existing Traffic PM Peak-Hour Intersection Operating Conditions**

| Intersection                             | Type         | Overall Intersection LOS |          | Delay<br>(sec/veh) | Max v/c<br>Ratio | Approach LOS   |                |    |    |

1. Delay shown for worst approach

2. Left turn lane level-of-service

3. No left turn lane on approach

The intersection volume tables are provided in **Appendix C**. The 2022 existing traffic Synchro intersection worksheets are provided in **Appendix D**.

## Future Traffic Conditions

Unlike a rezoning or site plan application, a Comprehensive Plan Amendment application generally does not include a build-out horizon year since at the time of application such a year is typically unknown. In order to evaluate the application beyond the current conditions, future short-term and long-range analysis periods were evaluated. A five-year short-term analysis for the year 2027 and a long-range analysis for the horizon year of 2045 were conducted.

### 2027 SHORT-TERM ANALYSIS

A short-term analysis was performed for the year 2027. The short-term analysis traffic volumes consist of the existing traffic plus a background growth rate. Historical 5-year growth rates for each segment within the study area were calculated. At a minimum, a 1.0% annual growth rate

was used to forecast future background traffic. The growth rate calculations are shown in **Table 10**.

**Table 10: Historical Growth Rates**

| Road Name and Segment               | 2015<br>AADT | 2020<br>AADT | 5-Year<br>Growth<br>Rate | Proposed<br>Growth<br>Rate |
|-------------------------------------|--------------|--------------|--------------------------|----------------------------|
| <b>Fruitville Road</b>              |              |              |                          |                            |

| <b>University Parkway</b>           |              |              |                          |                            |
| I-75 to Lakewood Ranch Blvd         | 34,000       | 34,000       | 0.0%                     | 3.0%                       |
| Lakewood Ranch Blvd to Lorraine Rd  | 18,000       | 20,500       | 2.8%                     | 3.0%                       |

In addition, reserved traffic from the Hi-Hat Ranch development was included on top of the background growth rate. 25% of the approved Hi-Hat Ranch traffic was used in the analysis. The Hi-Hat traffic is attached in **Appendix E**. For East-West Roadway B and North-South Roadway B, which are not constructed yet, the background traffic volume was assumed to be 10% of the maximum service volume. Without the subject project or Hi-Hat Ranch, traffic on both roadways is expected to be minimal.

The 2027 short-term background traffic roadway analysis indicates, that like the existing conditions, all roadway segments in the study area will continue to operate within Sarasota County's adopted level-of-service standards except for the segment of Fruitville Road from Sarasota Center Boulevard to Lorraine Road. **Table 11** summarizes the 2027 short-term background traffic PM peak-hour roadway operating conditions. It should be noted that the failing segment of Fruitville Road from Sarasota Center Boulevard to Lorraine Road is currently under design to be widened to a four-lane divided facility.

For the 2027 short-term background traffic intersection analysis, it was assumed that the Lorraine Road/Fruitville Road intersection will be upgraded to a signalized intersection in conjunction with the extension of Lorraine Road south of Fruitville Road. In addition, single-lane roundabouts were assumed to be the intersection control for the three intersections that currently do not exist (University Parkway/Bourneside Boulevard, Fruitville Road/N-S Roadway B, and Fruitville Road/Bourneside Boulevard). The 2027 short-term background traffic intersection analysis indicates that all intersections in the study area will continue to operate within Sarasota County's adopted level-of-service standards except for the Sarasota Center Boulevard/Fruitville Road intersection. **Table 12** summarizes the 2027 short-term background traffic PM peak-hour intersection operating conditions. The intersection volume tables are provided in **Appendix C**. The 2027 background traffic Synchro intersection worksheets are provided in **Appendix F**.

**Table 11: 2027 Background Traffic PM Peak-Hour Roadway Operating Conditions**

| Road Name and Segment                   | Adopted LOS  |                 |                | Exisiting Traffic | Bkgd Growth Rate | Bkgd Growth | Hi-Hat Traffic | 2027 Bkgd Traffic | Exceeds LOS? |
|---|--------------|-----------------|----------------|-------------------|------------------|-------------|----------------|-------------------|--------------|

The anticipated development intensity expected to occur over the five-year short-term planning horizon was added to the background traffic conditions. The 2027 short-term total traffic roadway analysis indicates that, like the 2027 background conditions, all roadway segments in the study area will continue to operate within Sarasota County's adopted level-of-service standards except for the segment of Fruitville Road from Sarasota Center Boulevard to Lorraine Road. **Table 13** summarizes the 2027 short-term total traffic PM peak-hour roadway operating conditions. The addition of the proposed amendment's traffic will not create any additional deficiencies.

**Table 13: 2027 Total Traffic PM Peak-Hour Roadway Operating Conditions**

| Road Name and Segment                   | Adopted LOS  |                 |                | 2027 Bkgd Traffic | 5-YR Project Traffic | 2027 Total Traffic | Exceeds LOS? |

## 2045 LONG-RANGE ANALYSIS

A long-range analysis was performed for the year 2045. For the 2045 long-range analysis, the four-lane widening of Fruitville Road from Sarasota Center Boulevard to Lorraine Road currently under design was assumed to be in place. The long-range analysis used the AADT volumes produced by the D1RPM Cost Feasible network. The AADT was then converted to a peak-hour volume consistent with the K factors Sarasota County uses in their *Generalized LOS Analysis Tables*. The D1RPM Cost Feasible network AADT volume plots are attached in **Appendix H**.

The 2045 peak-hour volumes were checked to ensure that they represented, at a minimum, a one percent annual growth rate from the 2027 background traffic conditions. The 2045 long-range background traffic analysis indicates that all roadway segments in the study area will continue to operate within Sarasota County's adopted level-of-service standards except for the segments of Fruitville Road from Lorraine Road to Bourneside Boulevard and University Parkway from Lakewood Ranch Boulevard to Lorraine Road. **Table 15** summarizes the 2045 long-range background traffic PM peak-hour operating conditions. The deficient roadway segment on Fruitville Road will need to be widened to four lanes and the deficient roadway segment on University Parkway will need to be widened to six lanes.

Table 15: 2045 Background Traffic Peak-Hour Roadway Operating Conditions

| Road Name and Segment                   | Adopted LOS  |                 |                | Background Traffic Volumes |                  |                | DIRPM Volumes |                  |                | 2045  | Exceeds LOS? |
|---|--------------|-----------------|----------------|----------------------------|------------------|----------------|---------------|------------------|----------------|-------|--------------|
|   | LOS Standard | Number of Lanes | Service Volume | 2027 Peak-Hour             | 1% Annual Growth | 2045 Peak-Hour | 2045 AADT     | Peak-Hour Factor | 2045 Peak-Hour |       |              |
| East-West Roadway B                     |              |                 |                |                            |                  |                |               |                  |                |       |              |

The net change in traffic from the CPA was added to the background traffic conditions in 2045. The 2045 long-range total traffic analysis indicates that the net change in traffic from the CPA will create two additional deficiencies beyond what was identified in the background traffic analysis. **Table 16** summarizes the 2045 long-range total traffic PM peak-hour operating conditions. North-South Roadway B from University Parkway to Fruitville Road will need to be widened from two to four lanes. The segment of University Parkway from Lake Osprey Drive to Town Center Boulevard is less than 2% over the maximum service volume. Without the 5% non-state road reduction in maximum service volume (5,390 vehicles per hour), the segment is still anticipated to operate within acceptable level-of-service standards. No improvements are anticipated to be needed.

**Table 16: 2045 Total Traffic PM Peak-Hour Roadway Operating Conditions**

## Conclusion

The applicant proposes to amend Chapter 8 of the Sarasota County Comprehensive Plan to create a new Resource Management Area (RMA) called Village Transition Zone (VTZ). The amendment also proposes to modify the RMA for 4,120 acres from Hamlet to the new VTZ RMA. The proposed land use change will result in a net increase of 1,991 PM peak-hour two-way trip ends.

As the capacity analysis documented in this report demonstrates, the segment of Fruitville Road from Sarasota Center Boulevard to Lorraine Road and the unsignalized Lorraine Road/Fruitville Road intersection are currently over capacity. By the five-year short-term planning horizon, it was assumed that the Lorraine Road/Fruitville Road intersection will be upgraded to a signalized intersection in conjunction with the extension of Lorraine Road south of Fruitville Road. This will correct the existing deficiency.

The segment of Fruitville Road from Sarasota Center Boulevard to Lorraine Road will continue to be over capacity through the five-year short-term planning horizon. The growth in traffic will also cause the Sarasota Center Boulevard/Fruitville Road intersection to be over capacity. The addition of the proposed amendment's traffic will not create any additional roadway or intersection deficiencies within the five-year short-term planning horizon. The failing segment of Fruitville Road from Sarasota Center Boulevard to Lorraine Road is currently under design to be widened to a four-lane divided facility which will correct the deficiency.

By the 2045 long-range planning horizon, the background traffic requires Fruitville Road from Lorraine Road to Bourneside Boulevard to be widened from two to four lanes and University Parkway from Lakewood Ranch Boulevard to Lorraine Road to be widened from four to six lanes. The addition of the proposed amendment's traffic creates one additional deficiency - the widening of North-South Roadway B from University Parkway to Fruitville Road from two to four lanes. Appropriate transportation mitigation shall be addressed as part of the DOCC analysis and/or at the development order stage when detailed development and phasing plans are created.

**Reference: Lakewood Ranch SE Comprehensive Plan Amendment  
Transportation Methodology Statement - Revised**

Dear Ms. Wiggins

This letter serves to summarize the Transportation Methodology for the subject project for your approval. The proposed Comprehensive Plan Amendment (CPA) will amend Chapter 8 of the Comprehensive Plan to create a new Resource Management Area (RMA) called Village Transition Zone (VTZ). The amendment also proposes to modify the RMA for 4,111 acres from Hamlet to the new VTZ RMA. The proposed development is located east of Lorraine Road between University Parkway and Fruitville Road. The boundary for the CPA is attached. **Table 1** shows the maximum development intensities allowed under the existing and proposed RMA.

**Table 1: Maximum Development**

| Scenario | Land Use Designation        | Maximum Density   | Development Size |                     |
|----------|-----------------------------|---|------------------|---------------------|
|          |                             |   | Acres            | Maximum Development |
| Existing | Hamlet RMA                  | 60% open space at a maximum of 1 du / developed area              | 4,111            | 1,644 du            |
|          |                             | 10,000 square feet per Hamlet                                     |                  | 50,000 sf           |
| Proposed | Village Transition Zone RMA | 50% open space at a maximum of 2 du / developed area <sup>1</sup> | 4,111            | 5,000 du            |

*1. This represents the base density. With anticipated bonus provisions, it is anticipated that a maximum of 5,000 dwelling units may be constructed.*

The Comprehensive Plan Amendment analysis will evaluate the short-term (5-year) and long range (2045) planning horizons for the net change in development potential. The following is a summary of the methodology.

**Trip Generation**

The transportation analysis will be based on the PM peak-hour time periods. Traffic volumes generated by the project will be estimated using the Institute of Transportation Engineers (ITE),

 Transportation Methodology Statement - Revised**

*Trip Generation – the 11<sup>th</sup> Edition (2021)*. Land Use Code (LUC) 270 (Residential Planned Unit Development), LUC 710 (General Office Building), and LUC 822 (Strip Retail Plaza (<40k)) will be used to estimate the trip generation potential.

**Short-Term Analysis**

The short-term analysis will evaluate the anticipated development intensity expected to occur over the five-year short-term planning horizon. It is assumed that 300 units per year will be constructed over the five-year period. **Table 2** shows the short-term PM peak-hour trip generation.

**Table 2: Short-Term PM Peak-Hour Trip Generation**

| ITE Land Use Category                      | Variable | Size  | Trip Rate/ Equation          | Enter Split | Exit Split | PM Peak Total Trips |       |      |
|--|----------|-------|------------------------------|-------------|------------|---------------------|-------|------|
|  |          |       |                              |             |            | Total               | Enter | Exit |
| Residential Planned Unit Development - 270 | Per Unit | 1,500 | $\ln(T) = 0.97\ln(x) - 0.14$ | 65%         | 35%        | 1,047               | 681   | 366  |

**Long-Range Analysis**

The long-range analysis will evaluate the net change in maximum development potential between the existing and proposed future land use categories. The estimated net change in PM peak-hour trip generation is 1,993 vehicles per hour (vph). The net change PM peak-hour trip generation is shown in **Table 3**.

**Table 3: Net Change in PM Peak-Hour Trip Generation**

| Scenario          | ITE Land Use Category                      | Variable | Size   | Trip Rate/ Equation          | Enter Split | Exit Split | PM Peak Total Trips |              |            |
|-------------------|--|----------|--------|------------------------------|-------------|------------|---------------------|--------------|------------|
|                   |  |          |        |                              |             |            | Total               | Enter        | Exit       |
| Existing Land Use | Residential Planned Unit Development - 270 | Per Unit | 1,644  | $\ln(T) = 0.97\ln(x) - 0.14$ | 65%         | 35%        | 1,145               | 744          | 401        |
|                   | General Office Building - 710              | Per ksf  | 12,500 | $\ln(T) = 0.83\ln(x) + 1.29$ | 17%         | 83%        | 30                  | 5            | 25         |
|                   | Strip Retail Plaza (<40k) - 822            | Per ksf  | 37,500 | $\ln(T) = 0.71\ln(x) + 2.72$ | 50%         | 50%        | 199                 | 100          | 99         |
|                   | <b>Total</b>                               |          |        |                              |             |            | <b>1,374</b>        | <b>849</b>   | <b>525</b> |

Transportation Methodology Statement - Revised**

**Trip Distribution**

The project traffic will be distributed based on the current version of the FDOT D1 Districtwide Regional Planning Model (D1RPM) v2.0 2045 Cost Feasible network. The four-lane widening of Fruitville Road from Sarasota Center Boulevard to Lorraine Road and the addition of Sarasota County's Future Thoroughfare Roadways not currently in the model will be added to the model. The added thoroughfare roads include:

- Bourneside Boulevard/North-South Roadway B from University Parkway to Lorraine Road
- The Bee Ridge Extension from Lorraine Road to North-South Roadway B
- East-West Roadway B from Bourneside Boulevard to Verna Road

In addition, the socioeconomic (SE) data for Hi-Hat Ranch, which incorporates all/parts of TAZ 5537, TAZ 5692, and TAZ 5693, were reviewed. TAZ boundaries were not adjusted, only a review of the SE data was conducted. Hi-Hat Ranch is approved for 13,081 dwelling units, 300,000 square feet of commercial, and 150,000 square feet of office. **Table 4** shows the 2015 SE data and **Table 5** shows the 2045 SE data in TAZs 5537, 5692, and 5693.

**Table 4: 2015 Socioeconomic Data**

Transportation Methodology Statement - Revised**

As shown in **Table 4** and **Table 5**, the 2045 SE data underestimates the approved residential units, commercial employees, and service employees while overestimating the number of industrial employees. The 2045 SE data will be adjusted to incorporate the Hi-Hat Ranch approvals. The Hi-Hat Ranch SE data will be added on top of the 2015 SE data in TAZ 5537 in which Hi-Hat Ranch only incorporates a portion of the TAZ. The resulting modified SE data is shown in **Table 6**.

**Table 6: Modified 2045 Socioeconomic Data**

| ZONE         | SFDU        | MFDU        | RESDHLD      | IND<br>EMP | COMM<br>EMP      | SERV<br>EMP      | TOT<br>EMP  |

| <b>Total</b> | <b>9367</b> | <b>4150</b> | <b>13517</b> | <b>41</b>  | <b>627</b>       | <b>653</b>       | <b>1321</b> |

1. Assumed 1 employee per 500 square feet.

2. Assumed 1 employee per 250 square feet.

**00** = Updated SE Data

The distribution of project traffic from the site is shown in the attached Figure. A manual adjustment was made to reduce the amount of traffic interacting with TAZ 5539, located east of the project on the south of Fruitville Road, from 4.2% to 1%. The 3.2% of traffic interacting with that TAZ was redistributed to the west on Fruitville Road to interact with areas west of I-75 (2.2%) and south on I-75 (1%).

**Study Area**

The study area will consist of the arterial and collector roads where:

- Project traffic equals or exceeds five percent of the adopted service volume as specified in Sarasota County's *Generalized Level of Service Volume Tables*, for all applicable county and state roads.
- Any thoroughfare road segment to which the development has a direct access or which the development accesses via local and private roads.

It is anticipated that 11 regulated roadway segments will meet the aforementioned criteria and will be included in the study area. A preliminary study area determination is shown in **Table 7**.

 Transportation Methodology Statement - Revised**

A segment analysis of all study area roadways will be performed for the existing, short-term, and long-range planning horizon scenarios. Intersection analysis will be performed at the following intersections for the existing and short-term planning horizon scenarios.

- Fruitville Rd at Lorraine Rd
- Fruitville Rd at Sarasota Center Blvd
- Fruitville Rd at N-S Roadway B
- Fruitville Rd at Bourneside Blvd
- University Pkwy at Lake Osprey Dr
- University Pkwy at Town Center Pkwy
- University Pkwy at Lakewood Ranch Blvd
- University Pkwy at Lorraine Rd
- University Pkwy at Bourneside Blvd

1. Existing Traffic:

Will be based on the PM peak-hour volumes listed in Sarasota County's *Generalized Level of Service Volume Tables*.

2. Future Traffic (Non-Project):

The short-term analysis will be based on individual growth rates per roadway segment to forecast 2027 traffic volumes. use a 3% annual growth rate to forecast the volumes in Sarasota County's Generalized Level of Service Volume Tables to 2027 traffic volumes. This is based on historical 5-year growth rates in the study area. The growth rate calculation and proposed growth rates are shown in Table 8. In addition to the background growth rate, 25% of the total Hi-Hat Ranch trips will be used for the analysis.

**Table 8: Historical Growth Rates**

| Road Name and Segment               | 2015<br>AADT | 2020<br>AADT | 5-Year<br>Growth<br>Rate | Proposed<br>Growth<br>Rate |
|-------------------------------------|--------------|--------------|--------------------------|----------------------------|
| <b>Fruitville Road</b>              |              |              |                          |                            |
| Sarasota Center Blvd to Lorraine Rd | 7,858        | 16,154       | 21.1%                    | 5.0%                       |
| Lorraine Rd to Verna Rd             | 6,758        | 5,523        | -3.7%                    | 1.0%                       |
| <b>University Parkway</b>           |              |              |                          |                            |
| I-75 to Lakewood Ranch Blvd         | 34,000       | 34,000       | 0.0%                     | 3.0%                       |
| Lakewood Ranch Blvd to Lorraine Rd  | 18,000       | 20,500       | 2.8%                     | 3.0%                       |

The long-range analysis will be based on the 2045 AADT from the FDOT D1RPM, converted to peak-hour volumes consistent with the K factors used in Sarasota County's

Transportation Methodology Statement - Revised**

*Generalized Level of Service Volume Tables.* At a minimum, a one percent annual growth rate from the existing traffic conditions will be used.

**Analysis Scenarios**

The analysis will be undertaken for the following scenarios:

1. Existing traffic will be evaluated within the established study area.
2. Existing traffic plus Future traffic will be evaluated for 2027.
3. Existing traffic plus Future traffic plus net change in development potential will be evaluated for 2027.
4. Existing traffic plus Future traffic will be evaluated for 2045.
5. Existing traffic plus Future traffic plus net change in development potential will be evaluated for 2045.

**Analysis Procedures**

All analyses for study area intersections and roadways will be conducted in a manner consistent with the procedures and assumptions utilized by Sarasota County and contained in Resolution No. 2019-106. Specifically, the subject analyses will utilize the ITE Rates (the 11<sup>th</sup> Edition), and Sarasota County's *Generalized Level of Service Tables*.

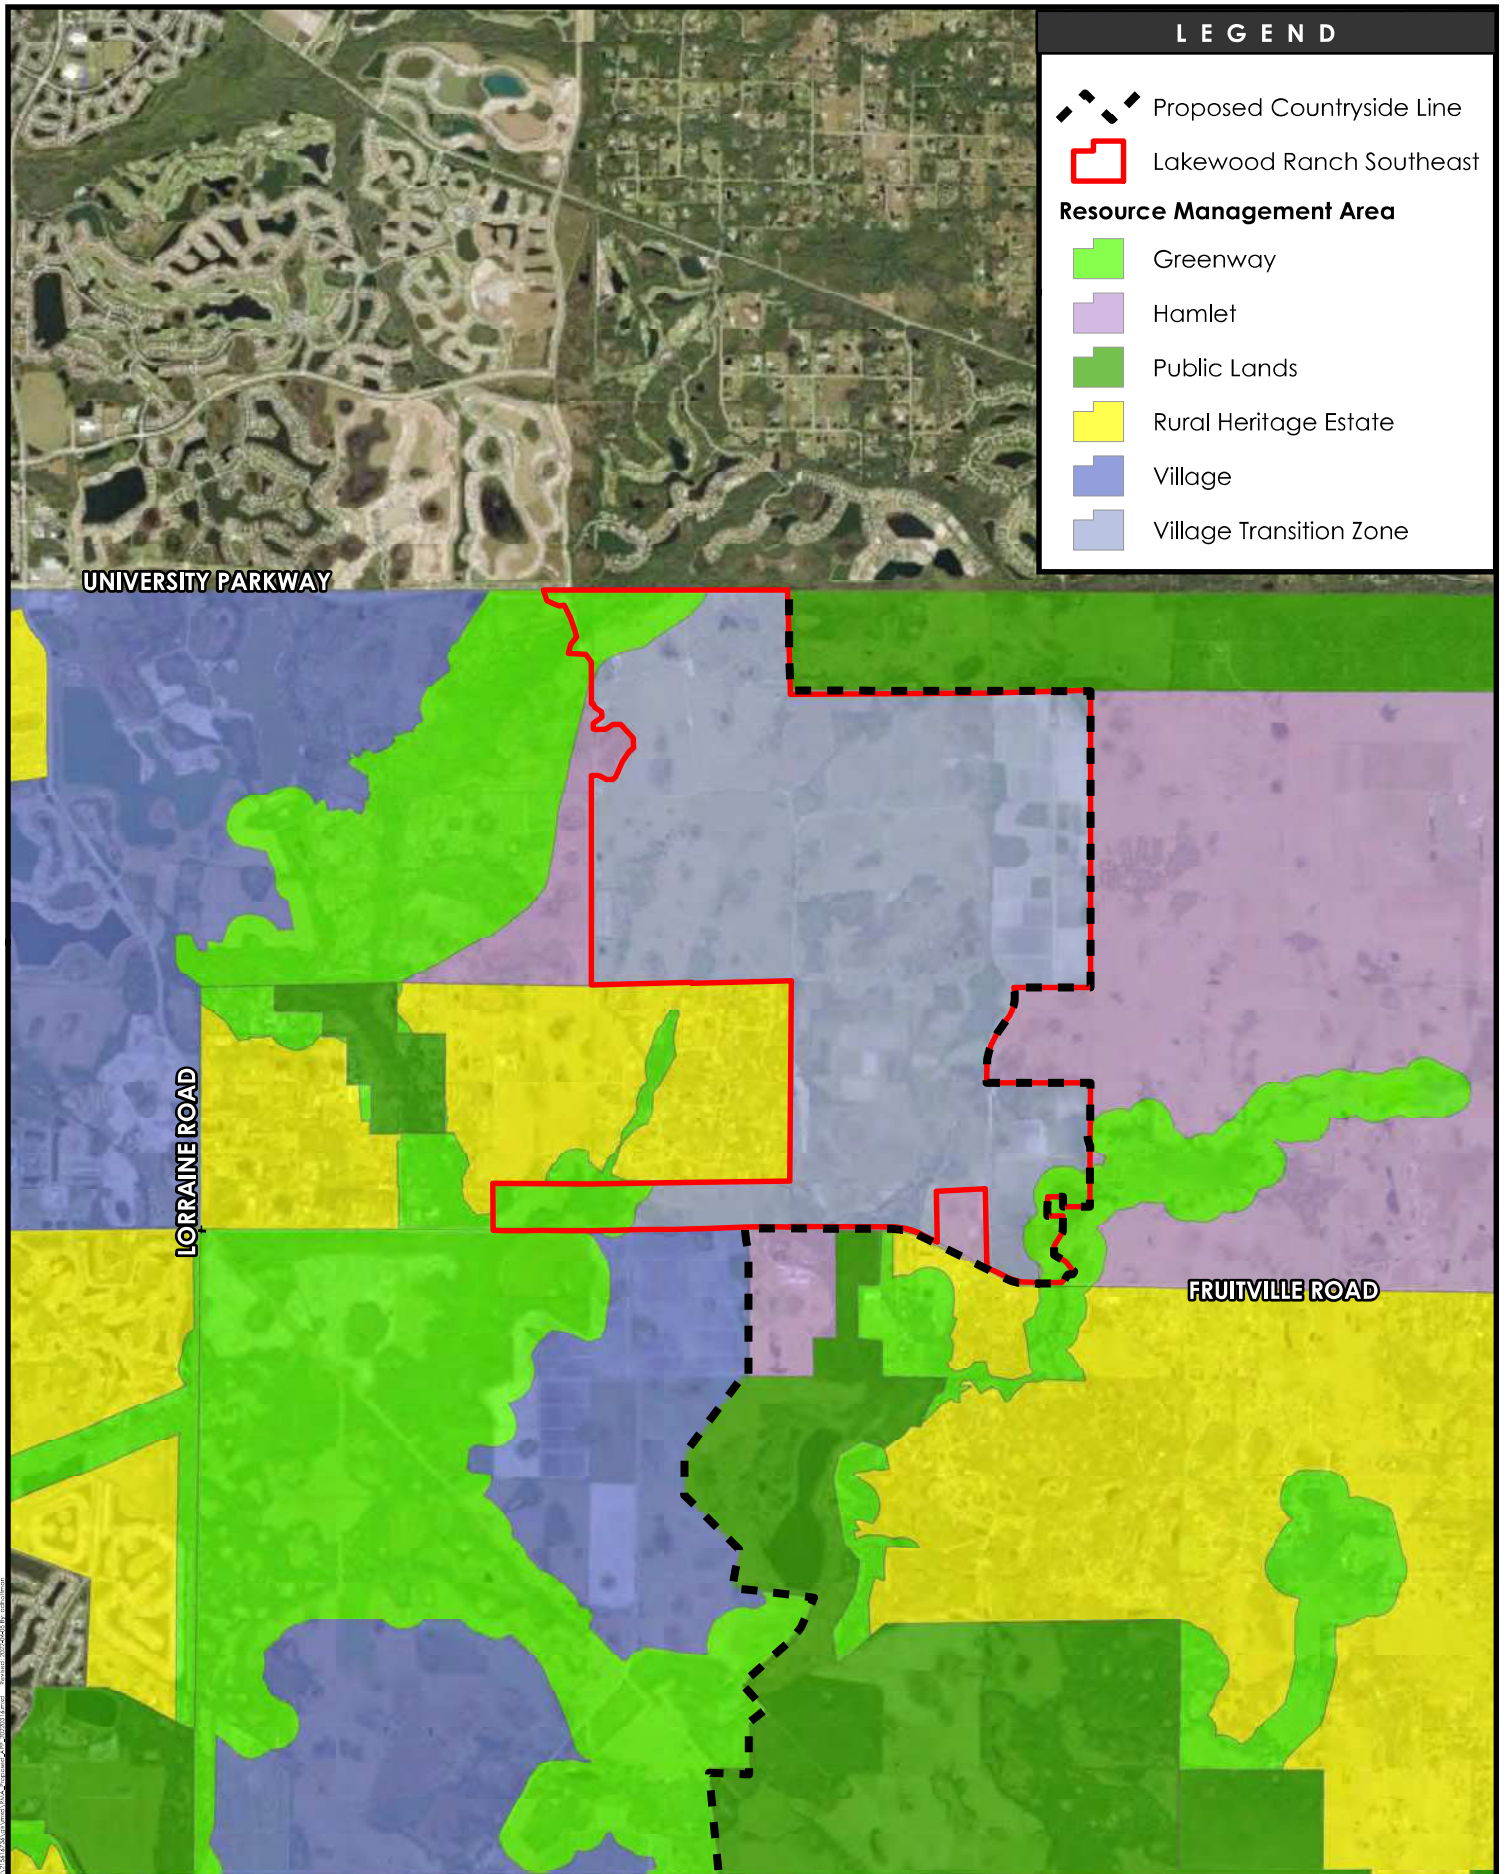

If the above methodology is acceptable, please send written confirmation so we can proceed with the study. Should you have any questions, please feel free to contact me.

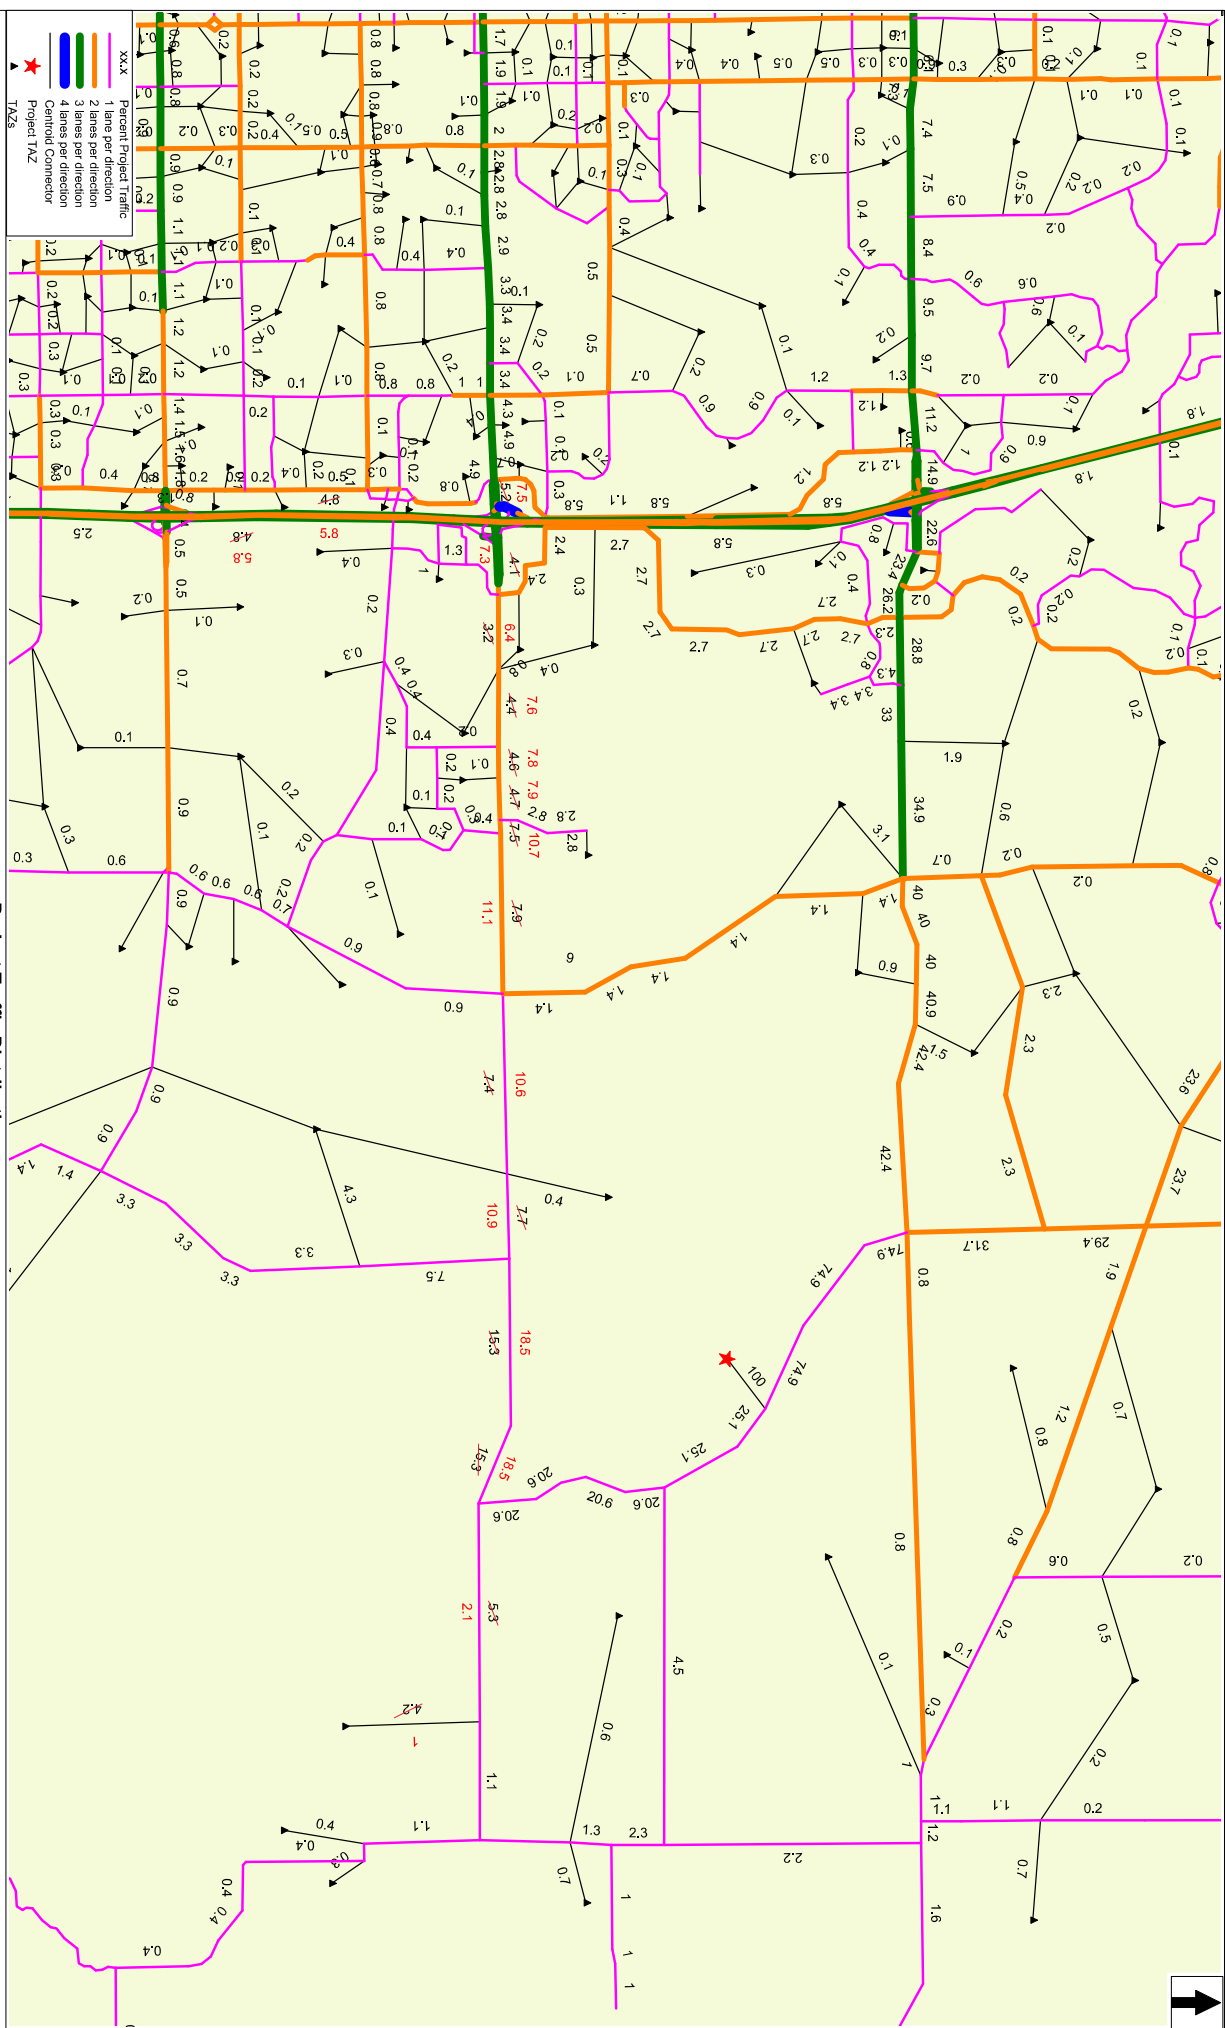

Sincerely,

**Stantec Consulting Services Inc.**

## SCHOOL IMPACT ANALYSIS

**THE SCHOOL BOARD OF SARASOTA COUNTY, FLORIDA  
PLANNING DEPARTMENT  
SCHOOL IMPACT ANALYSIS APPLICATION  
LETTER OF RECEIPT**

**TO THE LOCAL GOVERNMENT DEVELOPMENT REVIEW STAFF:**

The School District has received a residential development application to be reviewed for school concurrency. The project has been assigned the following school concurrency application number:

**SCHOOL CONCURRENCY APPLICATION NUMBER: 22-045**

|                             |   |
|-----------------------------|---|
| <b>DATE OF RECEIPT</b>      | <b>May 10, 2022 (Expires May 10, 2024)</b>  |
| <b>DELIVERY METHOD</b>      | <b>FEDEX</b>  |
| <b>REVIEWING GOVERNMENT</b> | <b>Sarasota County</b>  |
| <b>PROJECT NAME</b>         | <b>Lakewood Ranch Southeast – CPA – 5,000 SF DU</b>                               |
| <b>PROJECT LOCATION</b>     | <b>South of University, North of Fruitville Rd, East of Lorraine Rd, Sarasota</b> |
| <b>OWNER/AGENT</b>          | <b>Katie LaBarr, AICP, Stantec, Agent</b>   |

**OWNER/AGENT PLEASE NOTE:**

This letter of receipt must be included as part of the development review package for submittal to the appropriate local governmental agency for all residential development, including comprehensive plan amendments, rezones and subdivision plats. **School concurrency capacity is not reserved nor guaranteed for comprehensive plan amendments or rezones. A School Concurrency Determination will be required at the time of the submittal for the final site plan or plat.** All subdivision plats for this project must be approved within two years of the original date of the letter or a new letter of receipt will need to be issued by school district staff.

Upon receipt of notice from the appropriate local government's Case Planner, a letter of the final results of the School Impact Analysis for comprehensive plan amendments or rezones shall be provided to the local government planner within the time frames set by each local government for their respective development review processes.

For information regarding the school concurrency review process, please contact the School District's Planning Department at 941-927-9000 extension 69052.

**ORDINANCE NO. 2014-090**

AN ORDINANCE OF THE COUNTY OF SARASOTA, FLORIDA, AMENDING THE OFFICIAL ZONING ATLAS, AS PART OF SARASOTA COUNTY ORDINANCE NO. 2003-052, CODIFIED IN APPENDIX A TO THE SARASOTA COUNTY CODE, RELATING TO ZONING WITHIN THE UNINCORPORATED AREA OF SARASOTA COUNTY, PROVIDING FINDINGS; PROVIDING FOR AMENDMENT OF THE ZONING ATLAS; PROVIDING RESTRICTIONS, STIPULATIONS AND SAFEGUARDS; AND PROVIDING AN EFFECTIVE DATE.

FILED FOR THE RECORD  
2014 DEC 12 PM 3:2  
CLERK OF THE CIRCUIT COURT  
IN AND FOR THE COUNTY OF SARASOTA, FLORIDA

BE IT ORDAINED BY THE BOARD OF COUNTY COMMISSIONERS OF SARASOTA COUNTY, FLORIDA:

Section 1. Findings. The Board of County Commissioners, hereinafter referred to as the "Board," hereby makes the following findings:

A. The Board has received and considered the report of the Sarasota County Planning Commission concerning Rezoning Petition No. 14-15, requesting rezoning of the property described herein.

B. The Board has held a public hearing on the proposed rezoning of the property described herein in accordance with the requirements of Sarasota County Ordinance No. 2003-052, codified in Appendix A of the Sarasota County Code (hereinafter "the Zoning Ordinance"), and has considered the information received at said public hearing.

C. The rezoning herein granted is consistent with the Sarasota County Comprehensive Plan and meets the requirements of the Zoning Ordinance.

D. Pursuant to the provisions of Article VII of Chapter 94 of the Sarasota County Code, an evaluation has been completed of the impacts that the proposed rezoning of the property described herein will have on the levels of service for parks, drainage, solid waste, roads, mass transit and water and sewer systems. With the exception of the provisions of Section 3 of this Ordinance, adequate levels of service are anticipated to be available.

Section 2. Amendment of the Zoning Ordinance. The Official Zoning Atlas, adopted under Article 4 of the Zoning Ordinance, is hereby amended by changing the zoning district classification from OUR (Open Use, Rural) and OUE (Open Use Estate) to the HPD (Hamlet Planned Development) zone district for the following described property located in Sarasota County, Florida:

PARCEL C

ALL OF SECTION 17, TOWNSHIP 36 S, RANGE 20 E, SARASOTA COUNTY, FLORIDA

PARCEL D

THE N 1/2 OF SECTION 20, LYING N OF FRUITVILLE-MYAKKA HARD ROAD, TOWNSHIP 36 S, RANGE 20 E, SARASOTA COUNTY, FLORIDA, LESS LANDS DESCRIBED IN O.R. BOOK 1837, PAGE 1811 AND O.R. BOOK 3014, PAGE 543, PUBLIC RECORDS OF SARASOTA COUNTY, FLORIDA.

PARCEL E

PART OF THE W 1/2 OF SECTION 20, TOWNSHIP 36 S, RANGE 20 E, SARASOTA COUNTY, FLORIDA, AS MORE FULLY DESCRIBED IN O.R. BOOK 798, PAGE 577, PUBLIC RECORDS OF SARASOTA COUNTY, FLORIDA

PARCEL F

PROPERTY IN SECTION 20, TOWNSHIP 36 S, RANGE 20 E, SARASOTA COUNTY, FLORIDA, DESCRIBED IN O.R. BOOK 826, PAGE 558, PUBLIC RECORDS OF SARASOTA COUNTY, FLORIDA.

PARCEL H

THE N 1/2 OF THE NW 1/4 AND THE N 1/2 OF THE NE 1/4 OF SECTION 19, TOWNSHIP 36 S, RANGE 20 E, SARASOTA COUNTY, FLORIDA.

PARCEL I

THE N 1/2 OF THE NE 1/4 OF SECTION 24, LYING N OF MYAKKA ROAD, IN TOWNSHIP 36 S, RANGE 19 E, SARASOTA COUNTY, FLORIDA.

PIONEER PARCEL

BEGIN AT THE INTERSECTION OF THE EAST LINE OF SECTION 20, TOWNSHIP 36 SOUTH, RANGE 20 EAST, WITH THE NORTHERLY RIGHT OF WAY LINE OF FRUITVILLE ROAD AS IT NOW EXISTS, AND RUN NORTH ALONG THE EAST LINE OF SAID SECTION 20, A DISTANCE OF 1330.00 FEET; THENCE WEST PERPENDICULAR TO SAID EAST LINE; A DISTANCE OF 550.00 FEET; THENCE RUN SOUTH PARALLEL WITH THE EAST LINE OF SAID SECTION 20, TO THE AFORESAID NORTHERLY RIGHT OF WAY LINE; THENCE SOUTHEASTERLY ALONG SAID RIGHT OF WAY LINE TO THE POINT OF BEGINNING. LYING AND BEING IN SECTION 20, TOWNSHIP 36 SOUTH, RANGE 20 EAST, SARASOTA COUNTY, FLORIDA. CONTAINING 15 ACRES, MORE OR LESS. SUBJECT TO ANY PERTINENT EASEMENTS AND RIGHTS OF WAY OF RECORD.

ROAD PARCEL

TOGETHER WITH A PORTION OF OLD FRUITVILLE-MYAKKA HARD ROAD

DESCRIBED IN O.R. BOOK 3014, PAGE 540, PUBLIC RECORDS OF SARASOTA COUNTY, FLORIDA.

**LESS THE FOLLOWING DESCRIBED PARCEL:**

THAT PART OF SECTION 20, TOWNSHIP 36 SOUTH, RANGE 20 EAST, SARASOTA COUNTY FLORIDA BEING DESCRIBED AS FOLLOWS:

BEGIN AT THE INTERSECTION OF THE EAST LINE OF SAID SECTION 20 WITH THE NORTHERLY RIGHT OF WAY LINE OF FRUITVILLE ROAD (STATE ROAD #780) AS PER OFFICIAL RECORDS BOOK 3014, PAGE 543 OF THE PUBLIC RECORDS OF SARASOTA COUNTY, FLORIDA; THENCE ALONG THE SAID NORTHERLY RIGHT OF WAY LINE OF FRUITVILLE ROAD, N.63°31'20"W., 1502.14 FEET; THENCE LEAVING SAID RIGHT OF WAY LINE, N.00°53'28"W., 1399.00 FEET; THENCE N.89°06'32"E., 1334.00 FEET TO THE SAID EAST LINE OF SECTION 20; THENCE ALONG SAID EAST LINE OF SECTION 20, S.00°53'28"E., 2089.56 FEET TO THE POINT OF BEGINNING AND CONTAINING 2,326,870.32 SQUARE FEET OR 53.418 ACRES MORE OR LESS.

SUBJECT TO EASEMENTS, RESTRICTIONS AND/OR RIGHTS OF WAY OF RECORD, IF ANY.

**TOGETHER WITH:**

DESCRIPTION: NORTH 100FT. WIDE INGRESS/EGRESS EASEMENT COMMENCING AT THE SOUTHWEST CORNER OF SECTION 8, TOWNSHIP 36 SOUTH, RANGE 20 EAST; THENCE S 88°01'40"E ALONG THE SOUTH LINE OF SAID SECTION 8, A DISTANCE OF 181.65 FEET TO THE POINT OF BEGINNING; THENCE N 35°15'00" W, A DISTANCE OF 310.84 FEET; THENCE N 00° 29' 40" E, A DISTANCE OF 3920.69 FEET; THENCE N 26° 12' 00" W, A DISTANCE OF 222.60 FEET; THENCE N 00° 29' 40" E, A DISTANCE OF 311.20 FEET; THENCE N 19° 40' 00" W, A DISTANCE OF 421.52 FEET; THENCE N 30° 25' 00" E, A DISTANCE OF 365.50 FEET; THENCE N 01° 32' 06" W, A DISTANCE OF 1799.66 FEET; THENCE N 34° 55' 00" W, A DISTANCE OF 481.71 FEET; THENCE N 33° 35' 00" E, A DISTANCE OF 341.57 FEET; THENCE N 22°39'00" W, A DISTANCE OF 824.02 FEET; THENCE N 08°45'00" W, A DISTANCE OF 623.74 FEET TO THE POINT OF CURVATURE OF A CURVE TO THE RIGHT HAVING A RADIUS OF 425.00 FEET; THENCE NORTHERLY ALONG THE ARC OF SAID CURVE TO THE RIGHT, A DISTANCE OF 411.68 FEET THROUGH A CENTRAL ANGLE OF 55° 30' 00" TO THE POINT OF TANGENCY, THENCE N 46° 45' 00" E, A DISTANCE OF 197.17 FEET TO THE POINT OF CURVATURE OF A CURVE TO THE LEFT HAVING A RADIUS OF 175.00 FEET; THENCE NORTHERLY ALONG THE ARC OF SAID CURVE TO THE LEFT, A DISTANCE OF 123.24 FEET THROUGH A CENTRAL ANGLE OF 40° 21' 00" TO THE POINT OF TANGENCY; THENCE N 06° 24' 00" E, A DISTANCE OF 368.37 FEET; THENCE N 01° 32' 06" W, A DISTANCE OF 349.39 FEET; THENCE N 89° 59' 49" E ALONG THE NORTH LINE OF SECTION 6, TOWNSHIP 36 SOUTH, RANGE 20 EAST, A DISTANCE OF 100.04 FEET TO THE NORTHEAST CORNER OF SAID SECTION 6; THENCE S 01° 32' 06" E ALONG THE EAST LINE OF SAID SECTION 6, A DISTANCE OF 353.65 FEET; THENCE S 06°24' 00" W, A DISTANCE OF 375.30 FEET TO THE POINT OF

CURVATURE OF A CURVE TO THE RIGHT HAVING A RADIUS OF 275.00 FEET; THENCE SOUTHERLY ALONG THE ARC OF SAID CURVE TO THE RIGHT, A DISTANCE OF 193.67 FEET THROUGH A CENTRAL ANGLE OF 40° 21' 00" TO THE POINT OF TANGENCY; THENCE S 46°45'00" W, A DISTANCE OF 197.17 FEET TO THE POINT OF CURVATURE OF A CURVE TO THE LEFT HAVING A RADIUS OF 325.00 FEET; THENCE SOUTHERLY ALONG THE ARC OF SAID CURVE TO THE LEFT, A DISTANCE OF 314.81 FEET THROUGH A CENTRAL ANGLE OF 55° 30' 00" TO THE POINT OF TANGENCY; THENCE S 08° 45' 00" E, A DISTANCE OF 611.55 FEET; THENCE S 22°39'00" E, A DISTANCE OF 865.26 FEET; THENCE S 33°35'00" W, A DISTANCE OF 326.91 FEET; THENCE S 34°55' 00" E, A DISTANCE OF 443.60 FEET; THENCE S 01° 32' 06" E, A DISTANCE OF 1858.28 FEET; THENCE S 30° 25' 00" W, A DISTANCE OF 347.41 FEET; THENCE S 19° 40' 00" E, A DISTANCE OF 392.58 FEET; THENCE S 00° 29' 40" W, A DISTANCE OF 305.07 FEET; THENCE S 26° 12' 00" E, A DISTANCE OF 222.60 FEET; THENCE S 00°29'40" W, A DISTANCE OF 3912.17 FEET; THENCE S 35°15'00" E, A DISTANCE OF 354.56 FEET; THENCE N 88°01' 40" W ALONG THE SOUTH LINE OF SAID SECTION 8, A DISTANCE OF 125.58 FEET TO THE POINT OF BEGINNING.

LYING AND BEING IN SECTIONS 5, 6, 7 AND 8, TOWNSHIP 36 SOUTH, RANGE 20 EAST, SARASOTA COUNTY, FLORIDA

CONTAINING 25.42 ACRES

SUBJECT TO:

DESCRIPTION: SOUTH 100 FT. WIDE INGRESS/EGRESS EASEMENT

COMMENCING AT THE NORTHWEST CORNER OF SECTION 17, TOWNSHIP 36 SOUTH, RANGE 20 EAST ALSO BEING THE SOUTHWEST CORNER OF SECTION 8, TOWNSHIP 36 SOUTH, RANGE 20 EAST; THENCE RUN S 88° 01' 40" E ALONG THE NORTH LINE OF SAID SECTION 17, A DISTANCE OF 181.65 FEET TO THE POINT OF BEGINNING; THENCE S 88° 01' 40" E CONTINUING ALONG SAID NORTH LINE A DISTANCE OF 125.58 FEET; THENCE SOUTH 35° 15' 00" E, A DISTANCE OF 237.08 FEET; THENCE S 00°19'03" W, A DISTANCE OF 704.73 FEET TO THE POINT OF CURVATURE OF A CURVE TO THE RIGHT HAVING A RADIUS OF 1000.00 FEET; THENCE SOUTHERLY ALONG THE ARC OF SAID CURVE TO THE RIGHT, A DISTANCE OF 520.98 FEET THROUGH A CENTRAL ANGLE OF 29° 51' 00" TO THE POINT OF TANGENCY; THENCE S 30° 10' 04" W, A DISTANCE OF 186.70 FEET TO THE POINT OF CURVATURE OF A CURVE TO THE LEFT HAVING A RADIUS OF 900.00 FEET; THENCE SOUTHERLY ALONG THE ARC OF SAID CURVE TO THE LEFT, A DISTANCE OF 468.88 FEET THROUGH A CENTRAL ANGLE OF 29° 51' 00" TO THE POINT OF TANGENCY; THENCE S 00°19' 03" W, A DISTANCE OF 697.61 FEET; THENCE S 00°19'18" W, A DISTANCE OF 50.37 FEET TO THE POINT OF CURVATURE OF A CURVE TO THE LEFT HAVING A RADIUS OF 171.00 FEET; THENCE SOUTHERLY ALONG THE ARC OF SAID CURVE TO THE LEFT, A DISTANCE OF

120.66 FEET THROUGH A CENTRAL ANGLE OF 40° 25' 40" TO A POINT OF REVERSE CURVATURE WITH A CURVE TO THE RIGHT HAVING A RADIUS OF 262.00 FEET; THENCE SOUTHERLY ALONG THE ARC OF SAID CURVE TO THE RIGHT, A DISTANCE OF 344.56 FEET THROUGH A CENTRAL ANGLE OF 75° 21' 00" TO THE POINT OF TANGENCY; THENCE S 36°30'00" W, A DISTANCE OF 79.21 FEET; THENCE S 00°19'18" W, A DISTANCE OF 2165.64 FEET; THENCE S 00° 24' 24" W, A DISTANCE OF 1234.95 FEET; THENCE S 89° 44' 04" W ALONG THE NORTHERLY RIGHT OF WAY LINE OF FRUITVILLE ROAD PER O.R. BOOK 3014, PAGE 543, A DISTANCE OF 100.01 FEET; THENCE N 00° 24' 24" E ALONG THE WEST LINE OF SECTION 20, TOWNSHIP 36 SOUTH, RANGE 20 EAST A DISTANCE OF 1236.05 FEET TO THE NORTHWEST CORNER OF SAID SECTION 20; THENCE N 00° 19' 18" E ALONG THE WEST LINE OF SECTION 17, TOWNSHIP 36 SOUTH, RANGE 20 EAST, A DISTANCE OF 2198.23 FEET; THENCE N 36° 30' 00" E, A DISTANCE OF 111.87 FEET TO THE POINT OF CURVATURE OF A CURVE TO THE LEFT HAVING A RADIUS OF 162.00 FEET; THENCE NORTHERLY ALONG THE ARC OF SAID CURVE TO THE LEFT, A DISTANCE OF 213.05 FEET THROUGH A CENTRAL ANGLE OF 75°21'00" TO THE POINT OF REVERSE CURVATURE WITH A CURVE TO THE RIGHT HAVING A RADIUS OF 271.00 FEET; THENCE NORTHERLY ALONG THE ARC OF SAID CURVE TO THE RIGHT, A DISTANCE OF 190.00 FEET THROUGH A CENTRAL ANGLE OF 40°10'10" TO THE POINT OF TANGENCY; THENCE N 00° 19' 18" E ALONG THE SAID WEST LINE OF SECTION 17, A DISTANCE OF 49.40 FEET; THENCE N 00° 19' 03" E CONTINUING ALONG SAID WEST LINE, A DISTANCE OF 697.60 FEET TO A POINT OF CURVATURE OF A CURVE TO THE RIGHT HAVING A RADIUS OF 1000.00 FEET; THENCE NORTHERLY ALONG THE ARC OF SAID CURVE TO THE RIGHT A DISTANCE OF 520.98 FEET THROUGH A CENTRAL ANGLE OF 29° 51' 00" TO THE POINT OF TANGENCY; THENCE N 30°10'04" E, A DISTANCE OF 186.70 FEET TO THE POINT OF CURVATURE OF A CURVE TO THE LEFT HAVING A RADIUS OF 900.00 FEET; THENCE NORTHERLY ALONG THE ARC OF SAID CURVE TO THE LEFT, A DISTANCE OF 468.88 FEET THROUGH A CENTRAL ANGLE OF 29° 51' 00" TO THE POINT OF TANGENCY; THENCE N 00°19'03" E, A DISTANCE OF 672.65 FEET; THENCE N 35°15'00" W, A DISTANCE OF 280.97 FEET TO THE POINT OF BEGINNING.

LYING AND BEING IN SECTIONS 17 AND 20, TOWNSHIP 36 SOUTH, RANGE 20 EAST, SARASOTA COUNTY, FLORIDA.

CONTAINING 15.65 ACRES

Section 3. Restrictions, Stipulations and Safeguards. As used in the stipulations hereinafter set forth, the term "Owner" shall refer to the owner or owners of the property described in Section 2 and their successors and assigns. Upon recording in the public records of Sarasota County, these stipulations shall be covenants running with the land. The use of the property described in Section 2 of this Ordinance, in addition to the applicable restrictions imposed by the Zoning Ordinance, is hereby further limited by and subject to the following restrictions, stipulations and safeguards:

1. Development shall take place in substantial accordance with the Master Land Use Plan dated September 18, 2014, and attached hereto as Exhibit "A", and the Fiscal Neutrality Plan dated September 3, 2014, except as necessary to comply with the stipulations herein. This does not imply or confer any variances from applicable zoning or land development regulations.
2. Prior to or concurrent with the development of the subject parcel, the owner shall construct eastbound to northbound left-turn lanes at the intersections of the east and west driveways on Fruitville Road. The turn lanes shall be designed in accordance with Indexes 301 and 526 of the Florida Department of Transportation's Roadway and Traffic Design Standards. The improvements shall be included in the construction plans for the development.
3. The wetlands, mesic hammocks, pine flatwoods, restoration areas, and other uplands shall be maintained in accordance with the management guidelines contained within the Comprehensive Plan as preserves and shall be labeled as preserves on all plans. All activities including but not limited to filling, excavating, well drilling, altering vegetation (including trimming of both trees and understory) and storing of materials shall be prohibited within preservation areas, except where approved by Environmental Protection Division through: 1) the Resource Management Plan for the project, or 2) specific written approval of hand removal of nuisance or exotic vegetation. Minor impacts to on-site wetlands resulting from unavoidable impacts necessitated by internal parcel roadway and infrastructure requirements, may be allowed if deemed consistent with LDR Environmental Technical Manual Section B.2. by the Environmental Protection Division.
4. All native habitat preservation\conservation areas (including upland buffers) adjacent to development areas shall have permanent markers and signage posted at regular intervals to clarify the limits of the protected areas.
5. The Master Surface Water Management Plan shall be consistent with the Upper Myakka River and Cowpen Slough Basin Master Plans.
6. The development is required to connect to Sarasota County Public Utilities Water, Wastewater and Reclaimed Water systems.
7. Prior to being granted Construction Plan approval for the first phase of development, the owner will submit a Utilities Master Plan and hydraulic models for the entire development signed and sealed by a registered professional engineer identifying the infrastructure required to connect the development to Sarasota County Public Utilities Water, Wastewater and Reclaimed Water systems. The Master Plan will include a Water Quality Plan that demonstrates how the potable water system expansion will maintain compliance with applicable drinking water quality standards; a Lift Station Optimization Plan evaluating system impacts for the entire development; an Irrigation Plan identifying the infrastructure required to supply the sites storage pond with reclaimed water; and any off-site improvements required.

8. The owner shall operate, manage, and maintain a community wide irrigation system under a single entity or master association. Through its master covenants or deed restrictions the owner shall enforce provisions to preclude the installation and use of individual irrigation wells and employ conservation strategies including but not limited to, metering, managing supplies to limit impacts to groundwater, enforce watering schedules, monitor use, and implement best management practices to reduce irrigation demands. Community wells may be used only as a backup supply for irrigation during periods when reclaimed water or surface water is unavailable.
9. The owner is responsible for the construction and maintenance of internal irrigation infrastructure. Such irrigation infrastructure shall be designed to accept reclaimed water in accordance with applicable rules and regulations.
10. When reclaimed or reuse water becomes available, existing development shall be required to connect to these alternative supplies within 365 days of County notification.
11. The owner shall enter into a Standard Utility Agreement with Sarasota County prior to receiving Construction Authorization for the first phase of development. The Standard Utility Agreement shall outline the County's over size contributions for the extension of Water, Wastewater and Reclaimed Water systems to the development. The Standard Utility Agreement will include provisions to address the delay in the supply of reclaimed water so that development is allowed to proceed.
12. Prior to Construction Plan approval, a conservation easement shall be recorded in a form that is acceptable to the County Attorney for the purpose of eliminating any future density rights on lands designated open space and those lands generating Transfer of Development Rights (TDRs) within the Hamlet Master Land Use Plan.
13. Street lighting fixtures shall be shielded in order to direct light downward.

Section 4. Effective Date. This Ordinance shall take effect upon filing with the Department of State.

PASSED AND DULY ADOPTED BY THE BOARD OF COUNTY COMMISSIONERS OF SARASOTA COUNTY, FLORIDA, this 10<sup>th</sup> day of December, 2014.

BOARD OF COUNTY COMMISSIONERS  
OF SARASOTA COUNTY, FLORIDA

  
Chair

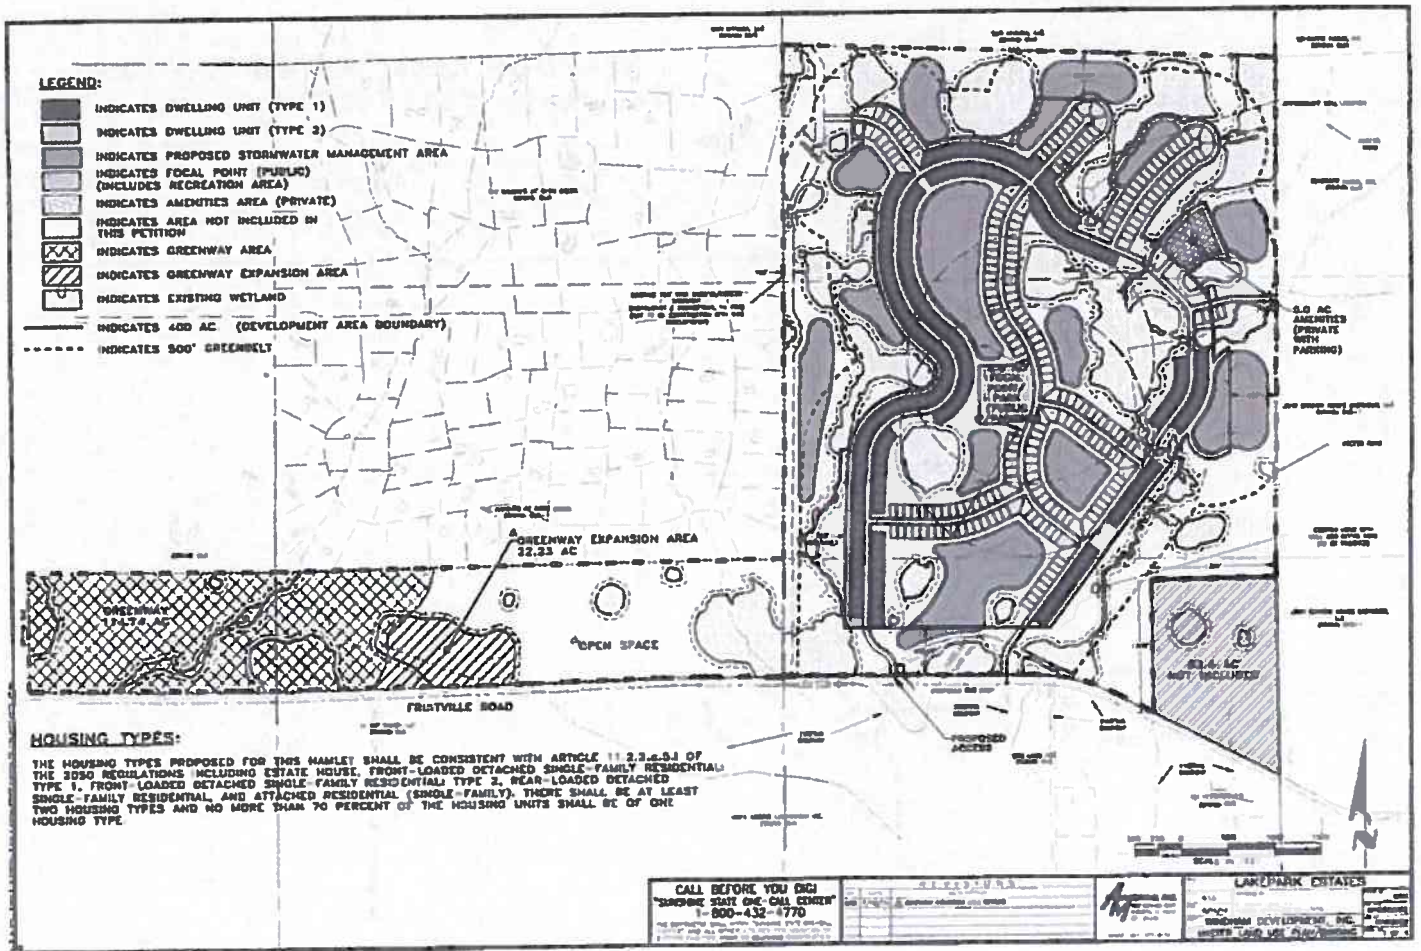

ATTEST:

KAREN E. RUSHING, Clerk of  
the Circuit Court and Ex-  
Officio Clerk of the Board of  
County Commissioners of  
Sarasota County, Florida.

Deputy Clerk

02014-090

# Exhibit "A"

02014-090

# NOTES:

1. TOTAL GROSS ACREAGE: 1,000± ACRES

2. ZONING:

EXISTING ZONING = OUR/QUE  
 PROPOSED ZONING = HPD  
 3. OPEN SPACE REQUIRED (11.2.2.e.3) = 600 AC (60%)  
 4. OPEN SPACE PROVIDED = 600 AC (60%)

## B. DENSITY CALCULATIONS:

A. (11.2.2.e.1.i) 0.29 DU/AC OF DEVELOPED AREA  
 0.29 x 400 = 116 DU

B. GREENWAY TRANSFER OF DEVELOPMENT RIGHTS (TABLE TDR-1)  
 TOTAL GREENWAY AREA = 114.74 AC  
 EXISTING LOW INTENSITY AGRICULTURE:  
 84.57 AC = 1 DU/AC = 84.57 DU  
 PINE FLATWOODS:  
 33.92 AC = 1.8 DU/AC = 61.06 DU  
 MIXED WETLAND HARDWOODS:  
 3.08 AC = 1.8 DU/AC = 5.54 DU  
 STREAMS / ESTUARIES:  
 2.88 AC = 1.85 DU/AC = 5.32 DU  
 FRESHWATER WETLAND:  
 10.58 AC = 1.85 DU/AC = 19.57 DU  
 SUBTOTAL = 159.98 DU

C. PRESERVE GREENWAY (11.2.13.e.1): (10% CREDIT)  
 159.98 DU x 0.1 = 16 DU

D. PRESERVE VIEWSHED ALONG FRUITVILLE ROAD (11.2.13.e.2): (10% CREDIT)  
 159.98 x 0.05 = 8 DU

A. C. GREENWAY EXPANSION TRANSFER OF DEVELOPMENT RIGHTS (TABLE TDR-1)  
 TOTAL GREENWAY EXPANSION AREA = 22.23 AC  
 EXISTING LOW INTENSITY AGRICULTURE:  
 2.09 AC = 1 DU/AC = 2.09 DU  
 FRESHWATER WETLAND:  
 20.14 AC = 1.85 DU/AC = 37.26 DU  
 SUBTOTAL = 39.35 DU

F. DEVELOPMENT AREA TRANSFER OF DEVELOPMENT RIGHTS (TABLE TDR-1)  
 TOTAL DEVELOPMENT AREA = 400 AC  
 FRESHWATER WETLANDS:  
 41.63 AC = 1.85 DU/AC = 77.01 DU  
 LAKES AND REGIONAL STORMWATER FACILITIES:  
 78.24 AC = 0.57 DU/AC = 44.59 DU  
 SUBTOTAL = 121.60 DU

A. G. TOTAL DWELLING UNITS = 448.14 DU  
 HOWEVER, THE HAMLET IS LIMITED TO A MAXIMUM OF 400 UNITS.

6. FOCAL POINT / RECREATION AREA:  
 PROPOSED 8.5 ACRES = 102 PARKING SPACES TO BE PROVIDED.  
 (1 AC/47 DU = 400 DU = 83 AC)

7. SARASOTA COUNTY WATER:  
 TO BE EXTENDED TO SITE

8. SARASOTA COUNTY SEWER:  
 AVAILABLE AT SITE

9. APPROXIMATE IMPERVIOUS AREA:  
 ROADS AND SIDEWALK: 21.0 ACRES  
 LOTS 50% IMPERVIOUS: 13.0 ACRES  
 TOTAL: 34.0 ACRES (3.5%)

10. STORMWATER MANAGEMENT:  
 ISOLATED WETLANDS WILL BE USED FOR STORMWATER TREATMENT AND ATTENUATION. PRETREATMENT WILL BE PROVIDED PRIOR TO DISCHARGE INTO WETLANDS. STORMWATER MANAGEMENT WILL COMPLY WITH ALL APPLICABLE SARASOTA COUNTY AND SWFWMD REQUIREMENTS.

11. THERE ARE NO GRAND TREES LOCATED ON THE SUBJECT PROPERTY.  
 (SEE ECO CONSULTANTS REPORT (DATED MAY, 14, 2014) PAGE 2: GRAND TREES)

12. FINAL ALIGNMENT OF INTERIOR ROADS AND CONFIGURATION OF STORMWATER MANAGEMENT AREAS SHALL BE ESTABLISHED AT THE TIME OF PRELIMINARY PLAT OR SITE AND DEVELOPMENT PLAN APPROVAL. PRIVATE ROADS MAY BE GATED.

13. THE AMENITY AREA MAY INCLUDE POOL, CLUBHOUSE, PARKING, LANDSCAPE MATERIAL, OPEN SPACE, BATHROOMS, SPORTS COURTS, PLAYGROUND, TOT LOT AND OTHER AMENITIES.

AMENITY AREA PARKING:  
 GENERAL PARKING: 1 SPACE PER 250 SF OF BUILDING AREA.  
 OFF STREET LOADING AREAS: 3,000 SF TO 25,000 SF REQUIRES 1 LOADING SPACE

14. SETBACKS:  
 FRONT: 20'  
 SIDE: 12' BETWEEN STRUCTURES  
 REAR: 10' TO PRINCIPLE STRUCTURE, 3' TO SWIMMING POOL AND HOME TO ACCESSORY STRUCTURES EXCEPT 6' FOR REAR LOT LINES THAT ADJUT A SIDE LOT LINE.

15. THERE WILL BE NO LEASABLE SPACE ASSOCIATED WITH THIS PROJECT.

## PLANNED DEVELOPMENT MODIFICATIONS:

- MODIFICATION FROM 11.2.8.e.2, AND TABLE 4, VOS-20, ROAD EDGE TREATMENT, OPEN DRAINAGE, TO PERMIT ROAD EDGE WITH CLOSED DRAINAGE.
- MODIFICATION FROM 11.2.2.e.3.b.(a), REQUIRING FOCAL POINT TO BE LOCATED WITHIN 1/2 MILE RADIUS OR WALKING DISTANCE FOR MAJORITY OF RESIDENCES, TO PERMIT 236 (58%) UNITS TO BE LOCATED OUTSIDE SAID RADIUS.
- MODIFICATION FROM 11.2.8.e.2.b.(c)(3), CUL-DE-SACS PROHIBITED EXCEPT WHEN NECESSARY NEXT TO GEOGRAPHICAL FEATURES OR AT EDGE OF DEVELOPMENT AND NOT EXCEEDING 1,000', TO PERMIT 2 CUL-DE-SACS, 1 EXCEEDING 1,000' (1,440')
